DR. S. M. WELLS GIVES WARNING NOTE

BEWARE OF IMITATORS

Dr. Wells Medical Expert's Office is Still on the 2nd Floor Rooms 4 and 5, at 420 Main Street.

He has not moved his office and is still treating the sick and the afflicted just the same as he always has regardless of what you may hear or read. He has the formulas that have cured the hopeless cases and still retains them in his office. Some may tell you he has moved, nay, nay. He still remains at his old rooms, and does not want any of his tried and worthy friends to be misled into the belief that he has moved or that some one else has his original formulas. It was his original formulas that cured Jim Semones of dropsy, cured many with gall stones, took the sick from

their bed and put them on their way to health. Remember his office is still on the second floor rooms 4 and 5, Monarch building, 420 Main street and his unparalleled success in treating rheumatism, stomach, liver trouble, appendicitis, catarrh and female trouble, has won for him a warm spot in the hearts of the Keokuk people and the surrounding vicinity. But there are always imitators in all lines of business. Any treatments given outside of rooms 4 and 5, Monarch building, at 420 Main street, will not be sanctioned by Dr. S. M. Wells. The Warsaw Gate City

Warsaw, Ill., Sept. 14, 1913.

Walter Dross has returned from a business trip to Chicago.

Mrs. Fred S. Rattermann has returned after a three weeks' visit among relatives in Denver and Colorado Springs.

J. T. Battles is converting the upper floor of his new building, Sixth and Main streets, into two flats of five rooms each with pantry and toilet. Each flat has a wide hall almost the full length of the building. The flat will be electrically lighted and will have city water.

The Schmidt Electric company will soon show our people some new and original designs in electric signs.

Martin Koch, son of Louis Koch, is here for a ten days' visit with home folks. He is located at Stuttgart, Ark. In the center of the rice industry, and is employed by a big firm that manufactures well-boring outfits. He says the growth of that section is phenomenal, both in towns and country; the principal crop on the farms being rice; at Stuttgart is located one of the biggest rice mills in the country. Martin is a Warsaw boy, one of those who are "making good."

Mr. and Mrs. Willis Worthen and son, Leslie, and Mrs. Thomas Worthen, mother of Mr. Worthen, all of Keokuk, will on October 1 leave for Los Angeles, Cal., to make it their future home.

Mrs. Earl Rayburn of Hamilton was a Warsaw visitor Friday. Emory Beard of Bluffs, Ill., Mrs. Nelson of Winchester, Ill., and Mr. and Mrs. Willis Worthen of Keokuk were in Warsaw Friday in the interest of the estate of the late Mrs. Sara Scott, mother of Mrs. Worthen.

Mrs. Elmer Stowe, Mrs. Horace Reeves and daughter, and Miss Henrietta Ayres, all of Keokuk, were calling on friends here on Friday.

Mrs. Frank Miller of St. Louis, formerly Miss Maunda Krippeke of Warsaw, is here visiting relatives. Frank Crane of Peoria spent Friday night with relatives here. He is looking and feeling fine.

Miss May Bliss, born and raised in Warsaw, and well known here, daughter of the late Isaac Bliss, was married September 4, to Mr. Frank Follette. They will make their home in Fairmount, Minn. She, with her mother, Mrs. Hattie Bliss, has been living in Armstrong, Iowa, for some time.

Warsaw's two Royal Neighbor camps will consolidate as one camp on Tuesday evening, September 16, at Woodman hall. Refreshments will be served by Acorn Camp 455. By this move, of course Clover Leaf Camp 864 will cease to exist. This union it is hoped will strengthen the order here and create new interest and growth. A large attendance of both camps is expected and a good time anticipated.

Miss Iona Cecelia Eshom, niece of Mr. and Mrs. Grant Luttman of this city, was united in marriage to Mr. Clarence Wm. Tranbarger, son of Mr. Clarence Wm. Tranbarger of Hamilton, on Wednesday, September 10 at the residence of Rev. A. L. McArthur who performed the ceremony. They were attended by two of their friends, Miss Hazel Jackson of this city and Mr. Arthur Dennis of Hamilton. Immediately after the ceremony the bridal party went by automobile to Elvaston where they boarded the Wabash train for Springfield, but they did not outwit their friends who followed them in autos and treated them to the customary blessings of rice, old shoes, etc. The bride is a most estimable young lady, a graduate of the Warsaw high school, class of 1910. The groom is a clerk for Norris and Nash, Hamilton, and is worthy of the bride he has chosen. They have the best wishes of their many friends in their new life. Hamilton will be their home where a cosy cottage awaits them.

The Right Rev. Bishop Fawcett, D. D., of Quincy, will preach in St. Paul's Episcopal church on Sunday morning at 10:30 o'clock. The following young people will be presented to the bishop for confirmation: Francis Fairfar-

Clara Sharpe, Mildred Sharpe, Louise Hunt, Gussie Boyce, Ernest Blodgett, John C. Worthen, Frank Schmitt, Carol Schmitt and Harry Fox.

The button factory works a force of 86 men at the present time, and the last weekly payroll amounted to about \$1200. Not bad is it, and all that money spent in Warsaw among our merchants.

Miss Echle has returned from her several weeks vacation at Cohasset Beach, Mass., stopping in New York and Chicago to note the fall styles.

Rev. J. Forbes Mitchell will leave on Monday night for Chicago, Milwaukee and Beaver Dam, Wis. While in Chicago he will be the guest of Dean Sumner.

Robert Baird, one of our oldest citizens, celebrated his 90th birthday recently.

The Farmers' Grain and Supply company's elevator since it opened for business has shipped 23,212 bushels of wheat, 4,663 of corn, 4,237 of oats, and 1,200 of rye; its shipments of hay have excelled Warsaw's shipments of recent years.

Bishop Fawcett of Quincy will be the guest of Mrs. C. B. Hill during his stay here.

Mr. and Mrs. John F. Scott of Carthage left for St. Louis on the Du- buque, after a short visit with Mrs. Mary Rogers.

R. B. Johnson has been appointed a Hunt drain commissioner by Judge Baird, to succeed A. W. McGregor, who was not a candidate.

On Thursday while taking down one of the old electric light poles, one of the working force from Keokuk fell with the pole which had rotted off even with the ground. He was terribly shaken up, bruised and scratched, but luckily no bones were broken.

The home subscription to the Ft. Edwards monument fund amounts to \$2,100.00, thus far, but it is believed that the \$2,500.00 point can be reached. This with the \$2,500.00 from the state, and the \$2,500.00 asked for by Congressman Tavenner, should get a handsome monument or marker for this historic spot.

It has been suggested that Warsaw invite the Hancock County Soldiers and Sailors' Association, which meets in Nauvoo September 16 and 17, to meet in Warsaw in 1914, on the occasion of the home coming and monument unveiling.

Geo. Schlenker has returned from Glasgow, Montana, where he registered for the land drawing that is set for September 23. There was no rush, and that is not strange, as the climate is too cold for some, while others do not mind it.

Mr. and Mrs. John Lockhart and their son, Lawrence, of Minneapolis, are visiting Mr. Lockhart's brother, Charles, and wife.

The Sunny South, floating theatre, will be here Tuesday, the sixth of these popular amusement palaces to visit Warsaw this season.

RETIRES TOMORROW FROM INDUSTRIAL BODY

Announcement as to Successor to John DeWitt, Manager, or Policy of Association Soon.

John DeWitt, who has for two years been manager of the Industrial Association, will retire from that office tomorrow, September 15, and will enter manufacturing business in this city as has previously been announced.

An announcement as to his successor or the policy of the association is expected within a day or two. The directors conferred some time ago with a man from the western part of the state regarding the position, who favorably impressed many Keokuk business men during a short visit here.
