ATHENA UNDERWEAR

For Women, Misses, Children

Whatever shape, weight, quality, or fabric a woman may desire for herself or children, she can procure it in Athena Underwear at just the price she wishes to pay.

Athena is made in twenty-eight shapes and in thirty-eight fabrics—light-weight lisle and cotton, light-weight wool, heavy-weight cotton, (faced and unfaced), heavy-weight wool, silk and wool.

Athena combines a number of features which overcome the objections to the usual knit undergarment. These features, such as The Patent-fitted Seat, The Three-cornered Gusset at thigh, The Fitted Shoulders and Sleeves, The Tailored Shaping and Perfect Sizing of Athena Underwear, will appeal to every woman who would know comfort, correctness, and daintiness in knit underwear.

KEOKUK CHAPTER'S ANNUAL MEETING

Daughters of American Revolution Hear Reports of Year's Work and Select Officers for 1915.

MRS. NEWCOMB REGENT

Several Tributes Are Paid to Mrs. H. I. Sawyer, Chapter Regent Who Died Last Month.

Keokuk Chapter, Daughters of the American Revolution held its annual meeting at the home of Mrs. J. F. Elder, No. 3 Park Place, on Saturday afternoon, Mrs. Clara P. Sheldon, vice regent, presided. The meeting was largely attended. Mrs. Fairchild and Mrs. Frost of Detroit were guests. Following the business meeting a delightful paper on Indians of the Mississippi valley was read by Mrs. J. L. Canby. Refreshments were served and a delightful social hour closed the final meeting of the year. During the business meeting the secretary Miss Dunlap read letters from the chapters at Council Bluffs and Waverly, Iowa, expressing their sorrow at the death of Mrs. Sawyer. Miss Dunlap was directed to write a letter to the state regent expressing the chapter's gratification that Mrs. D. A. Collier was elected state vice regent. A delightful letter was read from Mrs. John D. Rubidge who is at present in Minneapolis.

Mrs. D. A. Collier reported \$209 in the monument fund with \$57 in pledges still to collect. By a vote, this money was transferred to the park gateway committee and the monument committee dismissed, the work for which it was appointed having been finished. The park gateway committee is Mrs. D. A. Collier, Mrs. W. G. Blood and Miss Anne B. Davis. Mrs. Collier reported that plans had been drawn for two eleven foot pillars, with two smaller pillars to be of cement faced with Bedford stone. The cost of such a gate would be something over \$400. The committee was given power to give the full amount in the treasury toward such a gate way if a way could be devised to provide the balance.

Mrs. Newcomb is Regent. The nominating committee, Mrs. R. M. Lapsley, Mrs. J. F. Elder and Miss Dunlap placed in nomination the following officers who were elected by unanimous ballot: Regent—Mrs. E. B. Newcomb. Vice Regent—Mrs. J. F. Elder. Recording Secretary—Mrs. J. D. Rubidge. Treasurer—Mrs. A. C. Decker. Registrar—Miss Anna J. Gage. Historian—Mrs. J. L. Canby.

Regent's Report Read. The following annual reports were presented: Mrs. Clara Perdew Sheldon submits the following report as vice regent and acting regent:

At the beginning of the year the chapter had a membership of 53 and we close the year with a membership of 51. We have gained three new members, lost four by transfer, and one by death, our regent, Mrs. Sawyer. The chapter has held all of the regular meetings from October to May, inclusive, but one. The April meeting on the 11th was omitted on account of the death of our regent the evening before, Mrs. Sawyer died on Good Friday, at 10:30 p. m.

The regent presided at the meetings for the year until ill health so manifested itself that she could no longer attend. Her last meeting with the chapter was at Mrs. Brownell's, Jan. 10. The Indian exhibit for February 14, which was to have taken place on the year's program of the regular February meeting was indefinitely postponed and a luncheon on Saturday, Feb. 21, to celebrate the anniversary of Washington's birthday, was substituted.

Mrs. Harry Blood, sister of our regent, was toastmistress and presided in a most gracious manner. Toasts were responded to by Mrs. Elder, Miss Collins, Mrs. Blood, Mrs. Ivins and Mrs. Boyd. The toasts were all very clever and much appreciated. This state regent of South Dakota, Mrs. Keator, was a guest and made a few remarks.

The programs for the year have been on the history of Iowa Indians. Papers have been read by Miss Mary Collins, Mrs. R. M. Lapsley, Mr. Ralph Smith, Mr. Frederick Smith and Mrs. J. L. Canby. The following have been hostesses of the chapter for the year: Mrs. Sage, Mrs. Marsh, Mrs. Theodore Cra'g, Mrs. Brownell, Mrs. C. J. Smith and Mrs. Elder.

Brilliant Year for Chapter. May, 1914, sees the close of doubtless the most brilliant year of the chapter's life in the line of patriotic achievement as well as being the saddest closing of any year in the existence of the chapter. The statue of Chief Keokuk has not

only been placed and unveiled, but this has all been accomplished with every cent of the cost met and a surplus in the hands of the monument committee. Too much praise cannot be given the promoters of this work.

The Keokuk chapter had the honor of entertaining the fourteenth annual state conference of the Iowa Daughters of the American Revolution and the week of October 21-22-23 marks some of the most brilliant functions in the history of Keokuk's social life as well as important business sessions daily, in connection with the work of the conference.

An unusual honor was the attendance at the conference of Mrs. Wm. Cummings Story, the president general of the D. A. R. Her presence added much to the dignity of the occasion.

At the business session held for the election of state officers for the ensuing year, our regent, Mrs. Sawyer was unanimously elected state vice regent, a well merited honor. At the national continental congress held in Washington in April, Mrs. D. A. Collier of our Keokuk chapter was elected to fill the vacancy occasioned by the death of Mrs. Sawyer. We all feel and will feel for some years to come, the loss to the chapter in the death of Mrs. Sawyer. She was a charter member of the chapter, a hard worker, a loyal patriot, a true soldier, always in her deep interest in the chapter work.

Respectfully submitted, CLARA P. SHELDON.

Acting Secretary's Report. To the officers and members of the Keokuk chapter D. A. R., your acting secretary begs leave to report:

The minutes for the year show that three called meetings of the chapter and two special meetings of the board of directors were held during the summer of 1913. These meetings were called for the consideration of business in connection with the monument and the state conference.

A short business session was held at the close of the luncheon February 21. Since that time two called meetings of the board of directors have been held, one on February 23, 1914, when business connected with the national convention was transacted, and the other April 11th, to take action of sympathy because of sorrow that had come to us in the death of our regent. Aside from these special meetings, the programs, as arranged by the program committee were carried out with the exception of those for February and April.

Respectfully submitted, ELIZABETH DUNLAP.

Report of Historian. To the officers and members of the Keokuk chapter, Daughters of the American Revolution: Your historian begs leave to submit the following report for the year just closing:

In reading the reports of the vice regent and secretary, I find that there is little for me to add. The books in the library are in good condition and the lineage books have been filed up to date.

Your historian, having been made a committee of one to send flowers when needed, has sent a laurel wreath for our beloved regent Mrs. Sawyer, and also a laurel wreath for one of our old and loyal members, Mrs. Helen M. Comstock, whose interest in the work of our chapter, has always been most keen.

I would suggest that the very excellent paper written by Mrs. Will Blood, and read at the Washington's birthday luncheon be filed with this report, it being such a fine resume of the year's work.

JEAN BLOOD CRAIG, Historian.

Report of Registrar. Last fall the D. A. R. colors were much in evidence and it must have seemed to many that it would be something of an honor to cast their lot in with us for there was very much enthusiasm shown in asking for application blanks but the enthusiasm seemed to stop with the asking.

Blanks have been given to Mrs. Hulskamp, Mrs. Allen, Mrs. Board and daughter Elizabeth, Mrs. Irwin, Mrs. E. S. Patterson, Mrs. Roberts, Mrs. Virginia Clark, Mrs. L. E. Miller and daughter Florence, Mrs. Rehmeier, the Misses Strickler, Katherine Sage Marshall. Mrs. Ferris got four sets for each of her two daughters and two additional sets for herself as she had found two new ancestors. Through Mrs. Reeves, three ladies in Salem asked for papers. I also made out papers for a relative of Mrs. Howell's who lives in Arizona.

Results: Three sets of papers, Mrs. Hulskamp's, Mrs. Allen's and Miss Strickler's were sent on to Washington and accepted. Miss Katharine Sage's papers were sent on to Washington and returned for lack of dates which she hopes to get later. I have ready to send, the papers of Miss Helen Ferris of Carthage, Mrs. Cook and Mrs. Bickler of Salem. The rules have been made much more stringent and all dates are required even if others of the family are already members.

We have transferred Mrs. Marshall, Mrs. Harvey, Mrs. Veltfort and Mrs. Allen to other chapters and have lost one member by death, our much loved regent, Mrs. Sawyer.

One year ago our chapter numbered 53; now we have only 51.

Respectfully submitted, ANNA J. GAGE, Registrar Keokuk Chapter.

Report of Treasurer. The treasurer, Mrs. A. C. Decker,

Every Car Needs a Maker

Not only to design and build it. Not only to give it the right features, the right material, and the right workmanship, and to leave out what should not go in. But, most of all, every car needs a maker after it has been sold—after you have bought it.

After you have put your faith and money into a car, then is when it needs a maker standing behind in with the financial strength and the moral determination to make good on every promise that his advertising or his salesman held out to you before you bought.

How Owners Suffer

When a car loses its maker, through failure or otherwise, its market value drops 50 to 90 per cent instantly. That car becomes discredited, commanding neither price nor respect. Nobody wants it, least of all the unfortunate buyer.

More than 25 makes of cars have lost

their makers within the past year. Thousands of owners suffered financial loss and annoyance. Guarantees became worthless. Repair parts could be secured only with difficulty, even for cash in advance. And the makers much boasted "service" proved to be a hollow promise, with nobody at the maker's plant to express regret, much less to make good.

What's Most Important

Find out, before you buy a car, whether the maker is solvent and is likely to stay solvent. That's more important than to know the specifications of his car. The maker who is solid, who will be in business next year and the year after, is invariably a maker whose car has the substance that gives satisfaction. But the best car in the world isn't worth having if its maker is in danger of being wiped out. Just keep that in mind.

These Are Facts:

You can see evidence of these facts in your own town. A car which no longer has a maker or dealer behind it is soon found to be undesirable property. This can never happen to a CADILLAC owner. CADILLAC has steadily progressed for over eleven years, until they are by far the largest producers of high grade cars in the world. The number of CADILLACS handled by us each year insures the permanency of CADILLAC service in Keokuk.

Protecting Telegraph Poles.

To protect telegraph poles from rotting in the ground a new French practice is to surround their ends with earthenware pipes and fill the pipes with melted resin and sand, which solidifies and becomes waterproof.
