

THE SHORE DRIVE BECOMES POPULAR

Visitors Are Attracted by Quality of This Fine New Road Along Both Sides of the River.

SCENERY UNSURPASSED

Side is Hung on Shelf and Historic Nauvoo is Illinois Terminus—Worth Much to States.

With the beginning of the open season for automobiles and motorists, the gasoline vehicles are rolling more and more toward the shore boulevard around Lake Superior between Keokuk and Montrose and Hamilton and Nauvoo. This is a macadamized road about twenty-five miles long which cost \$375,000 to build—some of the largest cost being due to the determination to have the road exactly level for travel and to have it skirt the shore of the lake formed in the Mississippi river above the dam. It is one of the finest scenic roads in America with frequent changes of view and interesting features scattered profusely along its length.

The lake is sixty-five miles long from one end and a half to three and a half miles wide. This new road runs along its shore from Keokuk to Montrose, Iowa, and from Hamilton to Nauvoo, Illinois. The river is crossed by a ferry between Montrose and the old Mormon city of Nauvoo; the Keokuk and Hamilton bridge is used to cross here.

Iowa Side on Shelf.

The road on the Iowa side is built practically as a shelf in the high bluffs with some very large cuts and fills. There is no grade over six percent on its many slopes, and an automobile can easily go the whole distance on high gear. The road is almost winding more or less, giving variety of view; at one point it leaves the lake shore a quarter of a mile and climbs gradually up to the top of the bluff where for over half a mile a grand view from the heights is obtained, including the great dam and power house seven or eight miles down the river.

On the Illinois side of the lake, the road exhibits less grandeur and more of the picturesque. The Illinois bluffs do not rise so precipitously from the water's edge, and the road there winds around the curves of the river almost on a level. Half way from Hamilton to historic Nauvoo the road passes the Sopoxa quarries from which was taken the stone to build the state house at Springfield by Major McClaughrey who afterwards became famous as a penologist.

Regardless of Expense.

This model road was built regardless of expense, chiefly as an object lesson to stimulate the good roads movement in eastern Iowa and western Illinois. The company that built the Keokuk water power paid for its construction. It is a part of the big plans for the development of the new power zone along the Mississippi, in the belief that good roads are very important in the development of any territory commercially and industrially.

Straight at It.

There is no use of our "beating around the bush." We might as well cut with it first as last. We want you to try Chamberlain's Cough Remedy the next time you have a cough or cold. There is no reason so far as we can see why you should not do so. This preparation, by its remarkable cures has gained a world wide reputation, and people everywhere speak of it in the highest terms of praise. It is for sale by all dealers.—Advertisement.

Marine Draftmen Convene

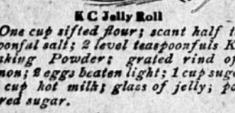

WASHINGTON, April 17.—The American society of Marine Draftmen today opened its two day's annual convention. Discussion of the "latest spring styles" in construction of warcraft was slated for both sessions.

Jelly Roll Recipe

Only Two Eggs Required

By Mrs. Janet McKenzie Hill, Editor of the Boston Cooking School Magazine

This Jelly Roll is fast becoming very popular on account of the way it keeps fresh. With proper handling it should keep fresh a whole week, providing it isn't eaten up in the meantime, for it is every bit as good as it looks.

Beat the sugar into the eggs; add the lemon rind, then the flour, sifted three times with the salt and baking powder; and, lastly, the milk. Bake in a buttered dripping pan; turn out on a damp cloth, trim off the crisp edges; spread with jelly and turn over and over into a roll while still warm. Dredge the top with powdered sugar.

Hot milk used in the jelly roll enables it to be rolled without danger of cracking. Have the milk scalding hot, also be careful to have the eggs and sugar beaten together until very light and creamy. Bake in a moderate oven.

K C Jelly Roll is illustrated on page thirty-two of the new and handsomely illustrated 64-page K C Cook's Book, which may be secured free by sending the certificate packed in every 25-cent can of K C Baking Powder to the JAGUJA MFG. CO., Chicago, Ill.

movement in eastern Iowa and western Illinois. The company that built the Keokuk water power paid for its construction. It is a part of the big plans for the development of the new power zone along the Mississippi, in the belief that good roads are very important in the development of any territory commercially and industrially.

An Iowa road expert is quoted as saying that this new road is worth to that state all the \$27,000,000 that the water power paid for its construction. It is a part of the big plans for the development of the new power zone along the Mississippi, in the belief that good roads are very important in the development of any territory commercially and industrially.

To motorists of the states of Iowa and Illinois and to automobile tourists from other states the new road offers opportunity and inducement for a pilgrimage to the site of the great power development.

RESINOL HEALS ITCHING ECZEMA

The Easy Way to Get Rid of Torturing, Unpleasant Skin Eruptions.

If your skin itches and burns with eczema or other tormenting, unsightly skin trouble, simply wash the sore places with Resinol Soap and hot water, dry, and apply a little Resinol Ointment.

The itching stops instantly, you no longer have to dig and scratch, sleep becomes possible, and healing begins at once. That is because the soothing, antiseptic Resinol medication strikes right into the surface, arrests the action of the disease and lets the tortured, inflamed skin rest, almost always restoring it to perfect health—quickly, easily and at little cost.

Resinol Soap and Resinol Ointment are also speedily effective in even severe and stubborn cases of pimples, blackheads, dandruff, sores and piles. Prescribed by doctors for over nineteen years, and sold by practically every druggist. For free trial, write to Dept. K K, Resinol, Baltimore, Md. Don't be deceived by inferior "substitutes."

CITY OF HAMILTON BUYS ROCK CRUSHER

Permanent Roads of Future Provided For by Purchase of This Plant.

A portable rock crusher with elevator and bin attached, with a capacity of eighteen tons an hour has been purchased by the city of Hamilton from the makers in Utica, New York, says the Hamilton Press.

The city authorities feel that the time is opportune to change the method of building up hard roads with creek gravel. In by-gone years the creek gravel answered the demands for a permanent road very well. The roads were planned to meet the needs of heavy but slow moving tonnage. But today the call is for a road to withstand heavy tonnage, but also to remain hard and smooth for the swiftly moving auto car and truck.

Having bought the crusher the city will now build its roads out of crushed rock, which will be rolled to a hard, smooth surface by a heavy road roller. In a few years this city can expect to have a system of well made permanent streets that will be a credit to the town.

BELFAST.

The farmers are mostly done sowing oats.

The prayer meeting at Croton is still going on.

Mrs. Gust Moline is visiting her daughter Hanna Nelson of Milrose. Cleo and Emma Moline visited Mrs. John O'Neal.

R. B. Nelson and family were Farmington callers Monday.

Albert Padgett was a Croton caller one day last week.

Harry Lurche was a Farmington caller.

Mrs. R. B. Nelson was a Keokuk caller one day last week.

T. R. Sawyer was a Keokuk caller one day last week.

Andrew Anderson and family were Farmington callers one day last week.

Cora Johnson is on the sick list.

Florence Davis was a Farmington caller one day last week.

CARTHAGE, ILL.

Mrs. Elmer E. McAdams and children went to Warsaw Friday evening for a several day's visit with her parents. Sheriff McAdams went over Sunday to accompany them home.

Sunkist Oranges

Now Heaviest with Juice

This is the season when California Oranges are heaviest with juice, sweetest and most beneficial. Over ten million daily are being shipped from California and these oranges are now being offered by all dealers.

Every Sunkist Orange is glove picked and tissue wrapped—shipped on picking day, therefore always fresh. And prices were never so low as now.

Sunkist Oranges are both good and good for you. Eat them at every meal, between meals and at bedtime. Try this for Spring Fever. Give the children this juice—this drink of natural purity.

Try Sunkist Lemons, Too
Ask for Sunkist Lemons, too. For cooking purposes or for lemonade, there are no other lemons like them—highly flavored, juicy, practically seedless.

These are the best looking and the best lemons—the kind that look most appetizing, sliced or quartered, to serve with fish and meats.

Try Sunkist Lemon Juice in place of vinegar in makings salad dressing or in any other dish.

These lemons are grown, picked and shipped with the same care used in the production and handling of Sunkist Oranges. Your grocer has them or can get them at once.

Beautiful Rogers Silverware
Save the wrappers from Sunkist Oranges and Lemons. 12 wrappers from either, with 12 cents, entitle you to any of these three pieces of guaranteed Rogers silver. 36 wrappers and 36 cents entitle you to all three. 34 other beautiful premiums. Send the coupon.

California Fruit Growers Exchange
139 N. Clark St., Chicago

California Fruit Growers Exchange
139 N. Clark Street, Chicago

Mail this coupon and we will send you our complimentary 40-page recipe book, showing over 100 ways of using Sunkist Oranges and Lemons. You will also receive our illustrated premium book which tells you how to trade Sunkist wrappers for beautiful table silver. Send this coupon or call at the above address.

AMUSEMENTS.

"September Morn."

"September Morn," the musical comedy success of the season, will be seen at the Grand next Tuesday. The company which is a large one, has been playing one night stands in the cities near Chicago the past month and giving universal satisfaction. The Quincy whig makes the following comment of the engagement in that city:

A great many Quincy people refrained from going to see "September Morn," being under the impression that it was something like a burlesque show. Just why anyone should form such an opinion is more than we can see, because "September Morn" has been the season's greatest success in Chicago. And the production that was seen yesterday afternoon and last night at the Empire Hippodrome was without doubt the most interesting the most wholesome and the best zoned musical comedy that has ever been in Quincy. This is going some, too, but we believe we are safe in saying this, because the attraction is meritorious from every point of view. The music was catchy and tuneful, although some of the voices were not especially adapted to chorus work. But the scenic effects and the costumes were superb.

The amusement lovers of Quincy certainly overlooked one of the treats of the season by staying away from the Hippodrome last night. As it was there was a fair sized audience and everyone was more than delighted.

The patrons of the Grand will not overlook such an attraction in Keokuk and from the advance sale it's safe to predict a capacity house next Tuesday. Order your seats at once.—Advertisement.

"The Funny Moon."

James P. Lee & Company, artists in their line, and their line is laughter making, present Mr. Lee's new success, "The Funny Moon," at the Hippodrome theatre the last half of this week.

Mr. Lee is a comedian of the old school and in this new vehicle he has one well adapted to him. "The Funny Moon" is filled with many complications. In order to extract himself from the embarrassing positions into which he is thrust by the multiplicity of his household, he is compelled to—well, we wouldn't say that he lies, nor would we intimate in the least degree that he was a perverticulator; but if he was walking down the street with "Ananias" on one side and "Sapphire" on the other, we should say that "he was in the bosom of his family."

His propensity for trouble out-

a concert to a large audience at the M. E. church Wednesday evening. Mr. Argast of Nauvoo has taken charge of the Taber Lumber Co., at this place. W. O. Fisher, H. Bryant and E. Folsman are installing the machinery for an electric light plant. W. C. T. U. gave a silver medal contest in the Baptist church Saturday evening.

The women have still two more chances to cast their votes for election. Saturday will be school election and the following Tuesday will be city election. Ruth Gerard and Emma Steffey were Carthage visitors one day last week.

The young ladies of the M. E. church will give a play in the near future. Mrs. F. J. Rice entertained the Opportunity Circle Thursday. Mrs. Seger was a Quincy shopper Thursday.

Easter was observed by both churches. The children were presented with Easter cards and baskets of Easter eggs. Number present in the M. E. church was 92. Misses Manu-sier and McGinnis sang a beautiful Easter song.
