

### Seventeen Reasons Why

You Should Buy the NORTH STAR Refrigerator.

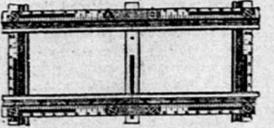

1. Economy in ice. There are seven walls to protect the ice: First, outside case; second, air space; third, non-conducting sheathing; fourth, Granulated Cork, the best non-conductor known; fifth, non-conducting sheathing; sixth, matched lumber; seventh, galvanized steel.
2. Durability; no mirrors to open.
3. Best nickel-plated trimmings.
4. Ice chamber lined with galvanized steel.
5. The improved ice rack.
6. Ice chamber cannot leak.
7. Automatic trap.
8. Provision chamber does not overflow on the floor.
9. Drain pipe is removable, making easy to clean if necessary.
10. Drain trough in bottom helps circulation and is convenient in cleaning refrigerator.
11. Trap in front, where easily seen, and waste pan emptied when full.
12. Shelves are woven wire, silver finish.
13. Patent casters that cannot drop out.
14. Lid locked together at corners, making them durable.
15. No condensation, owing to a perfect circulation.
16. Superior finish.
17. Our guarantee that every NORTH STAR Refrigerator will be exactly as represented.

—What's the news? Each line in this newspaper is of interest to some one. Each has been written and printed with a definite purpose. To many men and women the most important thing this journal offers for their consideration is the advertising. It is constructive, helpful, brightly written, often cleverly illustrated. It is all supposed to have a "punch" in it. It is the news of business—the voice of opportunity. To overlook reading the advertisements is to neglect one of the best features in the newspaper.
