Bunnies Here for Three Games

PILOTS NOSE OUT INDIANS 5 TO 3

Come From Behind in the Sixth and Grab Third and Deciding Game of the Series.

RED CLOUTS HOME RUN

Gottschall Lifts Ball Over the Fence in the Sixth Inning—Ed Maitl Starts the Game.

Hough's Pilots, coming from behind in the sixth inning, took the third and deciding game in the series here with the Indians yesterday by a score of 5 to 3. It was just another game of baseball, devoid of any striking characteristic that usually makes every game a little different from the others.

Each team made practically the same number of hits, and the hits on both sides were well scattered. The two errors made by the locals helped the size of the score made by the Pilots. Of their five runs, but two were clearly earned. All of the tribe's three runs were earned.

Break Comes in Fifth.

The break in the game came in the fifth inning with the Indians at bat. Jack lead off the period with a single near the left field foul line, but was forced at second by Griffin. Hemsling walked and Caffyn also hit safely to left, filling the sacks. With but one down and the sacks congested the tribe had all kinds of a chance to sew up the game. But after Abbott fouled out to Welsh, Griffin was caught off third, and the side retired. Had Griffin not been caught off the bag at that critical period, the game would probably have been put on ice, for Gottschall, the first man up in the next inning, clouted a home run over the left field fence.

Ed Maitl Starts Game.

Maitl pitched the first six innings for the tribe, being furnished in the seventh after Burg had lined out his first double and Nolt had been walked. The big moose pitched a good game while he was in, giving the Pilots but two runs. McCullough finished the game and was hit safely but twice. Burg did the mound work for the visitors, pitching good baseball all the way through, although he exhibited nothing spectacular.

The first scores were made in the third inning by the Indians. Maitl opened the period with a single through the center of the diamond. He was forced at second by Jack who immediately pilfered the bag. Big Ed had been put out on. Griffin strolled, but Hemsling popped to Scanlon. Caffyn cut loose with a long double to right and both runners counted.

Pilots Score in Sixth.

The sixth saw the visitors take their first run. After Welsh had grounded out, Schlichner hit safely. Menne lifted a fly to left, but Simmons and Hubbart singled and Schlichner scored. An attempted double steal caught Simmons at the plate. The Indians' one run in their half of this period, and their last marker for the game was made by Gottschall, who lifted a long fly over the left field fence.

Fingal started things in the seventh by getting safe on a muffed fly to the infield. Burg doubled to left, Fingal scoring. Nolt walked, after which McCullough was sent in to relieve Maitl. Math walked the first man who faced him, filling the sacks. Welsh grounded out, but Burg reached home on the play. Schlichner flew to Abbott, and Menne grounded out.

Scores on Sacrifice Fly.

They counted again in the next inning, Hubbartt coming home on Burg's second double of the game after reaching first on a muffed grounder by Hemsling and a steal to second. In the last inning, Scanlon singled, took second when Welsh grounded out, went to third on McCullough's wild pitch, and scored on Menne's sacrifice fly after Schlichner had walked.

The Clinton team left after the game for Burlington, where they play a three game series. The Cedar Rapids team, which played yesterday at Burlington, arrived here last evening for a series of three games. The score:

Roy Maurer, the young St. Louis pitcher, was released yesterday. This was Maurer's first attempt to break into organized baseball. He played in the Interstate league, semi-pro organization at St. Louis, last year. He was looked on by many as a kid of great promise.

With the release of Maurer the tribe is down to the number required by the rules of the league. At present there are but thirteen men on hand, including Abbott. Dale is expected to report, however, in a week or so, and with him, the club will be just inside the limit.

A Washington, D. C., newspaper of recent date contains a picture of Alva Williams, the Carthage ball player who formerly played with a local team. According to the story with the picture, Williams is now catching Walter Johnson with great success. They call him "Hippy" and say he has stood the gaff and made good.

From the way Burlington has been drubbing Cedar Rapids it ought to be comparatively easy for the Indians to fatten their averages in the coming series.

Among the Amateurs

The high school baseball team has secured a game with Memphis for Decoration day to be played at that place. Manager Ellington says that it has been almost impossible to secure games out of town for the team and that they cannot afford to bring other teams here as the games played here always lose money.

The Overlands have booked games with a Burlington team to be played at the baseball park here Saturday and Sunday. As the Indians will be out of the city on both those dates, the games should draw good crowds. The admission fee will be small and fast games are expected.

The fast Power City team has reorganized and the manager is booking games. The first game will be played out of the city in about two weeks.

GREAT CROWD TO SEE HISTORIC DERBY

Reports That Suffragettes Would Again Interfere with Race Draws Large Crowd to Race.

[United Press Leased Wire Service.]

EPSOM, England, May 27.—Drawn by reports that the suffragettes would again interfere, perhaps even shoot the king's horse Breakespear, the largest crowd Epsom Downs ever saw, gathered there today to see the historic derby. At a late hour Kennymore was still the favorite at 2 to 1. Black Jester at 11 to 1 and Caranche and Carrickfergus at 100 to 6 had many backers. It was alleged today that the Scotland Yard detectives discovered a militant plot to shoot the king's horse.

CHAMPION RITCHIE BEATEN BY WHITE

Charley White of Chicago Gives Willie Ritchie Bad Lacing in Ten Round Fight.

NEAR K. O. IN FIRST

White Landed Hard on Champ's Jaw in First and Had Ritchie Hanging Through Ropes.

[United Press Leased Wire Service.]

MILWAUKEE, Wis., May 27.—Despite the fact that he took a lacing here last night, at the hands of Charley White of Chicago, Willie Ritchie, the lightweight champion, will meet Freddy Welsh in London next month. He said this morning that a wire from New York said that his guarantee had been posted there. Ritchie, with his trainers, will leave here for Chicago tomorrow and will go to New York next Tuesday. A fat $40,000 guarantee will be his pay for the Welsh bout.

White studied Ritchie last night most of the way, according to most critics, but there was no knockout; the no decision law of this state prevents a change in the championship.

"I learned a lesson," said Ritchie. "The next time the other fellow can force the fight part of the time. There is nothing to it in a twenty round scrap."

Milwaukee and Chicago critics agree that it was White's fight.

Ritchie remained at his hotel this morning decorating his bruised body with salve and beef steak to restore something of a natural color and contour. Both eyes were closed and his nose was badly cut.

"I was the aggressor throughout and believe in a longer battle I would defeat White" he said today.

"A lucky blow in the first week-ened me and I think I deserve credit for an uphill fight."

White said he would like to go the longer route to prove his victory not a fluke. Fans today are still talking of the first round, when after being chased about the ring White landed a left to the jaw that staggered the champion. Following up his advantage, the challenger drove jabbing rights and lefts to the face and more had Ritchie hanging through the ropes. The white-faced fans for a moment saw the championship change hands, Ritchie, however, staggered back and by covering up, managed to get through the round. White apparently suffered "buck fever." He had the chance of his life but couldn't land the one necessary punch.

In only one round did the champion have the advantage. That was the third in which he drove White around the ring with vicious jabs. Two rounds were even and the other seven belonged to the Chicagoan. Ritchie was fighting furiously at the final bell in an effort to land a knockout but his blows went wild and the round itself went to White.

Battling Nelson served as time keeper and Ad Wolgast acted as referee in one of the preliminaries. Abe Attell was another fighter serving in White's corner. The receipts were $14,636, of which Ritchie took $10,000; White's share amounted to $2,266. The Queensbury club faces a deficit of about $2,000.

VANITIE REACHES NEW YORK WATERS

Candidate for American Cup Defense First of Three Candidates to Arrive at New York.

[United Press Leased Wire Service.]

NEW YORK, May 27.—The Vanitie, candidate for the American cup defense honors, today is at City Island, the first of the three defense candidates to arrive in New York waters. The boat was visited today by Alexander Smith Cochran, her owner. She will be hauled out and groomed and measured for Tuesday's trials.

The Resolute, now at Newport, has gained two seconds a mile in time allowances by changes made in her rigging, according to estimates today. The Resolute will leave for Glen Cove Saturday. The Defiance is expected to reach City Island by Saturday. She is now being overhauled at Greenwich, Conn.

Kilbane Under Limit.

[United Press Leased Wire Service.]

DENVER, Colo., May 27.—Increased by reports that he has been concealing his real weight and that he is nearer the lightweight weight limit than the featherweight, Johnny Kilbane today stepped on the scales. The beam was put at 122 and it did not move. Kilbane continues his strenuous training for his fifteen round battle Friday night with Benny Chavez and promises to be in excellent shape.

FAST TIME MADE IN SPEEDWAY TRIALS

Lap Record Lowered Three Times Yesterday by Thomas, Tetzlaff and Jules Goux.

[United Press Leased Wire Service.]

INDIANAPOLIS, Ind., May 27.—With this, the last day of the elimination speed trials for the Speedway 500 mile race Saturday and with the majority of trials yet to be made, the big oval was a busy place. The judges fired from 10 a. m. to 12:30 and from 1:30 to 5 p. m., as the time for the trials.

Following the surprising exhibition yesterday when the lap record was lowered three times, first by Thomas, then by Tetzlaff, and then by Goux, race followers were willing to predict anything. Many decided that if anything like the speed of yesterday prevails in the race, it will be the most sanguinary in auto history. As the race approaches, Joe Dawson is standing out from the American drivers with Tetzlaff as favorites. De Palma, the tough luck driver, has one chance left to make speed. With two trials gone, his Mercedes has registered only an 83 mile average, which it is believed will not qualify.
