DESPERATE PILOTS GRAB LAST, 7 TO 5

Houghites Angered at Three Defeats Win Last Game of the Series With the Indians.

PILOTS WERE OUT-HIT

Cook Starts Game for Tribe, But Is Jerked and Big Ed Wahl Is Sent In.

[Special to The Gate City.] CLINTON, Iowa, June 2.—"Sphinx" Hough's men took the last game of the series from Keokuk Monday after a hard fight by a score of 7 to 5. The Indians out-hit the locals two to one but Cooper and Mitchell were given glit edge support and nearly all of the hits counted in the run getting. It seemed just the opposite with Keokuk as they wasted several hits. Hough and the boys were gnashing their teeth all day at the three defeats that Abbott and his crew had handed them and swore revenge, which they duly took out on Cook and Wahl. Cooper, starting for the Pilots, weakened in the eighth with the score tied and Hough sent "Fighting Bob" Mitchell to his rescue. He retired the side with two men on and one down. From then on they never got a hit. Cooper was pitched out of his turn in an effort to stop the hustling Indians as Clinton is in a bad way for pitchers with Miller out and both Burg and Smithson in poor condition and it is little wonder that they are not winning any more games than they are.

Indians Start Fast. Keokuk started out like a whirlwind with two runs. Clinton came back in their half of the first and sent three runs across the pan when Menne lifted one over the fence for a homer. The Pilots gathered two more in the fourth and things looked rosy until the visitors came from behind and tied the score in the seventh after two men had been retired. The eighth also looked bad when, with one down, a single and two bagger put men on second and third. Here Mitchell was sent in for Cooper and retired the side without further damage. In their half of the eighth, Clinton came back strong, shoving two counters across for what proved to be the winning runs. Burlington comes here today for a three game series and every Pilot is on his toes in an effort to stop the onrush of the Pathfinders. The coming series promises to be one of the warmest to be seen here for some time.

Pilot Counters. Cook opened strong, striking out both Nolt and Scanlon. Welch was hit by a pitched ball and Schliebner walked. Cook then laid one in the groove to Menne and he sent it into the trees for a home run, counting Welch and "Dutch" ahead of him. The fourth saw two more when Schliebner opened the inning with a hit to left and scored when Menne sent the ball to the score board for a triple. Exit Mr. Cook, enter Mr. Wahl. Simmons scored Menne with a long foul fly to right which Giffin caught. Hubbard and Fingal retired the side. The last and winning runs came in the eighth. Schliebner was safe on an error by Hensling. Menne sacrificed him to second, Simmons was hit by a pitched ball. Hubbard hit a hot single to right that scored Schliebner and put Harry on third, to score a minute later on Fingal's sacrifice fly to left. Mitchell struck out.

How They Scored. The visitors opened fast. Jack doubled to left center, Brennan struck out. Hensling walked and Caffyn advanced both Jack and Hensling on his infield out to Schliebner. Abbott hit to left for two bases, scoring Jack and Hensling. Gottschall flew out to Schliebner, leaving the manager on second. The fifth saw one more run on four hits, a lightning double play, Scanlon to Fingal to Schliebner cutting off at least one run. Sweet opened the stanza with a triple to center and scored when Wahl singled to right. Jack and Brennan hit, filling the bases. Hensling hit to Scanlon who threw Wahl out at the plate and Fingal doubled Hensling at first. Caffyn went out Cooper to first. The last counters came in the seventh after two were down. Brennan and Hensling tripled and Caffyn followed with a single to center, scoring Hensling. That was the last time that the Indians crossed the plate. The tabulated score:

AMERICAN DEFENDERS WILL CLASH TODAY

Merits of Two American Yachts to Defend Cup Against Lipton, to be Tested Today.

[United Press Leased Wire Service.] NEW YORK, June 2.—Something of the merits of two of the American yachts which are entered to defend the America's cup against Sir Thomas Lipton's Shamrock IV will be developed today. Alexander S. Cochran's contender, Vantite, and the Herrschhoff built, Resolute, will clash early in the afternoon off Greenwich, L. I. Early today a great fleet of pleasure boats assembled to see the flyers start. Owing to the snapping of her mast, the Defiance will not be in today's event. She will fight it out with the Resolute and Vantite, or one of them later. Just what course would be sailed today depended on the wind. If it is southeast or southwest, fifteen miles windward and return is probable. If the breeze is from another direction two contenders will cover a course of ten miles to each of three legs. The start was planned for 2:15 o'clock.

BOTH POLO TEAMS TO PRACTICE TODAY

British Ponies Moved to Meadow Brook, Piping Rock Club Being Too Far Away.

[United Press Leased Wire Service.] MEADOWBROOK, L. I., June 2.—Both American and British polo players of the teams which will contest here for the international polo trophy June 9, will go through a practice game here this afternoon. The Americans will practice on number two field while the British will gallop their mounts over the championship space. All the British polo ponies brought today to the Phipps estate here from the Piping Rock club which was considered too far away to walk the ponies to the Meadowbrook field for each event. Games today, Thursday and Saturday are to put both teams on edge for the first of the big matches on June 9.

Will Meet Again. [United Press Leased Wire Service.] MILWAUKEE, Wis., June 2.—Willie Ritchie and Charlie White will meet in another ten round bout here Labor day under tentative arrangement announced today by local promoters, who said they had the consent of both fighters. Efforts also are being made to match White with Ad Wolgast who is a great favorite here.

Preparing for Regatta. [United Press Leased Wire Service.] POUGHKEEPSIE, N. Y., June 2.—The Columbia crew was today to have its first spin of the year on the historic course here. In preparation for the regatta June 26, Coach Rice plans to give his crew 300 miles of work or an average of 15 miles daily up to two or three days before the big race.

Short Jaunts for Little Money in Glacier National Park

I want to send you a folder about this wonderful region. I want every family in the country to realize that it is possible, without great expense, to go to the American Alps and spend a few delightful weeks there, trout fishing and taking little trips on foot, or in automobiles or on horseback or by boat, which cost only from \$1 to \$5 per day. When people fully understand what this country offers them in Glacier National Park of Montana, many more hotels and picturesque chalets will have to be built there to accommodate visitors. I tell you the combination of high mountains, great chasms, mysterious glaciers, those moving rivers of solid ice, and with all, the health giving climate, the wonderful invigorating air, is a gracious gift that is being offered by nature to all those who will take the trouble to inquire and find out if a trip to Glacier National Park is a possible thing for them. Let me give you complete information and give you a copy of the Glacier Park folder, a map of the park and some other interesting illustrated booklets, and tell you about the Luxurious "Oriental Limited" and "Great Northern Express"—the only trains that run through to Glacier National Park. C. F. Conrad, City Ticket Agent, C. B. & Q. R. R., Fifth and Johnson streets. Phones 906 and 132.

Take Plenty of Time to Eat. There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets, June 2, 1880.

OUTFIELDER DALL ARRIVES IN CITY Will Join Indians on Their Return From Cedar Rapids at the End of the Week. Outfielder Dall of Kansas City, who was signed by the local club some time ago and but recently ordered to report, arrived here today and will join the club when they arrive from Cedar Rapids Friday. It is expected that Dall will make room for himself on the club and that he will strengthen the outfield materially. Dall, who is a young player, worked in the Kansas State league last year, playing with the Lyons club. His batting average for the season was .324 while his fielding record was .968, he having made but four errors during the year.

THE PRAISE CONTINUES

Everywhere We Hear Good Reports of Doan's Kidney Pills. Keokuk is no exception. Every section of the U. S. resounds with praise of Doan's Kidney Pills. Thirty thousand persons are giving testimony in their home newspapers. The sincerity of these witnesses, the fact that they live so near, is the best proof of the merit of Doan's. Here is a Keokuk case. Mrs. H. H. Martin, 1112 Bank St., Keokuk, Iowa, says: "One of my family had a lame and painful back and suffered intensely when stooping, or getting up from a chair. On my advice, this person took Doan's Kidney Pills, procuring them from Wilkinson & Co.'s drug store, and they brought great benefit. I have also used this remedy with satisfactory results." The above statement must carry conviction to the mind of every reader. Don't simply ask for a kidney remedy—ask distinctly for Doan's Kidney Pills, the same that Mrs. Martin had—the remedy backed by home testimony, 50c all stores. Foster-Milburn Co., Props., Buffalo, N. Something About Government Ownership

No. 5

The Bell Company has created the entire art of telephony. Almost without exception, none of the important contributions to the art have been made by any government-owned telephone administration, or by any other telephone company, either in this country or abroad. Type after type of instruments, of cable and switchboards have been invented, built and discarded for something better.

All Europe, with 405 million people, has less than three million telephones, or less than one-tenth the number per population used in the United States. During the last eight years Bell telephone wires have been erected at the rate of two miles a minute—or a million miles a year. In modern facilities, quality of service, and reasonableness of rates, no telephone system in the world approaches the Bell organization.
