## POSTAL RECEIPTS SHOW CITY GROWS

Figures Compiled at Close of Busi-  
ness Yesterday, Point to Gain of  
\$600 Over Last  
Year.

### INDICATES PROSPERITY

Comparison of Figures in Last Six  
Years Point to Steady Up-  
ward Tendency of Busi-  
ness Here.

Postoffice receipts from the local  
office for the month of April just  
passed show an increase of \$600 over  
the same month last year and a decided  
one over the same months for the  
last four years. The figures are com-  
piled at the close of business on April  
30, and cover the years from 1909 to  
1914:

Receipts April 1914 . . . . . \$6,857.63  
Receipts April 1913 . . . . . \$6,217.46  
Receipts April 1912 . . . . . \$5,917.80  
Receipts April 1911 . . . . . \$5,632.28  
Receipts April 1910 . . . . . \$5,601.12  
Receipts April 1909 . . . . . \$5,595.82

The above table shows something  
of the increasing trend in business  
prosperity of the city, and shows that  
the town is not standing still. Postal  
receipts are considered to show some-  
thing of the pulse of the community,  
and the steady increase in six years  
as recorded in the figures from the  
local office are gratifying to the per-  
son who has the interests of the city  
at heart.

## IF YOUR SKIN ITCHES, JUST USE RESINOL

The moment that Resinol Ointment touches itching skin, the itching stops and healing begins. That is why doctors have prescribed it successfully for nineteen years in even the severest cases of eczema, tetter, ringworm, rashes and other tormenting, unsightly skin eruptions. Aided by warm baths with Resinol Soap, Resinol Ointment restores the skin to perfect health and comfort, quickly, easily and at little cost.

You need never hesitate to use Resinol. It contains absolutely nothing that could injure the tenderest skin—even of a tiny baby. No other treatment for the skin now before the public can show such a record of professional approval. All druggists sell Resinol Ointment (50c. and \$1.00), and Resinol Soap (25c.). For trial free, write to Dept. K.K., Resinol Baltimore, Md. Avoid substitutes by calling for "Resinol" by name. Unscrupulous dealers sometimes offer worthless imitations.

community. She came here from the German faderland, whence came many of the substantial early-day residents of the city, which has evidently been benefited by their coming.

Among the several children of this good old Keokuk mother are Mrs. Mary Hicks, Mrs. Barbara Kraft and William Bode, all of Keokuk, who enjoy with her the memories of the anniversary of the day on which she landed in Keokuk and took up her abode here. She also has other descendants and many friends here who will congratulate her on her long and pleasant residence here.

### CLINTON U. C. T. WANTS MEMBER ELECTED

Up River Council Boosting D. F. Scribner for Job of Senior Councillor.

D. F. Scribner of Clinton will be a candidate for the office of senior grand councillor of the Iowa U. C. T.'s at the coming state convention here in June. Clinton will send a big delegation to this city to boost for Scribner. The Clinton Advertiser devotes space to the story of the convention and has the following about Scribner:

Clinton council of the United Commercial Travelers of America expects to send a good sized delegation to the fifteenth annual session of the grand council of Iowa to be held at Keokuk, June 4, 5, and 6. The local council has a membership of over 150 and it is expected that D. F. Scribner of Clinton, now junior grand councillor, at the forthcoming meeting will be elevated to the position of senior grand councillor, in accordance with the usual procedure, a position which his Clinton brethren and others about the state feel he is well qualified to fill.

The "peddlars," as they call themselves, will fairly stream into Keokuk not only from Iowa but also from the adjoining states. Clinton people will not soon forget the big bunch of good fellows who came here for the grand council meeting a few years ago. Councillor T. I. McLane of the Clinton council has just received the official invitation, program and pictures of some beautiful silver loving cups to be awarded as prizes. He has also received the endorsement of Keokuk council for J. G. Buss as a candidate for the office of grand sentinel, election to which office is generally followed by annual promotion until the top is reached.

## WELFARE LEAGUE PRESENT RESOLUTION

Commends City Administration and Suggests Building New City Hall in Keokuk.

Resolutions passed by the Citizens Welfare League commending the new city administration and suggesting that some steps be taken to secure a new city hall in which every citizen could feel pride were today presented to the commissioners and Mayor Moorhead. The resolutions were passed last week. The full text of the document follows:

Keokuk, Iowa, May 1, 1914.—Hon. S. W. Moorehead, Mayor; Messrs. J. A. M. Collins and F. T. F. Schmidt, Commissioners, Keokuk, Iowa—Gentlemen: The executive committee of the Citizens' Welfare League have instructed us to write you in commendation of your efforts toward securing for the people of Keokuk a clean, aggressive city government.

We appreciate the fact that you are frequently confronted with complaints from those who would use you as accomplices in violation of law or the evasion of city ordinances, and that few indeed of the many people living within the city who desire a wholesome enforcement of our laws take time or thought to commend your action. It is encouraging from a civic standpoint to have city officials who have due respect for laws and ordinances and who strive for an economical and prudent administration of city affairs.

We wish to assure you that there are many within the city who are in hearty sympathy with the efforts which you are making to conduct the city affairs in a clean, wholesome and prudent manner, and the executive committee and the officers of the Citizens' Welfare League proffer you their help and assistance in any matter in which you desire their aid and co-operation, to the end that the whole period of your administration of city affairs may be received with like favor and commendation which have attended your efforts thus far.

The executive committee also requested us to call your attention to the fact that the present city hall facilities are not in keeping with the prestige the city of Keokuk should have, and that there are very few things you could do from a public standpoint that would entitle your administration to distinguished honor in succeeding years than to provide plans and devise ways for the construction of an adequate city hall. We feel that no city of the size and importance of Keokuk should be without its own public buildings; that these should be so located and so constructed as to be such that each and every citizen could take a worthy pride therein.

We believe that for every dollar of public money spent during your administration the public will receive full value therefor; and we, therefore, suggest that the question of constructing a city administration building be given earnest consideration, and the executive committee directs us to say that we pledge you the earnest support of the Citizens' Welfare League in the event such an enterprise is undertaken.

Again assuring you of our appreciation of the efforts that you have made in securing a clean, prudent, wholesome city administration, we are, Very truly,  
CITIZENS' WELFARE LEAGUE.  
By J. O. BOYD, President.  
Attest,  
C. E. WARWICK, Secretary.
