

CHILDREN ENJOY SAFE PLAYGROUND

First Supervised Field to be Opened Here is One at George Washington School on Concert Street.

INSTRUCTOR ON GROUND

High School Man Will Watch Children at Certain Hours During Which They May Come.

Last night the first supervised school playground in Keokuk was officially opened. This playground is at the George Washington school yard and will be under the supervision of George Hoffman, a high school student. Public school pupils from any of the districts are free to use the grounds and apparatus thereon at certain times, as long as they do not interfere with the comfort and safety of one another.

The school ground at the Washington building will be opened every afternoon from 4 until 6 o'clock and on Saturdays it will be open from 8 to 10 o'clock in the morning. This will give plenty of play time and still not interfere with Johnny's cutting kindling, or Lizzy helping take care of the baby.

The playground is a large one, and is equipped with some apparatus. While no attempt is being made to direct the play, the ground will be under supervision of an older person and parents need feel no hesitancy in allowing their children to go to the playground at the hours in which it is to be opened.

"While no effort is being made now to direct the play," said Superintendent Aldrich last night, "parents need not hesitate to allow their children to come here and play. The ground will be supervised, and the children will have a safe place to play. As long as they do not attempt to interfere with any one or do not attempt anything which will infringe on the comfort and safety of others, they will be allowed to use the grounds."

This is the direct result of the work of the playground committee and the plans of the Parent Teacher association to provide some place for the children after school hours, on Saturday and in vacation season, where they may play and not be interfered with by outsiders, and not be playing in the streets and alleys, which are recognized avenues to crime.

Next season it is hoped to organize other playgrounds, and the plan is to have a supervisor who can direct the play. For the present the children will be allowed to enjoy any safe games. There are swings, horizontal bars, trapezes and rings on the ground for the athletically inclined. There is space for baseball, and various other games.

Health a Factor in Success.
The largest factor contributing to a man's success is undoubtedly health. It has been observed that a man is seldom sick when his bowels are regular—he is never well when they are constipated. For constipation you will find nothing quite so good as Chamberlain's Tablets. They not only move the bowels but improve the appetite and strengthen the digestion. They are sold by all dealers—Advertisement.

Lamb's Will Gambol.
[United Press Leased Wire Service.]
NEW YORK, May 22.—The famous Lamb's "All-Star Gambol" will open at the Metropolitan opera house today. For the first time in several years, the actors and actresses will tour the country with their specialties. Eight cities will be visited. They are Pittsburgh, Indianapolis, Cincinnati, St. Louis, Chicago, Buffalo, Rochester and Boston.

MEMORIAL DAY IS APPROACHING

The National Cemetery in Excellent Condition for the Popular and Patriotic Event.

PROGRAM OF INTEREST

A Large Attendance is Expected From the Tri States of Iowa, Missouri and Illinois and Beyond.

In preparation for Memorial Day, rapidly approaching, the National cemetery has been placed in a beautiful condition. The surface of the sacred grounds has been short of its long growth, any weeds that may have intruded themselves to mar the beauty of the undulating landscape, have been carefully removed and it appears that a bright green carpet of glossy velvet had been spread upon the ground to soften the tread of the thousands who will gather on May 30 to pay an earnest and solemn tribute to the memory of those who are silently resting within its sacred precincts.

Weather being propitious there will be a large attendance this year. War and rumors of wars, in which this republic has been deeply interested, has created a military spirit in the breasts of our people which will cause them to gather in large numbers at the central rallying point on Memorial day, and they will come with the true spirit of reverence for old glory, beneath whose folds those whose graves are honored, marched in heroic and patriotic column in the days of dark and disastrous war.

Many will be here from the tri-states of Iowa, Missouri and Illinois, and as usual, hundreds will be here from scattered points in states far beyond the lines indicated. A program of interest has been arranged and a general invitation has been extended. There are no bounds outlined in this invitation, but it includes everybody. Keokuk and her people will extend the warm hand of hospitality to all who may honor the city with their presence.

MARSH WILL USE BRIDGE AT KEOKUK

Plans to Make This Crossing to Connect with Rock Island at This Point.

NAUVOO, Ill., May 22.—N. D. Trautler, who is securing the right of way for R. O. Marsh's railroad, arrived to secure the right of way for his road between Burlington and Hamilton. He started out Monday on his work. He informs us that the company expects to buy the right of way, but asks fair treatment from the land owners.

President Marsh, while in Nauvoo Saturday, stated that the road was a certainty and that, when completed from Burlington to St. Louis Nauvoo would have connection with St. Paul and Minneapolis, Kansas City, Chicago and cities of the gulf coast to the south, as traffic arrangements had been made with several of the large belt lines. His road also intends using the Keokuk and Hamilton bridge into Keokuk and connect with the Rock Island road there. There are other matters of interest that Mr. Marsh does not wish made public at present. But Nauvoo people are certain of one thing, and that is that Mr. Marsh will build a railroad through Nauvoo before December 31, 1915. It is intimated that the company is desirous to connect Nauvoo with the Santa Fe at Niota by fall.

Yale Men in Middle West.
CINCINNATI, May 22.—Yale men from all parts of the middle west were gathered here today to attend the annual meeting of the Associated

Zephyr's Sanisac

The Greatest Sanitary Precaution in Over Two Thousand Years of Milling

NOT SINCE the days when the oxen of Ancient Egypt tediously trod the wheat; or the hand-flail was used to beat out the grain on the old threshing floor, on down to the modern engine-driven, self-feeding, wind-stacking thresher of today;

Not since the days when the Egyptian maid-servant crushed and powdered the golden grain into coarse flour, in her crude stone mortar; or the great-grandfather of modern milling ground his grain 'tween the old mill stones; on down to the most up-to-date roller mills of today—sanitary in every detail, has there ever been introduced or adopted such a sanitary milling precaution as we have given to the world in **Zephyr's Sanisac**—

A dust-proof, dirt-proof sanitary flour sack, guaranteed to carry the flour from the sanitary mill unsullied, untainted and undefiled throughout its numerous and devious trails of travel, until it finally reaches the kitchen of the remotest consumer.

THE PURITY PROTECTED.

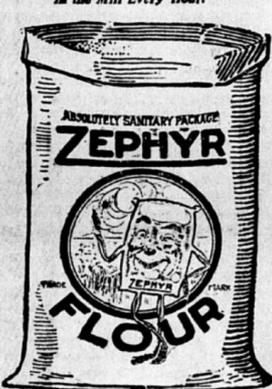

Before the use of **Zephyr's Sanisac** for **ZEPHYR FLOUR** all the precautions that could be taken to produce flour, by the most scrupulous sanitary methods, which advanced sanitary science could suggest, were overcome or rendered ineffective for the lack of a sanitary sack in which to pack the flour for transportation.

No matter how pure the flour when it is packed into the ordinary sack, before it reaches the consumer it may be contaminated in a hundred different ways.

THE LAST SANITARY LINK.

But **Zephyr's Sanisac** overcomes all this, and completes the chain of wise precautions developed to insure purity. It is the last link, the long-sought essential, that makes all the sanitary processes practiced in the manufacture of **ZEPHYR FLOUR** effective.

It was because of the faults of the ordinary flour sack that the millers of **ZEPHYR FLOUR**—"the Flour that's Tested in the Mill Every Hour"—long ago began a series of scientific experiments to find the perfect flour sack. We have not been content

Leak Proof

BOWERSOCK MILLS
LAWRENCE, KANSAS

merely to produce a flour, every pound of which must conform to our rigid, unvarying standard of purity and excellence, but we were determined that our flour should reach the consumer with all its excellence and purity intact.

Zephyr's Sanisac the dust-proof, leak-proof, sanitary flour sack solved the problem for us—the same problem that has confronted the milling industry since the days of the Egyptians.

HOW THE SACK IS MADE.

What is **Zephyr's Sanisac**?—It's a combination cloth-and-paper sack, the two materials ingeniously joined together. The base of cloth is lined with a thin film of very tough blue—fast-color—sanitary paper, firmly calendered into the fabric while passing under heavy pressure, between heated rollers. The sack made of this paper-lined cloth, is non-porous—absolutely dust and dirt proof, and it is impervious to the moisture of the air. It is also light-proof.

Therefore, **ZEPHYR FLOUR** packed in **Zephyr's Sanisac** is completely protected from all contaminating outside influences. It comes to the consumer pure, in perfect sanitary condition, and it may be kept in the **Sanisac** in the same condition until entirely used up by keeping the sack closed.

Dust or dirt cannot sift through into the **Sanisac** neither can the flour sift out. This feature means a material saving of flour—because it does not waste in the handling between the mill and your kitchen.

THE TEA TOWEL FEATURE.

When the **Sanisac** is empty it may be easily converted into a tea towel by simply ripping the sack and soaking it in water until the film of paper detaches itself from the cloth. You will be delighted with **ZEPHYR FLOUR**—"the Flour that's Tested in the Mill Every Hour"—and you will be more than delighted with **Zephyr's Sanisac**—a combination of goodness and protection, such as you have never known before. Try a sack—it is guaranteed to you.

Western Yale clubs. The meeting will end tomorrow. The local committee made trips to many nearby towns in order to create interest in the gathering and swell the attendance. A program of sports, golf, tennis and the like, is the chief feature of the program.

Former President William Howard Taft, now a member of the Yale faculty, will be toastmaster at a banquet to be held tomorrow night. Other speakers will be Prof. Wm. L. Phelps, of New Haven; Judge Jenks, of Brooklyn and Judge Rufus B. Smith, of Cincinnati.

Personal Liberty Advocates.
CINCINNATI, May 22.—Ohio personal liberty advocates today formally opened war on the movement recently started for state-wide prohibition. A huge demonstration was planned for tonight, starting with a street parade and ending with a big mass meeting in Music hall where the best speakers at the command of the personal liberty forces will be on the program.

It was estimated today by those in charge of the parade that 35,000 men would be in line. The city has been divided into sub-districts and marshals appointed for each one. These marshals have made it a point to visit every man they believed would join the demonstration and invite him to participate.

SALEM.

Mrs. Anna Israel of Burlington, district instructor O. E. S., was at Salem and inspected Oak Leaf chapter Tuesday evening. Following the business meeting, a social time and nice refreshments were enjoyed.

Mrs. Kate McDowell and daughter, Mrs. Jesse Friend, are with the former's daughter, Mrs. John Tipton, who is quite ill at her home, north of Mt. Pleasant.

London, recently visited the former's mother, Mrs. Emma Tyner and other relatives.

Mrs. T. B. Sater and sons, Thomas and Robert, of Danville, are visiting at the parental home. Mr. and Mrs. J. T. Ingram.

Marion Miller, of LaPlata, Mo., visited his father, Mason Miller, and other relatives at Salem.

Rev. J. W. Stine returned Wednesday morning from attending M. E. conference at Burlington.

Mrs. Rosa Frazier came from Ames to spend some time with relatives and friends.

Mrs. J. H. Collart entertained Mrs. Israel from Burlington, Tuesday. Mrs. Rachel Gough arrived home Saturday after an operation at Fairfield hospital.

Miles Gough of Macheson, Mo., and Charles Gough of Eola, Ill., visited home folks last week.

Mrs. Kate Carlisle is visiting her son Charles and family at Mason City, Nebraska.

Miss Olive Cowell succeeds Miss Elsie Weeks as operator at the Central telephone office.

M. L. Kinney is taking treatment at the hospital at Keokuk.

Mrs. Dille is home from a visit with her son Ed and family, at Birmingham. Henry Hummel is the new city marshal.

Salem schools will close on the 29th inst. High school commencement week begins with the class play, "A Rustic Romeo," at the opera house on Tuesday evening, the twenty-second.

Cast of characters:
John Jobe Doolittle (Rustic Romeo)—Paul L. Ratliff.
Hink Spinnay (peddler)—Arthur A. Watts.
Sid Roberts—Newell L. Collins.
Azariah Figg (storekeeper and postmaster)—Gilbert L. Briggs.
Grandpa Blue—George W. Tyner.
Eva'lla Pupper, Belle of Chowderville—Bertha M. Pitman.
Miss Dee—Myriam Z. Hill.
Mrs. Sara Ellen Spriggs—Imo C. McMasters.
Honey Suckle Spriggs—Goldie E. Thompson.
Saint Cecelia, "Honey's" little dog. Sunday evening, the 24th. Miss Viola Smith, pastor of the Friends' church, will give the baccalaureate ser-

mon at the Congregational church, Friday evening, the 29th, class address, Rev. Frank Weston, of Mt. Pleasant. Following which W. H. Collins, president of the school board, will present the diplomas to the nine graduates. Alumni banquet at the M. E. church Saturday evening.

Cure for Stomach Disorders.
Disorders of the stomach may be avoided by the use of Chamberlain's Tablets. Many very remarkable cures have been effected by these tablets. Sold by all dealers.—Advertisement.

Mrs. M. J. Crumly of Pleasant Plain, Iowa, returned home last Tuesday after spending several months with her son Dr. A. C. Crumly. Her granddaughter Mrs. Fred Girth accompanied her home.

Mrs. W. R. Sturgeon of Chicago is visiting her mother Mrs. A. March. C. M. Waters, Henry Eggstein and E. A. Merfen have all had their

houses raised and placed on a cement foundation.

Mrs. Mattie Martin has had her house moved and put on a cement foundation.

Wyaconda is to have a new bank called the Peoples bank, with a paid up capital of \$20,000 with forty-six stockholders. The new bank will open for business as soon as a suitable location can be secured.

Mrs. Myrtle James has sold out the harness business. This leaves Wyaconda without a harness shop.

Mrs. Parker has moved into the new house of J. R. Sawyer, Sr.

Mrs. Noah Branson has returned home after a week's visit with her sister Mrs. Otis Shuler. Master Willard Shuler accompanied her home and will spend a few days in the city visiting and taking in the sights.

Mr. and Mrs. Claud Draper were business callers here Saturday.

Mrs. Alie Bogner and son left Wednesday for Enid, Okla., for a few days visit with her sister and will go from there to her new home in Texas. Mr. Will Kuntz and Joe Wilson were in the city today on business.

Might Not Be Alive.
McMinnville, Tenn.—Mrs. Ocie Jett, of this place, writes: "I don't believe I would be living today, if it hadn't been for Cardui. I lay in bed for 27 days, and the doctor came every day, but he did me no good. Finally, he advised an operation, but I would not consent, and instead took Cardui. Now I am rotund about the house, doing my work, and even do my washing. Cardui worked wonders in my case. I am in better health than for 40 years." Cardui is a strengthening tonic for women. It relieves pain, tones up the nerves, builds strength. Try it. At your druggist's.—Adv.

The Wyaconda band gave a concert Saturday evening.

There came near being war here one night last week with Mexico, five Mexicans attacking one American. There was a lively time for a few minutes. All five of the Mexicans were told to leave the city which they did. The doctor had to take several stitches in the American's neck, per week.
