### ELGIN WATCHES

### Watches As Gifts

For the birthday a watch is an ideal gift. The business man and woman, the college student, even the boy or girl needs a watch. How often you hear one say: "I'm proud of that watch. My mother gave it to me years ago."

And then, punctuality is one of the eminently desirable virtues, and a good watch helps to cultivate punctuality.

We'd like very much to show your ours. The stock is splendid, of wide variety, and there's nothing doubtful in what we recommend.
