Mabel Hedrick Weds in West.

Word has been received here of the marriage of Miss Mabel G. Hedrick, formerly of this city, now of El Centro, California. Miss Hedrick became Mrs. Harrie G. Jones last Saturday, August 1. The Hedricks formerly lived here, moving to the west about two years ago. The bride was the youngest daughter of the late V. P. Hedrick. The family is well known here, and their friends will be interested in the following from the El Centro Progress:

A quiet home wedding in the early morning hours was the event of the week in El Centro society. So early did the event transpire that the wedding bells might easily have been mistaken for breakfast bells. The most of their friends were probably lingering at their breakfast tables or else just arousing from the "last 40 winks" when Mr. Harrie G. Jones and Miss Mabel Hedrick were married at 7:30 Saturday morning, August 1. It was a beautiful wedding at the home of the bride, at 780 Olive avenue. The pretty stone bungalow was made to look cool and beautiful by an abundance of pepper boughs and china asters and bhasta daisies. Between the music room and the parlor stood a pergola covered with the green paper and white asters and daisies, beneath which the wedding ceremony was performed.

Rev. Baker, pastor of the Methodist church, pronounced the ceremony. Only the families and a few intimate friends were present.

The bride wore a becoming suit of Wilson blue gabardine cloth with waist of cream silk lace and hat of white plush. The groom wore the conventional morning wedding costume.

Immediately after the ceremony Mr. and Mrs. Jones were driven to the station in an automobile, which their friends had decorated with old shoes, tin cans and placards which announced to the public their wedded bliss and made known the fact they were off for a honeymoon.

They took the 8:30 train for parts unknown, with no promise as to when they will return. Mrs. Jones is the youngest daughter of Mrs. Josephine Hedrick and sister of Perry L. Hedrick, a business man of El Centro. Mrs. Hedrick and her family came to El Centro from Keokuk, Iowa, less than two years ago.

Harrie Jones is the youngest son of Mr. and Mrs. James T. Jones of Vine avenue. Mr. Jones is a member of the Valley Lumber Co. Both bride and groom are general favorites among the young people. Their host of friends wish them a long and happy life. They received many beautiful wedding presents. They will be home to their friends about September 16, at 780 Olive street.

PROPER TRIBUTE IS BEING SHOWN

Flags are at Half-Staff Today, Following Announcement of Death of Mrs. Wilson.

Flags on the power house, the government building, and at the government lock buildings are flying at half-staff today in tribute to the memory of the wife of President Wilson.

Just what the flag regulation is in a case of this kind could not be definitely ascertained locally today. One man, a member of the S. A. R.'s and who is well versed in the usage of the flag said that he presumed there was a regulation covering this. In lieu of such a regulation, however, he thought the flags should be displayed at half-staff.

"Where death is so closely allied to the administration it seems only natural that the banner should be flown at half staff for a suitable period," he said.

Members of the G. A. R. post were unable to throw any more light on the subject, except to recommend the placing of the colors at half staff.

FISHING PARTIES OUT THIS AFTERNOON

Using Automobiles as a Means of Transportation to the Happy Fishing Grounds.

An automobile fishing party went across the river this afternoon braving the rays of a furious sun, intending to anchor their car in an Illinois grove not far away from the dam, and coax the finny tribe to a free lunch of minnows. Two packages of what appeared to be bait were visible and on the departure of the congenial party, it was predicted that long strings of fish would be exhibited on the return of the party.

PIONEER RESIDENT OF LEE COUNTY DIES

Mrs. A. E. Caldwell of Mount Pleasant Passed Away After Long Residence in This State.

MT. PLEASANT, Aug. 7.—Mrs. Anne Elizabeth Caldwell, the wife of Mr. Joseph Caldwell, passed away at her home on East Washington street, shortly after 3:00 o'clock yesterday morning. The deceased had been in poor health for the last year or so, but was taken with the illness which proved fatal only a few weeks ago. Mrs. Caldwell was born in Lee county on May 9, 1849, and was the daughter of Michael and Sarah Emerson, who came to this country from England in 1840. On February 7, 1868, she was married to Mr. Joseph Caldwell and for thirty years the couple lived on their fine farm in Lee county. In November, 1898, Mr. and Mrs. Caldwell moved to this city, where they have since resided at their comfortable home on East Washington street. To mourn the loss of a faithful helpmate and a loving mother she leaves a husband and five children, Miss J. the wife of John Elmer Powell, of Milton; Lute May, who has a position in Portland, Ore., but who arrived home on Sunday last; Cora Ann, who is a clerk in the Hoaglin dry

Planning for the Stork's Arrival

Among those things which all women should know of, and many of them do, is a splendid external application sold in most drug stores under the name of "Mother's Friend." It is a penetrating liquid and many a mother tells how it so wonderfully aided them through the period of expectancy. Its chief purpose is to render the tendons, ligaments and muscles so pliant that nature's expansion may be accomplished without the intense strain so often characteristic of the period of expectancy.

At any rate it is reasonable to believe that since "Mother's Friend" has been a companion to motherhood for more than half a century no more timely advice could be given the inexperienced mother than to suggest its daily use during expectancy.

Ask at any drug store for "Mother's Friend," a penetrating, external liquid of great help and value. And write to Bradfield Regulator Co., 302 Lamar Bldg., Atlanta, Ga., for their book of useful and timely information to expectant mothers. It contains many suggestions that are of interest to all women.

Less Meat If Back and Kidneys Hurt

Take a glass of Salts to flush Kidneys if Bladder bothers you.

Eating meat regularly eventually produces kidney trouble in some form or other, says a well-known authority, because the uric acid in meat excites the kidneys, they become overworked; get sluggish; clog up and cause all sorts of distress, particularly backache and misery in the loins region; rheumatic twinges, severe, acid stomach, constipation, torpid liver, sleeplessness, bladder and urinary irritation.

The moment your back hurts or kidneys aren't acting right, or if bladder bothers you, get about four ounces of Jad Salts from any good pharmacy; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salts is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush clogged kidneys and stimulate them to normal activity; also to neutralize the acids in the urine, so it no longer irritates, thus ending bladder disorders.

Jad Salts cannot injure anyone; makes a delightful effervescent lithia-water drink which millions of men and women take now and then to keep the kidneys and urinary organs clean, thus avoiding serious kidney disease.
