TWENTY CARS OF EQUIPMENT

Horses, Mules, Wagons and Machinery Ready for the New Marsh Railroad.

WORK STARTS MONDAY

First Section of Grading Will Start at Bear Creek by the Contractor on the Job.

[Special to The Gate City.]

WARSAW, Ill., March 27.—A. E. Guilford of Kansas City, Mo., the contractor for the construction of the first section of the Tri-State Traction company's railroad, familiarly called the Marsh road, will begin grading on Monday, March 30, at Bear creek, one gang working towards Quincy, and one towards Warsaw. Ten carloads of horses, mules, wagons and machinery arrived at Bear creek last night, from Quincy, and went into camp, and ten carloads arrived in Warsaw last night and will go to Bear creek today; the latter point is about half way between Warsaw and Quincy, and it is where the heaviest grade will be found between the two cities. There are fifty-six mules and horses in the Warsaw outfit. The first stake was driven Thursday, March 26, on the farm of Mrs. Jemima Conover, in Lima township, Adams county, by Melvin Furtney of Warsaw, member of the engineer corps, the number of the stake being 689x52-3, the first stake south of Bear creek. The occasion was made interesting by a group photograph being taken of Engineer Geo. L. Judson and his corps, Jesse Marsh, assistant, T. Frank Patterson, assistant general manager, John Stevens, and John Ensminger, Adams county and Lima township particularly have given the road cordial and hearty support in every way, reaching out the glad hand, to the surveyors as they went through; this fact in these days of discouragement for large enterprises meant a great deal and is appreciated from the humblest helper up to the young Napoleon who has made it possible for the east bank of the Mississippi to enjoy such a blessing; coming generations will rise up and honor his name.

Those who are in close touch with the new road say the movement has great significance to this section and that there is no doubt that it will be built. It is learned that the line is to be both an interurban and steam line. The importance of the road to Keokuk, Nauvoo, Hamilton and Warsaw makes it wise that all of the communities named co-operate with the builders in the most liberal and active manner. It is the hope that there will be little if any opposition to securing the right of way, and with such co-operation the building of the line can all the more readily be accomplished.

It means a great industrial step forward for Keokuk and Nauvoo is to be congratulated that she is soon to have transportation facilities and emerge from inland distinction. It is believed that immediate operation between Warsaw and Hamilton and Nauvoo would begin if the right of way could be secured at once. It is said that many of the farmers are getting the right of way. There should be little opposition in this respect.

COOPER PARTY'S GUIDE IN CITY

A. M. Thackara Jr., Who Acted as Linquist, Visits Ernest Robinson.

A. M. Thackara Jr., of Berlin, son of A. M. Thackara Sr., American consul general of Paris, who acted as guide and linguist for the Hugh L. Cooper party was in Keokuk yesterday and spent the day with Ernest L. Robinson who was chauffeur for the Coopers on their European trip.

Mr. Thackara visited the water power plant here, and was much interested in the engineering feat. He intends to sail for his home in Europe next week. He has been in this country four or five weeks.

CITY NEWS.

Erect that monument this spring. Nice stock on hand. We invite your inspection. Cameron, Joyce & Schneider.

James F. Powell of Ottumwa, publisher of the Courier, was in the city today, enroute home from a trip to Hannibal.

Attend the social and musical at Baker Mission, Twelfth and Timea, tonight at 8 p. m.

These laws are beginning to appear in all their beauty and there is reason for regretting that we cannot have a little spot of green here and there in the business section, to rest the eye.

There will be a meeting of the school board at 7:30 o'clock on Monday evening, March 30.

For Frecked, Rough or Spotty Complexions

The freckling, discoloring or roughening to which delicate skins are subject after exposure to wind or sun often appearing in early spring, may readily be gotten rid of. Mercolized wax, spread lightly over the face before retiring and removed in the morning with soap and water, completely peels off the disfigured skin. Get an ounce of the wax at any druggist's. There's no more effective way of banishing freckles or other cutaneous defects. Little skin particles come off each day, so the process doesn't even temporarily mar the complexion, and one soon acquires a brand new, spotless, girlishly beautiful face.

Wrinkles caused by weather, worry or illness, are best treated by a simple solution of powdered sassafras, 1 oz. dissolved in 1/2 pt. witch hazel. Bathing the face in this produces a truly marvelous transformation.

Birthday Party.

Little Joseph M. Gordon celebrated his fourth birthday anniversary Wednesday afternoon, March twenty-fifth, by inviting a number of his little friends to a party. Those present were Misses Mary Louise Crimmins, Catherine Breheny, Mary Helen Brienstein and Walter Glen McManus, Philip Agne, Herbert Sohl, Chas. Langston, Clayton Boyd and Joseph Gordon.

Willing Workers to Meet.

Misses Esther and Ethel Nelson, 1003 Bank street will entertain the Willing Workers society of the Second Presbyterian church this evening at a business and social meeting.

Society is Entertained.

Mrs. Wm. Prasse, 1603 Johnson St., assisted by Mesdames Jones, Wirtz, Hunt, Kapp and Miss Wirt, entertaining the Young Ladies society of the St. Paul's German Evangelical church yesterday afternoon. This society has a plan which does away with the rush and hurry which usually precedes the annual church bazaar. At every meeting during the year the members sew and make fancy work and as each piece is finished it is put away and when December comes all the articles for the bazaar are ready. One member reads from the Evangelical Herald while the others sew and in this way the meeting is a profitable one along more than one line of work. Mrs. Prasse, assisted by the committee, served refreshments at the close of the afternoon.

Lecture at High School.

The lecture this evening by Professor Bender of the Iowa State College at Ames, on the subject "Some Changing Ideals," promises to be largely attended. The lecture will be given in the assembly room of the high school with admission by tickets which have been given to the friends of the teaching corps of the public schools. Each year the teachers bring two or three lecturers to the city and it is expected that the lecture this evening will be up to the high standard of former lecturers under their patronage.

Elks' Party Tonight.

The Elks will give a dancing party this evening in the ball room of their club house. The music will be by Agne's orchestra.

Baptist Ladies Society.

Mrs. Thomas Pond entertained the Ladies Society of the First Baptist church this afternoon at her home on Grand avenue.

Kensington on Tuesday.

Cards were issued today for a Kensington to be given in the Y. W. C. A., next Tuesday afternoon at half past two o'clock. The question for discussion will be, "What Shall We Say to Our Children?" All members

YOU CAN'T BRUSH OR WAH OUT DANDRUFF

The Simplest and Quickest Way is To Dissolve It.

The only sure way to get rid of dandruff is to dissolve it, then you destroy it entirely. To do this, get about four ounces of ordinary liquid arvon; apply it at night when retiring; use enough to moisten the scalp and rub it in gently with the finger tips.

Do this tonight, and by morning most if not all of your dandruff will be gone, and three or four more applications will completely dissolve and entirely destroy, every single sign and trace of it, no matter how much dandruff you may have.

You will find, too, that all itching and digging of the scalp will stop at once, and your hair will be fluffy, lustrous, glossy, silky and soft, and look and feel a hundred times better.

If you want to preserve your hair, do by all means get rid of dandruff, for nothing destroys the hair more quickly. It not only starves the hair and makes it fall out, but it makes it stringy, straggly, dull, dry, brittle and lifeless, and everyone notices it. You can get liquid arvon at any drug store. It is inexpensive and never fails to do the work.

Pure gold in merit—

HOLLISTER'S Rocky Mountain Nuggets.

They're concentrated herbs. Without re-acting they make constipation, indigestion, headaches, biliousness, etc. less severe every time you use them.

All dealers have them or can get them for you. Otherwise write Hollister Drug Co., Madison, Wis.

Beware of Imitations

of the association have the privilege of inviting guests.

Society at Chapel. Mrs. O. W. Ellsworth and Mrs. Seymour entertained the Congregational ladies in the chapel this afternoon.

CITY NEWS.

Mr. and Mrs. Oliver C. Gilbert are rejoicing over the arrival of a nine-pound baby boy, born Monday, March 23. Mrs. Gilbert was formerly Miss Ida Kimler of Charleston, Iowa.

Remember, that tomorrow is the last day of registration. If you moved since the last election, or if you acquired the right to vote here since the last election, then you must register. To be safe, call on the registrars tomorrow and be sure that your name is on the list. The registrars will be in session from 8 a. m. until 9 p. m.

The sunshine of yesterday brought out the small boy and the girl, too, with their roller skates, but in some quarters they fell in hard lines. The cement walks on Fourth and Fifth between Franklin and Fulton attracted some twenty-five or thirty of them and the police were called by some of the residents in that neighborhood to scatter them. That quarter of the city seldom receives a visit from the police force and at the sight of the blue coat there was a mighty scurry and the usual peace and quiet of the neighborhood was restored.

The public schools closed today for the spring vacation of one week. Many of the teachers will attend the Southeastern Iowa Teachers association at Burlington next week.

The boards of registration will not open until 8 o'clock tomorrow morning. It has been announced in The Gate City that the boards would open at 7 o'clock. This is a mistake as the official proclamation for the registration boards sets the time for opening at 8 a. m. The registrars will be in session until 9 o'clock in the evening.

AMES PROFESSOR TO GIVE LECTURE

W. H. Bender Speaks Tonight at High School on Changing Ideals.

Prof. W. H. Bender of the faculty of Iowa State College at Ames, is in the city, and will lecture this evening at the high school. Dr. Bender spoke this afternoon before the teachers of Keokuk on the subject, "A Half Hour With Tired Teachers." Both lectures were scheduled for the high school auditorium.

Professor Bender was formerly a member of the faculty of the state normal school at Cedar Falls. He is a teacher of teachers and in his position on the Ames faculty is able to continue his work along this line. Professor Bender's lecture tonight will be along a general subject. The title of his talk is "Some Changing Ideals." The lecture this evening is under the auspices of the teachers' association, and admission is by invitation. The lecture will commence at the high school at 8 o'clock.

R. LIEF FROM CONSTIPATION

It's Me For Dr. Edwards' Olive Tablets.

That is the joyful cry of thousands since Dr. Edwards' produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers. Dr. Edwards' Olive Tablets do not contain calomel, but a healing soothing vegetable laxative. No griping is the "keynote" of these little sugar coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. The Olive Tablet Co., Columbus, Ohio.—Advertisement.

PLANS FOR VISIT OF S. S. M'CLURE

Magazine Publisher who Lectures Sunday Will Arrive From Davenport at Noon Tomorrow.

IS THE GUEST OF FRIENDS

Small Dinner Party is Planned for Saturday Evening—Will Visit the Dam Also.

S. S. McClure who lectures on Sunday will arrive Saturday afternoon, according to the present schedule. He is coming from Davenport where he lectures tonight under the auspices of the Commercial club there. Colonel McClure will be the guest of Miss Laura Alton, an intimate friend of his family's while in the city.

Mr. McClure is very anxious to see the power house and dam, and will be taken over this tremendous piece of engineering on Saturday afternoon. Saturday evening Mr. McClure will be the guest at a small dinner to be given at 6:30 o'clock at the Hotel Iowa by Dr. G. Walter Barr, who is a personal friend of the magazine publisher. Besides the honor guest there will be Miss Alton and Mr. and Mrs. G. Collingwood Tucker. George Fitch of Peoria was to have come to the dinner but wires that the illness of his three children will prevent his leaving home.

Mr. McClure, probably will speak at the Congregational church Sunday, which is without a pastor at the present time. At three o'clock Sunday afternoon he will lecture at the Grand opera house under the auspices of the Y. M. C. A. on the subject, "The Five Greatest Problems of Our Civilization."

Mr. McClure will leave Keokuk on Monday. Mr. McClure's visit to Keokuk has been looked forward to with considerable pleasure by his friends here. One of his daughters expects to visit Miss Alton soon, and it is a disappointment to all of them that she is not able to come at the same time her father is here. Her time, however, is taken up so that she could not get here this week.

Y. W. C. A. NOTES

Hoosier Picnic.

There will be jovial enjoyment this evening at 8 o'clock, when will be given the Hoosier picnic by the gymnasium department of the Young Women's Christian Association. Much attention has been given to details and the entertainment of guests in the most cordial and amusing way has been uppermost in the thoughts of those whose duty it has been to execute the plans. There will be many unique and picturesque costumes in evidence, just the kind that will look at home in company with the red lemonade and sandwiches which will constitute the leading features of the menu. Smothered chicken, pumpkin pie and gingerbread have been omitted from the cards, and it is too early to procure any water-melons to cut. Everything will be provided that is usually found at a regular hospitable hoosier picnic. The children have not been forgotten; there will be swings and other pleasant attractions to please them in the gymnasium department where the picnic will be held.

Daily Stock Letter.

[Copyright, 1914, by the New York Evening Post.]

NEW YORK, N. Y., March 27.—In the course of today's uninteresting stock market when the volume of business was the smallest since March 3—the day following the great storm—prices reacted only fractionally. There was no outside interest to speak of but the undertone was fairly firm, prices recovering partially before the close.

The listless trading here resembled conditions at London, where the market was apparently held in check by the political confusion there. Instead of declining sharply, consols were unchanged and the situation indicated that the upward movement might have been continued had it not been for the continuing excitement over the complications growing out of the Ulster episode. Discounts were lower at London and at Berlin. The market here closed very quiet with most stock showing unimportant variations for the day but prices in the main were lower. There was no interesting feature in the last hour.

MAKING ARGUMENTS IN PARTITION SUIT

Attorneys Are Finishing Trial of Harlan Case in District Court Here Today.

Arguments in the Harlan case were being made today in the district court, by the attorneys in the case.

Want Column

WANTED.

WANTED—Railway mail clerks, \$75.00 to \$150 month. Details free. Franklin Institute, Dep't. 104 P., Rochester, N. Y.

Skinner, general manager, Skidmore Lane Co., 164 Skidmore Bldg., Marinetta, Wis.

The taking of testimony was finished day before yesterday, and yesterday depositions were taken from some of the witnesses at Croton. These were read this morning.

It is expected that court will adjourn tonight until Monday afternoon when the Hart vs Lake case will be called.

Pioneer Potter of Iowa is Buried.

BONAPARTE, Ia., March 27.—Funeral services of R. M. Dickson, aged 88, were held at Vernon Monday. He was a pioneer in the pottery business in Iowa and for many years was engaged in the manufacture of crockery, etc., at his factory in Vernon.

Praises This Remedy for Lung Trouble

Many people are led to believe that lung trouble is a disease which cannot be conquered. This is wrong as many have fully recovered their health. A change of climate has helped some, but many more have been restored to health by breathing the freshest air, eating well-cooked, wholesome food, being temperate in their habits and adding the tonic qualities of Eckman's Alternative, a medicine for Throat and Lung Troubles. Invest in this case—

Residing Green, Ky., R. No. 4. "Gentlemen: The spring of 1908 I had a severe cough for six months. I tried all the medicine that my doctors recommended to me, but no results came from the better. I had night sweats, and would cough and spit until I got so weak I could hardly do anything. But at last, James Hearing, of Glasgow Junction, insisted that I try your medicine. In one week's time there was quite an improvement in my condition, and after I had taken several bottles I felt as well as ever in my life. I firmly believe that Eckman's Alternative will relieve any case of lung trouble if taken before the last stage."—

(Above abbreviated; more on request.) Eckman's Alternative has been proven by many years' test to be most efficacious for severe Throat and Lung Affections, Bronchitis, Bronchial Asthma, Stubborn Colds and in unbuilding the system. Contains no narcotics, poisons or habit-forming drugs. Ask for booklet telling of recoveries, and write to Eckman Laboratory, Philadelphia, Pa., for evidence. For sale by all leading druggists.

TOMORROW

—It—
\$10 DAY

Those classy Eastern Dresses in Silks, Challies and Crepes.

Those nobby silk lined Suits and Coats.

POLLARD'S
20 So. Fourth St.

Attention Rebekahs.

You are requested to attend the funeral of Mrs. Alden at her late residence, at 10 o'clock Saturday morning. By order of the Noble Grand.

EMMA SCHULTZ,
Rec. Secretary.

G. O. P.'s Win in South Dakota.

PIERRE, S. D., March 27.—The entire majority republican state ticket headed by Governor Byrne probably was nominated in Tuesday's primary election according to returns from all sections of the state. Congressman Dillon was renominated in the first district. Judge W. G. Rice was nominated for congressman in the third, Attorney General Johnson, returns indicate, was nominated in the fourth. Late returns continued to increase Congressman Burke's lead over Senator Crawford for the nomination for United States senator.
