

Health and Beauty Advice

BY MRS. MAE MARTYN

L. T.: From what you say, I judge your trouble is not eczema, but a rash caused by the too profuse use of face powder, and the only remedy is to employ a good massage cream to thoroughly cleanse the skin of local impurities. A greaseless cream-jelly of exceptional value can be made at little cost by stirring two teaspoonfuls glycerine in a half-pint cold water, and adding one ounce alcohol. Let stand over night, then apply to face, neck and arms and massage in thoroughly. A few such treatments rid the skin of roughness, eradicate pimples and blackheads and dispel sallowness, while the complexion will take on a youthful tint and freshness.

Mrs. L. B.: I know it is discouraging to be over-fat, but this can be quickly remedied if you buy four ounces parnotis from your druggist and dissolve it in one pint-and-a-half hot water. When it cools take a tablespoonful before meals. Keep up treatment regularly until desired weight is reached. You will find this method will not injure or inconvenience you in any way, and it will not leave the skin flabby or wrinkled.

Q. T.: You can restore the original color to the hair and correct those scalp troubles by using this inexpensive hair-tonic: Mix together one-half pint each alcohol and water and in this put one ounce quinine. Massage the scalp well with this will gradually restore the natural tint and glossiness to the hair and put the scalp in a healthy condition. If you use the quinine hair-tonic regularly, it will make the hair come in thick and beautiful.

Worried: That ugly growth of fuzz can be permanently removed from your chin by the application of a paste made with powdered delatone and water. After this has been on two or three minutes rub off and wash the skin and the hairs will have vanished. Druggists charge a dollar for a ounce-package of delatone, but this cost is trifling.

Ruth M.: The insomnia and loss of appetite of which you speak are caused

ed by an impoverished condition of the blood. What you require is a blood-cleanser and tonic. For a small sum you can make your own, by getting an ounce of kerdene and a half-pint alcohol. Dissolve one-half cupful sugar in the alcohol, then add the kerdene and hot water to make a full quart. Take a tablespoonful three times each day and your natural health and strength will soon return. The kerdene is gentle in action and quickly rebuilds worn or waste tissues.

Edna: A dry, itchy scalp usually follows the use of an alkali shampoo mixture. This robs the glands of their necessary oils and causes the tissues to die. The only way to restore vitality and banish the dandruff is to shampoo occasionally with plain canthrox, a teaspoonful of which dissolved in hot water is enough for a thorough cleansing. You can obtain an original package of canthrox at any drug store, and you will find that aside from keeping the scalp in a clean, healthy condition, it will induce an abundant growth of fluffy, brilliant hair.

A. D. L.: The shiny, oily condition of your skin is due to excessive use of powder, which clogs pores and frequently causes pimples, blackheads and other complexion uests. I would advise discarding powder and employing a plain surmax lotion. This is prepared by adding two teaspoonfuls glycerine to a half-pint hot water, then stirring in four ounces surmax. Apply sparingly to the skin and rub lightly until it dries. You will find this nicer than powder as it is invisible when on, does not rub off, and gives to the complexion a charm and richness impossible any other way.

XX: Nothing so detracts from beauty like weak, watery eyes, and to overcome this trouble, I would suggest using a plain crysots eye-tonic. You can easily prepare this at home by dissolving one ounce crysots in a pint of cold water. Putting two or three drops in each eye daily quickly relieves the smart or ache, soothes the tired muscles and gives to the eyes a delightful sparkle and brilliancy.

WILL USE FERRET TO HUNT RABBITS

George Bickel, Well Known Local Nimrod, Puts One Over Other Hunters by Being First In Field.

IT ARRIVED YESTERDAY

Animal Was Sent Here From Illinois City and Will be Trained for Use on the Snow-covered Fields.

Keokuk hunters have bagged rabbits in all sorts of ways but the first one to import a ferret to aid him in the sport is George M. Bickel, one of the well known nimrods of the city.

The young ferret which came from an Illinois city, reached Keokuk Saturday afternoon by express and will need little training before being able to scent out a bunny and bring him home to his master.

Local hunters promise to become greatly interested in the ability of the ferret as a rabbit killer and the animals may come into general use as a result of the test. Ferrets have been used successfully in the sport because of their slender, lithe bodies which enable them to make their way into the rabbit's haunt.

The ferret is described as being an artificial albino variety of the Fitch or Polecat, said to be of African origin, about fourteen inches long of a whitish or pale yellowish color, with red or pink eyes. The animal is bred in confinement in Europe and America to kill rats, rabbits and other vermin or small game living in holes into which its lithe, slender and sinuous body readily enters.

The ferret is now known only as a domesticated animal. It is a near relative of the Shout, or Ermine and the Weasel, as well as of the Polecat. About a year ago the Kellogg-Birge company had two ferrets sent here for the purpose of killing rats. They were turned loose in the basement of the large wholesale house and used with success.

Bailey & Austin. Bailey & Austin in the "Top O' the World" at the Grand last Friday night gave their customary performance. The production has been witnessed here but the play again attracted a large house. Bailey and Austin are the stars in the performance. They are clever but their chorus was not as strong as on a previous visit.

\$3.50 RECIPE FREE FOR WEAK MEN

Send Name and Address Today—You Can Have it Free and be Strong and Vigorous.

I have in my possession a prescription for nervous debility, lack of vigor, weakened manhood, failing memory and lame back brought on by excesses, unnatural drains, or the fall of youth, that has cured so many worn and nervous men right in their own homes—without any additional help or medicine—that I think every man who wishes to regain his manly power and virility quickly and quietly, should have a copy. So I have determined to send a copy of the prescription free of charge, in a plain ordinary sealed envelope to any man who will write me "or it."

This prescription comes from a physician who has made a special study of men and I am convinced that it is the surest-acting combination for the cure of deficient manhood and vigor failure ever put together.

I think I owe it to my fellow man to send them a copy in confidence so that any man anywhere who is weak and discouraged with "run-down" nerves may stop drug-ing himself with harmful patent medicines, secure what I believe is the quickest-acting restorative, upbuilding, SPOT-TOUCHING remedy ever devised, and so cure himself at home quietly and quickly. Just drop me a line like this: Dr. A. E. Robinson, 4081 Luck Building, Detroit Mich., and I will send you a copy of this splendid recipe in a plain ordinary envelope free of charge. A great many doctors would charge \$3.00 to \$3.50 for merely writing out entirely free.

Keokuk Grand next Tuesday evening: PEORIA, Ill., Dec. 2.—Mr. Leonard C. Worley, Keokuk Grand opera house, Keokuk, Iowa.—Polly of the Circus is one great show. The company absolutely first-class. Georgia Olp is the best "Polly" I have ever seen. I have seen them all. Circus in last act is far better than any other company ever had. Take it from me your patrons will be more than pleased. Henry Sandmeyer, Jr., Mgr. Majestic theatre.

Lovers of an evening of real pleasure in the theatre are promised a treat far out of the ordinary in the announcement that the record-breaking success, "Polly of the Circus," with Miss Georgie Olp as Polly, has been secured as the attraction at the Grand next Tuesday evening. No play of the present generation has elicited such unanimous approval from all classes as has this refreshingly told story of the romance of a pretty little circus rider and a village clergyman in the middle west and the fact that "Polly of the Circus" is to be presented here on exactly the same scale of lavish magnitude that made memorable its season's long run in New York City, would seem to insure for it the largest attendance of this season. Already plans are being made for a number of large theatre parties. Seats now on sale.

Hamlin-Bispham Concerts. Tomorrow is the last day that subscriptions will be accepted for the Hamlin and Bispham concerts. Elsewhere in this issue is a subscription blank. Those who desire to avail themselves of the reduced prices and special advantages to subscribers should cut out this blank at once, fill in the number of seats desired, sign and send to J. E. Baker. No subscriptions will be accepted after tomorrow.

In getting Mr. George Hamlin on December 18th and David Bispham on February 5th, Keokuk will hear two more of the world's great artists.

George Hamlin will come here direct from his first appearance with the Chicago Grand Opera company, an occasion which demands a price of \$1 per seat at the Auditorium. This great tenor has taken his place as one of the foremost tenors of the world and to hear him is a treat and a musical education. On account of the high price demanded for his services but few of the smaller cities are favored with one of his concerts, but the management here is determined that artists of only that class shall be brought here. The low prices of \$2, \$1.50, and 75 cents will be charged for the Hamlin concert.

Those who subscribe now for both the Hamlin and Bispham concerts may purchase tickets for \$1.50, \$1 and 75 cents.

David Bispham, the greatest baritone America has ever produced, is likewise an artist too well known to need an introduction. Wherever he

appears, in this country or in Europe he is greeted by a house full of his enthusiastic admirers. Both of these artists will appear here under the direction of J. E. Baker and the patronage of the Monday Music Club.

Last Week of Colvin.

One more week of Colvin's engagement at the Colonial theatre, then off for the sunny south, the land of flowers. There are only a few more days left to hear Keokuk's favorite singer. This is positively the last week in Keokuk of Colvin's engagement for some time, so get busy if you want to hear him. He will sing his biggest hit tonight, the greatest of novelty songs, "I'm Going Crazy." Four shows will be given tonight to accommodate the large crowds, commencing promptly at 6:30, 7:30, 8:30, 9:30. Go early if you want to get in. During the last week of Colvin's engagement new songs will be sung each night. Remember you have only a few more days to hear him.

Treat for Keokuk Theatre Goers.

Manager Worley assures the theatre goers of Keokuk a high class attraction in "Polly of the Circus." It is a drama by Margaret Mayo and had a run of one solid year in New York City. "Polly of the Circus" is under the management of Frederick Thompson, one of the biggest producers in the world. In the last act some ring circus is shown and four horses are used in this performance, with clown and other circus features that give it a realistic effect. It requires a special car to convey the horses and the scenery used in giving this performance. The audience must remain seated after the curtain goes down on the last act as a transformation scene is presented showing the circus leaving the show grounds. It is a very strong scene. Seats are now on sale for this attraction and no one will go away from the Grand next Tuesday evening disappointed.

CASCARETS FOR A SICK, SOUR STOMACH

Gently But Thoroughly Cleanse and Regulate Your Stomach, Liver and Bowels While You Sleep.

That awful sourness, belching of acid and foul gases; that pain in the pit of the stomach, the heartburn, nervousness, nausea, bloating after eating, feeling of fullness, dizziness and sick headache, means indigestion; a disordered stomach, which cannot be regulated until you remove the cause. It isn't your stomach's fault. Your stomach is as good as any.

Try Cascarets; they cure indigestion, because they immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry off the decomposed waste matter and poison from the intestines and bowels. Then your stomach trouble is ended forever. A Cascaret tonight will straighten you out by morning—a 10-cent box from any drug store will keep your entire family feeling good for months. Don't forget the children—their little insides need a good, gentle cleansing, too.
