BOYS' CONFERENCE, GREAT SUCCESS

Much Interest Shown and Spirited Addresses—Other Items of Interest at the Y. M. C. A.

BLESSED BE THE TIE

Another Conference of the Kind is Proposed to be Held by the Boys Next Year.

An older boys' conference for the purpose of discussing spiritual, moral, physical, and mental development was a new experience for the boys of Keokuk but the attendance and attention given to the conference just held clearly demonstrated that there are in the city, older boys who have those things at heart.

The conference was strictly a boys' conference, planned and carried out by a committee of the older fellows. The success of the program was directly due to the interest and work the boys placed upon the essentials necessary to such a gathering.

The speakers of the evening were Rev. McElree of this city and Mr. Leonard Paulson of Des Moines, state secretary of the boys' work of the Y. M. C. A. Each of the speakers brought messages of sterling worth, and the applause given clearly demonstrated the appreciation. The music of the evening was furnished by the Keokuk boys' orchestra.

Sunday afternoon at 2:30 o'clock in the Congregational church, the conference was resumed. A good song service was held, and music by the Congregational male quartette was greatly enjoyed. Mr. Paulson led the devotional service. Following the devotional service the speaker of the afternoon, Mr. A. K. Harper, a business man of Fairfield was introduced. He took the usual subject, "Storing Your Steam Chest." His address was clean cut and right from the shoulder. The close attention he received was typical of the interest of his hearers.

As a result of the effort, two decisions were taken for the christian life and many forward steps made by the fellows already identified with the church.

Group discussions followed the address, Secretary Paulson leading the discussion of high school work and the local boys' secretary, Chapman, taking the Sunday school and employed boys groups. These discussions proved of great interest and many vital ideas were brought to light. After the discussions were brought to close, the different groups assembled for the closing service of the conference.

The closing hymn was "Blessed Be the Tie That Binds." The fellows formed a circle around the room and with hand clapping hand, sang the old song which is dear to many a memory. As the last notes of the song floated away, Secretary Paulson closed the session with prayer.
