Special Sale During Remodeling

In order to properly take care of our steadily increasing business, we have started a general remodeling of our store, repair and manufacturing departments. New solid mahogany window fixtures will be installed and a general rearrangement and improvement made in our optical department.

We find on carefully going over our stock that it is good business to decrease some lines and increase others. For several months we have carefully studied conditions and feel justified in preparing for our steadily growing trade.

You Positively Can Save Money on Many Lines by Purchasing During This Remodeling Sale

We are indeed proud to state that our spot cash business at present shows an increase over the corresponding period of 1912.

Our advance holiday lines will be shown about October 1.

A charming new Wooltex suit or coat gives the first opportunity on a cool evening to don the fall fashions.

There is a fascination about the Wooltex Suits and Coats, because of their graceful and beautiful styles and exquisite colorings that will tempt tasteful women to wear them long before the crisp days come.

They are shown in a wide variety of styles and materials, and we will take great pleasure in having you come and see them and try them on and see how extremely becoming the new models are.
