MOURN DEATH OF FORMER RESIDENT

William P. Upham, Who Resided in Keokuk From 1868 to 1878, Died Under Operation at Springfield, Mo.

HE RESIDED IN QUINCY

Was Member of Shoe Firm There and Had Been Prominent Citizen of Illinois City for a Number of Years.

William P. Upham, brother of H. W. Upham of Keokuk and a former resident of this city, died Friday at Springfield, Mo., under a surgical operation. For a number of years Mr. Upham had been a prominent citizen of Quincy.

The funeral will be held this afternoon at 3 o'clock from the Congregational church, and Mr. and Mrs. Upham and Mrs. E. R. Cochran have gone to Quincy to attend the services. Mr. Upham is remembered by many of the older residents of this city. He resided here from 1868 to 1879, being engaged in the wholesale shoe business under the firm name of Dunlap and Upham. Of Mr. Upham the Quincy Whig says:

Mr. Upham for many years resided in this city and was one of the most widely known business men here. For many years he was identified with the Gordon-Upham Shoe company and up until about two years ago was an active partner in that business firm. The firm of Gordon and Upham then also were the owners of a store, under the same name, in Springfield, and when the partnership was dissolved it was decided that Mr. Upham should take the store in Springfield and Mr. Gordon the one here. After making this arrangement Mr. Upham lived in this city for about six months, after which he moved to the city where his death occurred. While a resident here he resided at 1648 Maine street.

A Leading Citizen.

Mr. Upham was one of the pioneers of this county and probably was one of the most widely known men of the city. During his business career he built a reputation for honesty and square dealing that was undoubtedly the basic principle of his success. He was one of the representative men of the commercial and financial interests of Quincy, and in all things the welfare and forwarding of Quincy's well-being was the first in his mind. For years he was a director of the First National bank, and when that institution was consolidated with the State Savings, Loan and Trust company he was made a director of that bank. He was also active in charitable and philanthropic work.

Born in Massachusetts.

The deceased was born in Melrose, Mass., in 1841, that city having also been his father's native place. Upon leaving school he determined upon a commercial career and began his life

THREE YEARS OF MISERY

Mrs. Burnside Escaped an Operation by Taking Lydia E. Pinkham's Vegetable Compound.

Mahoningtown, Pa.—"For three years I suffered untold misery every month, and had to stay in bed the first two or three days. I also had a displacement and other ailments peculiar to women. I became so weak and run down I could scarcely walk across the floor.

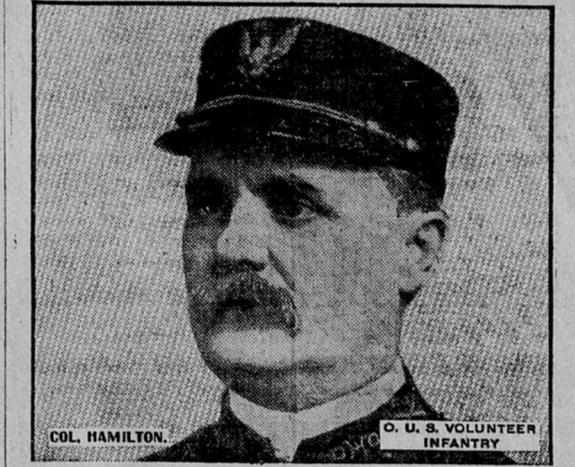

"The doctor told me I would never be well unless I would undergo an operation, but I was advised by my mother to take Lydia E. Pinkham's Vegetable Compound and after I had taken four bottles I am strong and well. I have got others to take your medicine with the same good results and they cannot say enough for it."—Mrs. J. A. BURNSIDE, Mahoningtown, Pa.

Thousands of unsolicited and genuine testimonials like the above prove the efficiency of Lydia E. Pinkham's Vegetable Compound.

Women who suffer from those distressing ills should not lose sight of these facts or doubt the ability of Lydia E. Pinkham's Vegetable Compound to restore their health.

If you have the slightest doubt that Lydia E. Pinkham's Vegetable Compound will help you, write to Lydia E. Pinkham Medicine Co. (confidential) Lynn, Mass., for advice. Your letter will be opened, read and answered by a woman, and held in strict confidence.

COL. HAMILTON His Experience in the Army as Well as in His Home.

Gallant Spanish-American Soldier Gives Praise to Pe-ru-na

Col. Arthur L. Hamilton, of the Seventh Ohio Volunteers, writes as follows:

"I have used Peruna myself and in my family for the last seven years. I have already written you about the good results I experienced with your remedy during the Spanish-American War.

"My command used your Peruna during our service in the Spanish-American War, and I will say this, that if the War Department records are consulted, it will be found that the casualties in my regiment were less than in any other regiment of the Army Corps while at Camps Alger, Meade and Bushnell. The total deaths in my regiment during the seven months' service, were seven out of a total number of 400. I, of course cannot help but think that Peruna certainly was a great benefit to my command."

Cold Settled on Lungs. Mr. Samuel McKinley, 1215 Grand Ave., Kansas City, Mo., writes: "I can honestly say I owe my life to Peruna. "Traveling from town to town, having to go into all kinds of badly heated stores and buildings, sometimes a standing up for hours at a time while plying my trade as auctioneer, it is only natural that I had colds frequently.

"Last December I contracted a severe case, which, through neglect on my part, settled on my lungs. When almost too late I began doctoring, but without avail, until I heard of Peruna. It cured me, so I cannot praise it too highly."

Head and Nose. Mr. W. J. Harper, Lehigh, Cleveland Co., Arkansas, writes: "I do not know how to express my thanks to you for the good you have done me in treating me for catarrh.

"I was a great sufferer from the effect of chronic catarrh of the head and nose. I was continually hawking and spitting, and I had entirely lost my sense of smell. I had tried various remedies, but nothing did me any good.

"At last I tried Peruna as a last resort, and I am thankful to say that after using ten bottles of Peruna I am once more well of catarrh of the head and nose."

work as an apprentice in a large wholesale dry goods house in Boston. In the early sixties he came west, locating first at Washington, Iowa, where he engaged in the retail boot and shoe business. Three years later he removed to Keokuk, Iowa, where he embarked in the same business, later enlarging it to a wholesale as well as a retail house. He came to Quincy in 1878, succeeding the old established boot and shoe house of C. Brown, Jr., the firm taking the name of Upham, Gordon & Co. The growth of the business, which was later taken over by Mr. Upham, is well known by every citizen of this city as well as over the west generally, as the house has done business with nearly every firm in this part of the country.

Surviving him are four children, two sons, Charles and Harry, in Springfield, with whom he was associated in the shoe business, and two daughters, one at home in Springfield and one married, living in Massachusetts. The body will be brought here for interment.
