

### GIVE BANQUET TO CONTEST WINNERS

Rose Circle Class of Christian Sunday School Honored by the Other Classes Last Night.

### MADE A GOOD RECORD

Program for the Evening Exceptionally Fine—J. B. Angle Acted as Toastmaster.

The Christian church Sunday school last evening honored one of its classes by a banquet given at the church. The banquet was given in honor of the Rose Circle class of young ladies taught by Mrs. Roscoe Lowe and Mrs. W. O. Burris, for winning the highest percentage in a series of contests with the other adult classes of the school. Out of twelve contests the class honored last evening lost but two, winning by a percentage of 83.3.

One hundred and forty were present at the banquet last evening, there being people of all ages present. A fine banquet was served by the Bethany class of which Mr. A. H. Hostetter had charge. The menu: Roast beef, gravy, mashed potatoes, biscuits, coffee, ice cream, cake.

Following the banquet a fine program of short talks was given. Mr. Johnson B. Angle was toastmaster and proved very popular in that capacity. Rev. R. W. Lilley was the first speaker, his subject being: "Why I Am Proud of the Bereans." The speaker said that he was proud of every member of this class, chiefly because of their loyalty. He compared them to Napoleon's "Old Guard" which had always been so effective and loyal in a critical time. The Bereans, said he, were just like the "Old Guard"—always faithful and loyal, and very effective in their work, and it was for these reasons that he was proud of every one of them.

"Is a Contest Worth While," was the subject given to Dr. H. H. Stafford. Dr. Stafford assured the audience that a contest in the Sunday school was worth while. He stated that life itself was one continuous contest. There was constantly a contest occurring in the body, in the mind, and in the soul. Victory, he said, was very desirable in a contest, but not really essential in gaining good results from a contest.

"Why I Like our Sunday school," was the toast responded to by Miss Alice Vermillion, and a great many very good reasons were given by the speaker. Mr. E. L. Aldrich spoke on the subject, "What the Burlington Contest will do for Keokuk." The speaker stated that whether or not Keokuk won the contest with Burlington was a matter of minor importance as long as a strong bid for the honors was made. He freely predicted victory for the local organization, however, and said that he could see victory everywhere he went. The effect of the contest would be very beneficial for not only Keokuk, but for all surrounding towns, said the speaker.

"A Vision of Our Men," was a subject at first given to Mr. L. D. Davidson but turned over to Mr. Frazier. Mr. Frazier made a very forceful talk on this subject. The last number on the program was a talk on the worth of religious instruction, by A. B. Hughes. The speaker stated that religious instruction would give us a greater vision of our possibilities, and that the value gained from religious instruction was in proportion to the amount of work done along this line.

The program for the evening was ended by a few remarks from Mr. J. O. Boyd, after the Rose Circle class had expressed its appreciation of the entertainment of the evening.

### Have Pretty Hair

Soft, Fluffy, Abundant—Use Parisian Sage. It Stops Falling Hair and Itching Scalp.

If your hair is not as soft and heavy as that of some friend, do not despair—do as she does—give it daily attention. Beautiful hair is largely a matter of care. If it is too thin, make it grow. If it is harsh and brittle, soften it up—lubricate it. If you have dandruff it is because the scalp is too dry and flakes off. Freshen up the scalp with Parisian Sage and all dandruff disappears.

Parisian Sage, sold in fifty cent bottles at drug and toilet counters, is just what you need. It quickly stops itching head, cleanses the hair of dust and excessive oil; takes away the dryness and brittleness, makes it seem twice as abundant, and beautifies it until it is soft, fluffy and lustrous.

### PRIMARY DAY IN SOUTH DAKOTA

Principal Fight at the Polls is Over Nomination for U. S. Senator.

[United Press Leased Wire Service.] ABERDEEN, S. D., March 24.—Reports from over the state indicate that a heavy vote will be polled today in the state-wide primary election. It is the first state-wide primary held in the United States this year.

The principal fight is for the United States senatorship between Coe I. Crawford, who is seeking renomination, and re-election for that office, and Congressman Burke. Burke represents the minority and claims his whirlwind campaign over the entire state will give him a big majority. The Crawford headquarters claim a majority of from 8,000 to 10,000, most of this coming from west of the river where Burke has always polled a big vote.

Rivers and Harbors Bill. [United Press Leased Wire Service.] WASHINGTON, March 24.—Better progress today in the house on the rivers and harbors appropriation bill, gradually sapped opposition to the Panama free tolls repeal bill. Democratic leaders managing the president's repeal plan admitted, however, that prospects of a final vote before next Monday or Tuesday were remote. Chairman Sparkman of the rivers and harbors committee hopes to finish his bill before adjournment tonight. Other leaders, however, felt that the big appropriation bill could not be passed before Thursday as it cannot be considered tomorrow—calendar Wednesday.

Some democrats, restive under the delay occasioned by the rivers and harbors bill, threatened to demand that it be displaced and the tolls measure taken up instantly.

Hotel Bandit Caught. [United Press Leased Wire Service.] CHICAGO, March 24.—Edwin O'Brien, 26, was positively identified today, according to the police, as the bandit who held up the Briggs hotel in the loop district one week ago and escaped in a taxi cab with \$150, after shooting Manager William Stammer in the leg. Detectives arrested O'Brien last night.

Body Found in River. PEORIA, Ill., March 24.—The body of Richard Plunkett, 23 years old, which was found in the Illinois river after he had been missing for more than two months, will be taken to Springfield, Ill., tomorrow for burial. His father, R. G. Plunkett, lives in the capital city.

Eluded the Sheriff. [United Press Leased Wire Service.] WAUKEGAN, Ill., March 24.—Deputy sheriffs today gave up the search for two masked men who held up the general store of J. C. Balnerd at Round Lake last night, robbed the cash drawer of \$300, and forced Joe Bizack, a customer, to give up \$30. The buzzy in which the men escaped was found at Hainesville, three miles from Round Lake, early today.

### IN MEMORIAM Mrs. Mary P. Hay Woolfolk.

Quietly, as the sun sets at the close of a long, bright day, a beautiful life has just been withdrawn from among us, to shine more brightly yonder, where His servants serve Him, seeing His face. Quietly, as she had lived, our beloved one passed away, surrounded by weeping friends who felt her place in their lives could never again be filled. Mrs. Woolfolk was a gentlewoman in the deepest and truest sense of the word, rich endowed with a charming manner, mental ability and possessing superior education, wealth and everything else to make a social star, but for her society had no attraction. The gifts she was so richly endowed with were used for the benefit of others. Her generosity was unbounding and her munificence to charities and all deserving objects was actuated not on account of the gilded glamor of personal admiration or popularity, but from a sincere and genuine desire to help the afflicted, to relieve distress and to soothe the suffering. She was a pillar in the Presbyterian church of which she was a consistent member for over sixty years, and her rich contralto voice supported its praises in the choir for over fifty years. She loved her church and God's ministers, and although deprived through failing health of the services of the sanctuary for the past eighteen months, she was always deeply interested in all its workings. She was a noble woman, of great faith and strong christian character, "full of good works and alms deeds which she did." Her memory will be always cherished by those whose privilege it was to know her, and will be kept green by her kindness of heart and gentleness of disposition.

Silly Questions. Pittsburgh Dispatch: Investigation sometimes ask silly questions. Among them undoubtedly was the query concerning the loss of the Monro, in which it had been shown that when the vessel was struck its engine-room was flooded at once, the engine stopped, the lights went out and the ship sank in ten minutes. After this evidence, one of the inquirers wanted to know why the captain did not order the pumps started.

If you have weak lungs, you are generally subject to colds or throat trouble and easily susceptible to serious Lung Trouble. In many cases pneumonia or bronchial troubles leave the lungs in a much weakened condition. Eckman's Alternative is a medicine for the throat and lungs which has been found to be very beneficial, even when a change of climate and rest alone failed to bring relief. Read this case:

At this time I was advised to take Eckman's Alternative. I stayed at home and commenced taking it the last week in October. I began to improve, and the first week in January, 1906, I resumed my regular occupation, having gained 25 pounds, fully restored to health. It is now seven years since my recovery has been effected, and I cannot praise Eckman's Alternative too highly." (Signed) W. M. TATEM.

### GRANDMA USED SAGE TEA TO DARKEN HAIR

She Mixed Sulphur With It to Restore Color, Gloss, Thickness.

Common garden sage brewed into a heavy tea with sulphur and alcohol added, will turn gray, streaked and faded hair beautifully dark and luxuriant, remove every bit of dandruff, stop scalp itching and falling hair. Just a few applications will prove a revelation if your hair is fading, gray or dry, scraggly and thin. Mixing the Sage Tea and Sulphur recipe at home, though, is troublesome. An easier way is to get the ready-to-use tonic, coating about 50 cents a large bottle at drug stores, known as "Weyth's Sage and Sulphur Hair Remedy," thus avoiding a lot of fuss.

While wispy, gray, faded hair is not sinful, we all desire to retain our youthful appearance and attractiveness. By darkening your hair with Weyth's Sage and Sulphur, no one can tell, because it does it so naturally, so evenly. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time; by morning all gray hairs have disappeared, and, after another application or two your hair becomes beautifully dark, glossy, soft and luxuriant.

Black Silk Stove Polish

Makes a brilliant, silky polish that does not rub off or dust off, and the shine lasts four times as long as ordinary stove polish.

All waxes are a trial. Use it on your cook stove, your parlor stove or your gas range. If you don't find it the best stove polish you ever used, your money is back.

### Grain Market.

[United Press Leased Wire Service.] CHICAGO, March 24.—Strong trade in corn again overshadowed every other feature in the grain market today.

Corn prices continued their advance by starting off a fraction to 1/4 higher and added 1/4 for each month during the forenoon. Liverpool prices were 1/4 higher on the strength here and there was a firm market at Buenos Ayres.

Wheat was hedged by the action in corn and by reports of dry weather over the west. Options were a shade stronger at the start and advanced a fraction to 1/4 in the forenoon.

Oats were firm by the strength of corn, making fractional advance.

Provision trading was dull and featureless with prices about the same as at last night's close.

### Great Grain Market.

[United Press Leased Wire Service.] ST. PAUL, Minn., March 24.—As the result of one of the greatest cooperative marketing movements in the history of the northwest, St. Paul within ninety days will become the headquarters of the Equity Cooperative exchange and the grain market for six states.

This is practically assured today, following a conference between a committee of farmers and the association of commerce. The headquarters of the farmers' marketing association will be moved from Minneapolis to this city because of the opposition to open market methods from the Minneapolis chamber of commerce.

Thousands of dollars will be spent erecting elevators here and the money for this purpose will come from all surrounding states as well as from Minnesota.
