## OTTUMWA GIVEN C. A. PREFERENCE

Dopesters Give Ottumwa Edge on Other Clubs in First Few Weeks of Season Owing to Egan's Activity.

## KEWANEE COMES SECOND

Kewanee is Likely to Cause Change of Opinion Before the Season Gets Very Far Along in the Race.

Ottumwa seems to be the favorite in the estimation of Central Association scribes for early season honors in getting the best start. That Egan has already developed a strong organization is conceded and the chances are that the team that he will pilot through the playing season this year will have a running start on the rest of the league. Kewanee is the choice of the sport writers for the second place but the fans in Bolleerdom are optimistic and promise that there will be a big change of opinion before the season is well started. There is no doubt if Kewanee is sincere in their avowals to keep within the salary limit, that they will be one of the hardest teams in the league to beat. With the back bone of the team made up of old experienced men, they should have no trouble in landing well up in the first division.

Hough's ability as a player and handler of men is given as a valid reason for Monmouth being chosen for the third team and it is sure that they will be in the money and fighting for a place all the time. Hough never has failed to bring his team either at the top or within striking distance of the pennant.

Muscatine is said to be capable of making Monmouth go all the way to keep in front of them. Enthusiasm over the prospects of the Muscatine team is dampened by memories of the failure of last year's manager and the question this year is whether or not Coleman can deliver that in which Walters failed.

"Ducky" Ebert's ability as a player is well known but whether or not he can handle a ball team is the leading question in Galesburg. Hannibal, in Eddie Herr, has a man who has made good both in the playing end of the game and the managerial berth and is given much careful consideration by the dopesters. He is likely to spring a big surprise and top some of the sure thing players.

Keokuk is in much the same boat as Muscatine as far as dope is concerned. Queisser comes with the reputation of a clean, hard working man and fighting for position all the time. The fans of this city are giving him loyal support, however, and will give him every chance to get his stride.

President Hayden and Manager Rohm of the Burlington team have adopted a system of absolute silence in regard to the Hawkeye's lineup and it is impossible to tell what they will do. Burlington fans are giving them their confidence though, resting easily in the firm conviction that there will be a real ball team in their town the coming season. Hayden states that the team will be one of the contenders for the flag this year but will not give out the team until the trial lineup is ready.

## BAD BREATH.

It's Your Duty to Get at the Cause and Remove it. A Word to the Wise, You Know.

Dr. Edward's Olive Tablets, the substitute for calomel, will positively do the work.

People afflicted with bad breath find quick relief through Dr. Edward's Olive Tablets. The pleasant sugar-coated tablets are taken for bad breath by all who know them.

Olive Tablets act gently but firmly on the bowels and liver, stimulating them to natural action, clearing the blood and gently purifying the entire system of impurities.

They do all that dangerous calomel does without any bad after effects. All the benefits of nasty, sickening, griping cathartics are derived from Olive Tablets without griping, pain or disagreeable effects of any kind.

Dr. F. M. Edwards discovered the formula after seventeen years of practice among patients afflicted with bowel and liver complaint with the attendant bad breath.

Olive tablets are purely vegetable compound mixed with olive oil. Try Olive Tablets today. Take one every night for a week and note the effect.

"Every little Olive Tablet has a movement all its own."

The Olive Tablet Company of Columbus, Ohio. Dr. F. M. Edwards, President.

## BIG CONGRESS IN CHICAGO OVER

Crack Bowlers Are Scattering to Their Homes All Over the Country Now that Contests Are Over.

## METCALF WINS BIG MEET

Chicago Man Takes Individual Sweepstakes Event With Total of 1033 on Last Day of Tourney.

[United Press Leased Wire Service.] CHICAGO, March 25.—With the rolling of the sweepstakes completed, the country's crack bowlers dispersed for their homes today. Will Metcalf of Chicago won the individual sweepstakes event with a score of 1033. The local O'Leary team took the five men event with 4499 and Mr. and Mrs. Jack Reilly of Chicago defeated Matt Blau and wife of Milwaukee for first place in the doubles with a 110 score. J. Smith of Chicago won a match game from Al Lindgren, of Buffalo, 2211 to 1948.

## C. A. GOSSIP

The Burlington Hawk-Eye of Sunday gives the following dope on Keokuk: Keokuk is as yet a puzzle, with a strong group of business men backing it up. Keokuk is confident of first or second position. Were former Manager "Dad" Belt in charge, something of an estimate could be placed on the probable strength of the team. Art Queisser the new boss is however a stranger to many, and although he comes with the best of records behind him the fans will have to see his team work under him before they will be able to judge as to his ability to make good in this circuit.

Perhaps the "Kewanee Krab" did not notice Article XIII in the new code book just issued by the league directors which reads: "Side agreements and bonuses shall not be permitted in this league."

Hannibal is rejoicing in the fact that the fans who pledged money for the support of the team this season are paying up their subscriptions. Lively interest is being shown in the Missouri town over the prospects of a first division team and the management is assured of the hearty co-operation of the baseball public.

President Hayden of the Burlington team has closed a contract for the use of the Belleville Ill. park for the training season for the Hawk Eyes. The players will report Monday and start work. Games have been scheduled with several major league teams and the grounds of the St. Louis team will be used during the absence of the Nationals on their spring training trip.

After a heavy meal, take a couple of Doan's Regulets, and give your stomach, liver and bowels the help they will need. Regulets bring easy, regular passages of the bowels.
