CAPTURE FUGITIVE WITH WOMAN'S AID

Miss Buschling, Bookkeeper Here, Recognizes Fred Hoffman, Wanted at Warsaw for Robbery.

WARRANT FOR LARCENY

Prisoner is Man Who Was Chased by Posses in Belief He Was Maple, Wanted at Warsaw for Robbery.

Fred Hoffman, wanted for larceny in Hancock county, Ill., was arrested in Keokuk this morning, and this afternoon Sheriff McAdams of Carthage, with his deputies took the man back to Warsaw. Hoffman is wanted for larceny. He has been hiding in the woods south and east of Warsaw, and was the man who was mistaken for Maple, the alleged Myers murderer. Hoffman's arrest was effected through Miss Henrietta Buschling, bookkeeper at the Hawkeye Pearl Button factory, who saw the man in front of the factory this morning.

Miss Buschling is a sister-in-law of Sheriff McAdams and she immediately called that official by long distance telephone, and asked for a description of the man wanted. She told Mr. McAdams that she believed it was the man they were looking for, and called the police here, who made the arrest. Sheriff McAdams says that Hoffman told them of his taking some of the articles. He said that he recovered a shot gun which was pawned for four dollars. A thirty eight caliber revolver was found on the man, evidently stolen, and probably the weapon with which he fired upon Deputy Sheriff Link, when that official came up with him in the brush, near Warsaw.

Sheriff McAdams says that Hoffman has been in hiding in the brush about Warsaw for two weeks or more. It was this man that the posse pursued in the belief that he was Maple, the man wanted for murder.

Sheriff McAdams said that the man knew the brush like a wild animal, and that the officers would be upon him, and he would vanish. Two or three days ago the man took a shot at Deputy Link who came upon him unexpectedly. Hoffman will have a preliminary at Warsaw tomorrow.

SHOT HEAD OFF WITH SHOT GUN

Kahoka Man was in Ill Health and Saw No Hopes for Recovery.

[Special to The Gate City.] KAHOKA, Mo., July 24.—Arthur Stevenson succumbed at his temporary home in the Kirch building in Kahoka Friday morning, July 24, between 4 and 5 o'clock. Cause was ill health with no hope of recovery. The deed was committed with a shot gun, the load tearing off the entire top of his head.

Several weeks ago deceased was taken to Keokuk where an operation was performed. After a stay of several days at the hospital there he was removed to Kahoka and to the old Kirch residence where two of his older brothers tenderly cared for him. Doctors pronounced his case as incurable and it was only a question of time until the end.

Early Friday morning at about 4 o'clock the two brothers lay down to secure some rest. The sick man arose and went out the front door and around to the rear and into a back room. He secured the shot gun and loading it, placed the end of the barrel to his head and pulled the trigger. Death must have been instantaneous. The shot tore out the left eye and the entire top and side of the head. Neighbors were soon at the scene of the tragedy and the proper authorities were notified.

Coroner Rebo of Alexandria, arrived about 9 o'clock and an inquest was held, the jury returning a verdict of suicide.

Deceased was aged 22 years and was the youngest of four brothers. The parents are dead.

SECOND HOTTEST CITY YESTERDAY

Keokuk Temperature of 101 Was Equalled Only by Phoenix, With 104.

Keokuk was the second hottest city in the United States yesterday. The official government thermometer ran to 101 yesterday afternoon. The hottest spot was at Phoenix, Ariz., where the mercury crept into the tube at the 104 mark. Davenport, Chicago and St. Louis each registered 100 during the day yesterday.

Last night was probably the hottest night of the summer. There seemed to be absolutely no breeze stirring at all, and the night was spent by most people prowling around the house hunting for some cool place to sleep.
