What to Expect in Clothes---

If you sell your service to another man he expects the very best there is in you, regardless of the price he pays. If you deliver less, you are cheating him. So, too, when you buy clothes at Weil's we know that you not only want the best we can deliver, but because of the high standard we have set you expect the best there is.

If you look for less you do not come here at all. And because you expect so much more from us, a slight disappointment here would be more far-reaching in its consequences than at any other store where less is expected and delivered. We expect you to look for more and get more.

This is the basis for our Hand-Tailored Clothes. These clothes are proving most satisfactory in every way; creating a sensation because of their faithfulness to good taste, good style and unquestioned quality

- Hand-Tailored Top Coats . . . \$15.00 to \$22.50
- Slip-On Raincoats \$ 4.00 to \$20.00

—The carnival show, the Tom W. Allen, which has been holding forth in Keokuk this week, closed their engagement Saturday evening. The show is managed by Ed Heinz, a former Keokuk boy.
