INDIANS SHUT OUT BY RABBITS 5-0

INDIANS BLANKED, BUNNIES MAKE 5

Rabbits Get to McCullough for Four Runs in the Fifth and Another in the Eighth.

ATTEMPT LATE RALLY

Indians Unable to Hit Harper, Recruit from Decatur—Costly Errors Are Made.

[Special to The Gate City.] CEDAR RAPIDS, Iowa, June 3.—Receiving them joyfully, fresh from their beating of the day previous at Clinton, the Bunnies hopped onto Boss Abbott's tribe of Indians Tuesday afternoon and delivered another humbling, crushing defeat when they pushed over a 5 to 0 score on the trib.

Harper, the Bunnies' recruit from Decatur decorated the local mound and was opposed by McCullough. For the first four frames the game gave every semblance of running into another pitchers' battle, similar to the final game with the Burlington squad, the Rabbits getting but two blows off Mac in the opening four rounds, while the Indians got to Harper for but one blow in as many rounds, that being a double that Jack collected in the first.

Aviation in Fifth. However, in our half of the fifth, simultaneous with the sending up of several balloons from the carnival in the adjoining grounds, the Indian aggregation aviated and before they could volplane back to terra firma the Bunnies had annexed a quintette of safe hits, which, when taken in conjunction with a sacrifice and a pair of boots, netted us four runs, which would have been a great superfluity of scores. And there might have been more had not Harris run into Walworth's blow toward second thereby putting himself out for the second down of the melee.

Count on Triples. In our half of the eighth, after Dutch had whiffed, the Rabbits opened up the counter box again, Fulton starting the fun when he slammed the ball to deep right for a trio of sacks. Spencer followed him, and not to be outdone by the elongated initial sacker, slammed the ball along the right field line for three bags, sending John home. Spencer evidently did not realize how hard he had walloped the old pill and offered to settle down happily on second, but Belden brought him on to third while the ball was coming in. Giffin threw the ball in to Jack who relayed it to Gottschall. The Irish thirg sacker missed the throw and Belden sent Spencer home, but the cheese broker was too tired to hasten with his usual celerity and the doughy third sacker

from Abbottville hurried after the pill and slipped it to Sweet who tagged our "cheese" as he made a flying leap for the platter, amid the boisterous laughter of the nearly 500 bugs who were watching the play.

Indians Try to Score. In their half of the eighth, after watching the Bunnies and learning how easy it is to score, the Indians took heart and went after some of their own. Giffin whiffed and Sweet drove a grass-cutter to center for one bag. McCullough followed with a bunt down the third base line that he beat out and all hands were safe. Jack drove a long fly into deep left that looked as though it were ticketed for at least a pair of sacks, and incidentally a pair of tallies but Harris made one of his famous long runs and circus catches and robbed the would-be independent manager. Joe Brennan then came up with a determination to humble his mates and after fouling several, finally slipped a short hit into left, but it was too short for Sweet to tally on and Hensling terminated the agony by shooting a high fly to Pennington.

Attempt to Rally in Ninth. Again in the ninth a terrific attempt to tally went to naught. Caffyn tried to pole the pill over the center-field fence but his sights were about three feet short and Ned Smith copped the ball for the initial put-out. Abbott followed with another grass-cutter to center for one. Gottschall slid the ball to Pennington who juggled it long enough to permit all hands to rest safely. Giffin tried Penny on another but had no luck and was thrown out at first and Sweet closed the game with another fly to Irvin Harris.

Sporting Views By the Editor

Over in the neighborhood of Triple-I league they are having quite a row over the contention of the Danville management that two other clubs are over the player and salary limit. Several games have been protested on the grounds that the Decatur club is over the player limit, while it is likewise alleged that the Davenport club which has won some 32 games, while losing 7, is over the salary limit. The charges against the Davenport club were probably preferred after giving their standing the once over and then taking a squint at the moon. Somebody on this side of the river is likewise liable to take a short course in astronomy if the St. Louis Browns, alias the Burlington Red Sox, don't come down to earth before many more games are played.

Lefty Cook, who left these parts recently as a full-fledged Indian, is now appearing in the role of a Pilot, having been signed by Hough following his release by Abbott at Clinton. Lefty worked against the Red Sox for Clinton yesterday, losing the game 5 to 4. Critics around here were divided on whether or not Cook was worth keeping. His worst enemy will admit that as long as he is going good the opposing batters cannot get to him. The trouble with him is that he seems unable to go good long enough to win a game. After striking out two men he is as liable to issue a walk as he is to give a home run. Cook was retained because it was hoped he finally would start going right for periods of as long as nine innings. That hope, however, was costing the tribe more games than they could afford to lose.

Smith, another pitcher joined the tribe at Cedar Rapids today to fill the vacancy left by Cook's decapitation. Smith, although a young pitcher, has had enough experience to fit him for the speed of the association, and it is believed that he will stack up well with Wahl, Whitaker and McCulloch.

The tribe has won three out of the five games played on the present tour, something that would be considered good work for any team. If they can take one game from Cedar Rapids before returning home to show with Muscatine Friday, they will come back with a better standing than they had on leaving.

Stanford Touted Highly. [United Press Leased Wire Service.] CHICAGO, June 3.—Leland Stanford, university track squad, touted to win or place well in Saturday's intercollegiate meet at Stagg field, went through practice stunts on the University of Chicago field today. The Colorado and Chicago squads were unlimbering in other parts of the field.

CUP DEFENDERS IN FIRST TRIALS

Resolute and Vanitie Raced in Trials Yesterday—Former Wins by Close Margin.

[United Press Leased Wire Service.] NEW YORK, June 3.—Although the rating measurements of the cup defence candidates have not yet been made officially, experts today estimated that the Resolute was beaten by the Vanitie yesterday by thirteen minutes, eighteen seconds. The condition of the winds in the first trial was such that few would go on record today as declaring that the race gave either boat any notable advantage. The Vanitie which had trailed along behind during most of the race, did her best work on the fifth leg of the course, while the Resolute was becalmed for seventeen minutes.

The defiance will be lowered into the water at City Island today after having her mast shortened. The third defender expected to enter the trials by Saturday.

BRITISH PRACTICE BEFORE LARGE CROWD

Line-up of Contenders Settled—Team Shows Greater Speed Than It Did Last Year.

[United Press Leased Wire Service.] HEMPSTEAD, L. I., June 3.—While the Britishers tried to shake the sea out of their systems again today, practice for the international polo matches to start at Meadow Brook next Tuesday continued before a big crowd of spectators. The line-up of the contenders is settled and the main interest now centers in the style of play shown.

Both the Yankees and the invaders won easily yesterday over "bergh" teams. The Englishmen showed some effects of the sea voyage, missing many shots, but their speed has improved over last year. The two teams will alternate in the use of Meadow Brook, No. 2 field, for practice. The line up for the matches Tuesday will be English, No. 1, Capt. H. A. Tompkinson; No. 2, Capt. Cheape; No. 3, Major Barrett; Capt. John A. Trull. American—No. 1, R. A. Montague; No. 2, J. M. Waterbury; No. 3, D. D. Milburn, back, L. Waterbury.

Hobson Sank Merrimac 16 Years Ago. WASHINGTON, June 3.—Officials at the navy department today recalled that exactly sixteen years ago Lieutenant Richmond P. Hobson and seven enlisted men steered the collier Merrimac into the narrow neck of Santiago bay and under fire from the great guns of the frowning fortresses sank the boat in an attempt to bottle up Admiral Cervera in the inner harbor. Although the purpose for which the Merrimac was sunk was not successful, the feat was considered one of the greatest exhibitions of individual heroism of the war. The seven men who were chosen for the duty were D. Montague, chief master-at-arms; George Charette, runner's mate third class; R. Clausen, O. Desnan and J. E. Murphy, coxswains; G. E. Phillips, machinist, and F. Kelly, water tender.

Take Plenty of Time to Eat. There is a saying that "rapid eating is slow suicide." If you have formed the habit of eating too rapidly you are most likely suffering from indigestion or constipation, which will result eventually in serious illness unless corrected. Digestion begins in the mouth. Food should be thoroughly masticated and insalivated. Then when you have a fullness of the stomach or feel dull and stupid after eating, take one of Chamberlain's Tablets. Many severe cases of stomach trouble and constipation have been cured by the use of these tablets. They are easy to take and most agreeable in effect. Sold by all dealers.—Advertisement.

King Celebrates Birthday. LONDON, June 3.—King George received private congratulations today from the crowned heads of Europe on the occasion of his 49th birthday. Official congratulations are not due until June 22, as George is too busy to take a proper birthday and has postponed the formal celebration until the third anniversary of his coronation. Nevertheless a salute of forty-nine guns was fired by artillery in St. James's park, and at Windsor, while flags were flown on all government buildings. For several days packages containing presents from members of the royal family and intimate friends have been arriving at Buckingham palace, and his sons and daughter clubbed together for a birthday present of which they made a great secret. The king, who married Queen Mary in 1893, has five sons and one daughter. He succeeded to the throne May 6, 1910, on the death of his father King Edward VII.
