

STORK CUTTING FUNNY DIDOES

Flew Into Dr. Brown's Office This Morning and Left a Robust, Pudgy Mass of Squirming Humanity.

MOTHER IN HOSPITAL

Mother Came to Keokuk to Have an Operation Performed for a Tumor, But Operation is Now Unnecessary.

That bird of destiny, the stork, fell from the beaten path today and cut capers in Dr. Frank Brown's office that are far from the regular order of things earthly.

Funny things there do be in a doctor's life, but the one this morning in Dr. Brown's office was a little short of remarkable, not to say miraculous.

As soon as Dr. Brown could recover his composure, he communicated with Mrs. Brown and clothing suitable for the mite of humanity was sent to the office and the robust youngster was taken to the Brown home, where he is at the present time—as snug as a bug in a rug.

The child was one of a group in white dresses carrying flags in honor of the president's visit.

PRESIDENT WAS UP WITH LARK

dorse any particular kind of labor unions, but it might be well to repeat our declaration in favor of the industrial form of organization as such.

"The socialist party is the only political organization today that has any reason to be satisfied with its past and look hopefully into the future. Both old parties are shot to pieces. The best of their politicians are trying to hide their fearful lack of ideas by snatching a few shreds from the socialist platform. The republican party is morally and intellectually bankrupt; the democratic party proves its stupid impotence and reactionary imbecility in the house on almost every occasion."

Bryan Still Talking. FREMONT, O., May 8.—William J. Bryan paid Senator Robert M. LaFollette a high compliment today in a speech at Norwalk.

"In the republican party Senator LaFollette has led the fight for many great reforms, including direct election of senators," Bryan said. "His fight in the republican national convention four years ago was the beginning of the present awakening in that party."

"If the republican party had done what LaFollette wanted done, we would have direct election of senators today and the election of a man like Lorimer would have been impossible. The Norwalk army was packed to the doors shortly after 6 o'clock today and Bryan was not scheduled to speak until 7:00, when between 2,000 and 3,000 heard him. He devoted much time to the republican situation, declaring the Taft-Roosevelt fight had made democratic chances better than in many years."

Taft Won Cheers. PORTSMOUTH, Ohio, May 8.—President Taft won the cheers of a great crowd here today when he broke off his speech and with his own hand lifted to the platform the still white form of a little girl who had fainted in the crush about the stand.

The child was one of a group in white dresses carrying flags in honor of the president's visit.

When the president saw the little one crumple into a heap his face showed his sympathy. He broke off abruptly and stepping to the edge of the stage, he held out his arms and said: "Hand her up to me." Taft's aide, Major T. L. Rhoades, an expert surgeon, quickly revived the child.

[United Press Leased Wire Service.] SPRINGFIELD, Ill., May 8.—Senator John Dailey of Peoria had his Modern Woodmen compromise bill ready for introduction when the senate met this morning, but he did not offer it. BURNED PAPERS IN TRUST CASE

question was withdrawn, reframed and repeated and the witness answered in the affirmative.

Whitney was subjected to a severe cross examination by Raynal Bolting. He admitted that when he had asked Baehge and Cragin some weeks after the burning of the papers whether they did not remember issuing the order to destroy them, they agreed no such order had ever been issued. He also said that a woman stenographer in the Worcester office did not recall the order, although she had been present when it was issued.

"But I know that it was issued and that Mr. Baehges said to me: 'Harry, I want you to personally see that these papers are burned.' I couldn't make any mistake there."

Whitney became very nervous while his examination proceeded and seemed about to break down, but he stuck closely to his original story under a bitter cross examination.

DEATH TODAY OF MRS. HESBACHER

After a Long and Painful Illness Her Last Sleep Came at 9:15 O'clock This Morning.

AT HIGH STREET HOME

For a Number of Years a Resident of Keokuk, and a Member of German Evangelical Church.

At 9:15 o'clock this morning, after a protracted illness, Mrs. Martin Hesbacher passed away at the family home, 1311 High street. For a considerable period, Mrs. Hesbacher had suffered from rheumatism and heart trouble. Her serious illness may be dated from last January when symptoms of dropsy appeared which added to her suffering and finally caused her death.

Mrs. Hesbacher had lived in Keokuk many years and was loved by many who had been her neighbors and friends. Of a most kindly, womanly disposition, wherever she went she cast about her a social atmosphere of tenderness and goodness. She was a member of St. Paul's German Evangelical church and of the Ladies Aid Society of that church, in both of which her inspiring words and wise counsel will be sadly missed. She was a devoted wife and fond mother.

Born at Nauvoo. Mrs. Hesbacher was born at Nauvoo, Ill., May 21, 1854, her name before marriage being Miss Magdalene Wolf. When a girl she became a resident of Keokuk about the year 1872. On November 18, 1875, she was married to Martin Hesbacher by whom she is survived with the following three children: Edwin A. Hesbacher, of Omaha, Nebr., P. Stanley Hesbacher of Des Moines and Urban M. Hesbacher at the family home.

She is also survived by two brothers, Peter Wolf of Keokuk and Louis Wolf of Nauvoo; four sisters, Mrs. Louisa Miner of Sacramento, Calif., Mrs. Luzetta Hampton, Berkeley, Calif., Mrs. Elizabeth Urban of Sacramento, Calif., and Miss Emma Wolf of Nauvoo, and three step-sisters, Mrs. Anna Clement of Nauvoo; Mrs. Jacob Frank of Keokuk and Mrs. Kate Sheridan, of Chicago.

The arrangements for the funeral have not been completed.

COULD NOT LIVE WITHOUT HER LORD

Widow Turned on the Gas and Wrote Letter as She Prepared to Die.

[United Press Leased Wire Service.] CHICAGO, May 8.—Seated at a table, a pencil in her hand, poised above a paper on which a partly finished farewell note was written, Mrs. Mary Stetzel, a widow aged 38, was found unconscious today. An open jet had filled the room with gas. The note which she was writing when the gas fumes overcame her said: "To whom it may concern: "I would rather die than be left alone. I have always felt that I could not live without Stetzel. He was my lord and we two were the world. Without him I could never be happy. I had a warning that something would happen to us on our journey—" A feeble effort to continue writing resulted in illegible scribbling. The woman was taken to a hospital where it was said she would not recover.
