This will be the last excursion of the season. Right of admission reserved.

## TIME FOR FILING SUITS NEAR END

Tomorrow Will be Last Chance for September Term of District Court Which Will Convene in Ten Days.

### NEW ONES ON RECORD

Divorce Actions Seem to be Popular as Number Are Filed—Expect Many Actions Tomorrow.

Tomorrow will be the last day for the filing of suits before the September term of the district court commences here. Up to this morning there is expected by the officials in the clerk's office that a number will be filed this afternoon and tomorrow.  
Jacob J. Wahrer has filed suit for divorce against Elizabeth Phoebe Wahrer. In his petition he charges his wife with adultery, and asks that a decree of divorce be granted and that his wife be granted her maiden name, and that the title in and to lot 3 in block 60, Kilbourne's addition be quieted in the plaintiff.  
The Central Vaudeville Promotion Co. has filed action against D. L. Hughes and Eleanor E. Hughes claiming \$664.10 is due with interest.  
A. L. Parsons has brought suit against Malene Hanson, Malene Hanson, trustee, and Byron Scovern, in which he seeks to recover portion of a judgment which he alleges is due him under an oral contract. Plaintiff claims that on Dec. 25, 1908, he entered into contract, orally, to prosecute action for Malene Hanson against Ole Linde, upon a note, and that on judgment being secured it would be divided equally. Judgment was secured for \$1,227.60 and judgment with interest would amount to \$1,816, the petition states. Without knowledge of plaintiff it is claimed that defendant sold and assigned to Byron Scovern the judgment. He asks judgment for \$358 with interest and for an accounting.  
E. D. Bunyan has brought suit against William Bunyan asking for divorce, and the right to remarry with in a year. Plaintiff alleges defendant is guilty of cruel and inhuman treatment and claims that he used club, knife and razor on her.  
An answer and counter claim has been filed by J. P. Dickson in the case of the Keokuk Loan and Building association vs. Ida Richard and J. P. Dickson.

## THIN BLOOD AND DYSPEPSIA

Thin-blooded people generally have stomach trouble. They seldom recognize the fact that thin blood is the cause of the indigestion but is.  
Thin blood is one of the most common causes of stomach trouble. It affects the digestion at once. The glands that furnish the digestive fluids are diminished in their activity, the stomach muscles are weakened and there is a loss of nerve force. In this condition nothing will more quickly restore appetite, digestion and normal nutrition than good, rich, red blood.  
Dr. Williams' Pink Pills act directly on the blood, making it rich and red, and the enriched blood strengthens weak nerves, stimulates the tired muscles and awakens to normal activity the glands that supply the digestive fluids. The first sign of returning health is an improved appetite and soon the effect of these tonic pills is evident throughout the system. You find that what you eat does not distress you and that you are strong and vigorous instead of irritable and listless. You are now on the road to health and care in the diet is all that you need.  
The Dr. Williams Medicine Co., Schenectady, N. Y., will send you a little diet book free on request. Your own druggist sells Dr. Williams' Pink Pills.

## DR. F. M. TATE DIED MONDAY MORNING

At Clarinda, Iowa, Where He Was Visiting for a Time With Relatives.

### APOPLEXY THE CAUSE

The Remains Were Brought Here Last Night for Burial, Accompanied by a Nephew.

A feeling of sadness will be felt by the people of Keokuk at the announcement of the death of Dr. F. M. Tate, another of the old and popular physicians of Keokuk, who died of apoplexy at Clarinda, Iowa, at one o'clock Monday morning, at the age of eighty-three years.  
The remains arrived here last night by way of the K. & W. railroad, accompanied by Mr. R. S. Tate, a nephew.  
Dr. F. M. Tate was a native of Indiana, where he was born December 21, 1830, the son of James and Sarah (Duryea) Tate, natives of Harrison and Mason counties, Kentucky, respectively, removing from their native state to Indiana in 1830, engaging in agricultural pursuits until 1849, when they crossed the Mississippi river and came into Iowa, locating on a farm in Monroe county, near Albia. Four years later, the family moved into the town where the father engaged in a general mercantile business which he continued until his death which occurred in 1856.  
Dr. Tate was reared on his father's farm and received his education in the common schools and as preparatory to the study of medicine, pursued a course of study in a select school at Albia. In 1855 he commenced the study of medicine under the instruction of Dr. Sherwood, of Cincinnati, and pursued his studies in the Electric Medical Institute of Cincinnati. During these two years, he received clinical instruction at the Commercial Hospital of Cincinnati.  
At the completion of his college course, Dr. Tate entered into partnership with Dr. William Sherwood, which relation continued for one year when he returned to Iowa and located at Farmington, Van Buren county, where he engaged continuously in the practice of his profession for the following thirteen years. In 1872 he came to Keokuk, where he had since been located and where he became an honored member of the profession.  
Dr. Tate was married in February 1853 to Miss Eliza S. Carhart, the daughter of General William and Josephine E. (Simmons) Carhart of Rogosco, Ohio. Two children were born to them, Thomas C., and Frederick F., both promising lads, who grew into young manhood in Keokuk and were stricken down, bringing great sorrow into the family home. Not many months ago, Mrs. Tate passed away, leaving Dr. Tate as the only surviving member of a once happy household.  
It was easy to perceive that these sorrows bore heavily upon the heart and mind of Dr. Tate. He acted the part of many sorrows. He was never known as an indiscriminate mixer with the crowd, but among his friends and intimate associates, he was warm and hearty and cordial. He loved his books and prized them as friends and he was a man of much reading and of excellent literary taste. He did not feed upon the trashy, trivial literature of the day, but admired more the classic or standard works where information and instruction could be added to the pleasure of reading.  
Dr. Tate will be greatly missed in the quiet circle in which he was found and where his quiet, gentlemanly ways and appreciated conversation was enjoyed. There was no flippancy in his character, plain, practical, good-hearted, and marked by honest sincerity, he was a safe counselor for the young man and a genial companion for the older. He never counseled to offend nor talked to show his wealth of learning. He was a true friend, a learned and sympathetic physician and a man who was an honor to any community in which he resided.

surgeon's knife and she firmly rejected it at this time, but her family and attendant physicians advised a third operation; it was the lesser of two terrifying evils and reluctantly the sufferer summoned the remnant of her extraordinary courage and yielded her assent. It was to the consternation of all that Mrs. Tigie entered St. Joseph's hospital to pass through that crucible of pain for the third time, and, alas, the final one. About 12:15 o'clock found Mrs. Tigie under the surgeon's lance. All hopes sank low as soon as the incision was made. A gruesome condition was revealed. The operation was performed in the space of about two hours and no promising hope of recovery could be entertained. Mrs. Tigie lived for nearly an hour after returning to her room, and while she was regaining a slight and brief lucid moment from the anesthetic, she uttered a few incoherent words and delivered her spirit into the hands of God whom she loved and served.

### Mrs. Sarah Starr.

Yesterday afternoon The Gate City had the sad particulars of the sudden death of Mrs. Sarah Starr which occurred in this city while she was visiting at the home of her son here. A friend sends the following additional lines to her memory.

### A Tribute.

Mrs. Sarah Starr of Kahoka, Mo., departed this life Saturday evening, September 6, at the home of her son, John C. Starr, at 1421 Morgan street, Keokuk, Iowa; aged 75 years, ten months and ten days. She came to Missouri in the year 1857. She was united in marriage to George W. Starr in the year 1858. He died January 7, 1900.

To this union was born three sons, William of Kahoka, Mo., John C., of Keokuk, Iowa, and Elias of Kahoka, Mo.

She also leaves to mourn her loss five brothers, F. C. Holiday of Missouri; E. S. Holiday of Indiana; and Henry, Frank and Arch Holiday, also of Indiana; also one sister, Mrs. Laura Hurndon of Katha, Okla., and fourteen grandchildren and two great-grandchildren.

She united with the M. E. church at the age of seventeen years and had always lived a good christian life; was a good wife and a devoted mother. Her aim was always to be good and to try to make those happy about her. She always had a smile and a kind word for every one she met, and will be much missed by all who knew her.

The remains were taken to Kahoka for burial. The funeral was held at the Oak Grove church at 2 o'clock Tuesday afternoon.

### Villa's Negative Virtues.

Topeka Capital: Since events took such a turn in Europe we hear less talk about the uncivilized General Villa. He burned no cities to the ground, nor dropped bombs among unarmed innocents.

### After Vacation Peel Your Discolored Skin

Women returning from the seaside with browned, reddened or freckled complexion will be wise in immediately taking up the mercolized wax treatment. Weather-beaten skin had best come off, for no amount of "beautifying" will ever make such skin pretty to look at. The surest, safest, easiest way to shed the despoiled cuticle is with the treatment suggested. Put the wax on before retiring, as you would cold cream, and rinse it off next morning with warm water. Minute particles of scarf skin will peel off day by day, gradually showing the healthy, youthful skin beneath. One ounce of mercolized wax, obtainable at any drug store, is enough to make any discolored or spotted complexion clear, white and satiny soft. Its action is so gentle no injury is caused and the face shows no trace of its use.  
Burning heat, irritating winds and dirt are such wrinkle-makers that the daily use of the following astringent cosmetic lotion at this season is highly advisable: Powdered saxolite, 1 oz., dissolved in witch hazel, 1/2 pt. Used as a face bath this is a splendid wrinkle remover and preventative.

### IN MEMORIAM

Mrs. Thomas V. Tigie.

Yesterday afternoon brief announcement was made in The Gate City of the death of Mrs. Thomas V. Tigie and too late for insertion in that edition came a contributed announcement which gives some additional details of the life and death of this lamented wife and mother, the main portions of which are given below:

### A Friend's Tribute.

It is with feelings of the deepest sorrow that the announcement is made of the death of Mrs. Thomas Tigie. Although Mrs. Tigie had not enjoyed her normal state of health for a score of years past, yet the end came as a sudden shock to her family and the community. Over twenty years ago began the intestinal troubles that eventually encompassed her death. Mrs. Tigie remained for many long years suffering acutely at intermittent periods, before a surgical operation became imperative. About two years ago the first operation was performed by skillful practitioners which successfully relieved the trouble, a double strangulated hernia. After the lapse of about a year and a half, last spring, another phase of the trouble was discovered and another successful operation was performed. No doubt the vitality of Mrs. Tigie was meanwhile being weakened by the ordeal through which she passed, and yet she remained the same tireless, dutiful mother. Her relief this time failed to maintain her health. After the lapse of about five months internal pain became felt intermittently in the region of the trouble. Her admirable endurance enabled her to stave off a third inevitable operation, only too long to prove successful.  
On last Friday she suffered a relapse of her old trouble and alarming symptoms became evident. It was the beginning of her end. She was suffering severely. She summoned the priest from St. Peter's church to her bedside on Sunday morning. The last sacred rites of the holy church were administered to her by the Rev. Father Davis. She received new courage therefrom and a renewed vigor. Sisters of charity also quickly repaired to the sick room to implore her help from God, then, as it eventually proved the sole remaining source, Mrs. Tigie had now a horror for the

want to go through such an experience again."  
Werner is an enthusiastic student of aviation and is a typical German soldier. He entered the army after graduating from a university and his face and scalp are seared with quelling scars. He declares the Zeppelins have not yet been really tested and that when they finally get into action they will do great damage to the enemy. He is enthusiastic over the German aviation corps and declared it has already been of incalculable benefit to the German general staff.  
Never can tell when you'll mash a finger or suffer a cut, bruise, burn or scald. Be prepared. Dr. Thomas' Electric Oil instantly relieves the pain—quickly cures the wound.—Advertisement.

### LOCAL CONCERN IS INCORPORATED

J. F. Sanders and J. S. Bullock Are President and Secretary of Overland Garage.

Articles of incorporation were filed by which the Overland garage is incorporated. The amount of the stock is to be \$15,000, and the concern can commence business when \$10,000 has been subscribed.

J. F. Sanders and J. S. Bullock are trustees and managers of the concern, according to the articles, and J. S. Bullock will be president and J. F. Sanders secretary and treasurer of the new concern.

Neck and Neck. Council Bluffs Nonpareil. The reports that Liege has fallen, and Liege has not fallen, are running a neck and neck race.

### NOT A DAY IN BED

Gramling, S. C.—In a letter from Gramling, Mrs. Lula Walden says: "I was so weak before I began taking Cardui that it tired me to walk just a little. Since taking it, I do all the housework for my family of nine, and have not been in bed a day. Cardui is the greatest remedy for women on earth." Weak women need Cardui. It is the ideal woman's tonic, because it is especially adapted for women's needs. It relieves backache, headache, dragging feelings, and other female misery. Try Cardui. A few doses will show you what it can do for you. It may be just what you want.

### Gave Him A New Stomach

"There are thousands of sufferers from stomach and liver troubles whom I wish I could meet and tell what Chamberlain's Stomach and Liver Tablets would do for them," writes H. M. Youngsters, editor of the Sun, Lake View, Ohio. "One bottle of the tablets would end the trouble for most of them. I suffered intensely after eating and never felt well, and no treatment or medicine I tried ever seemed to do me any good until reading an advertisement for Chamberlain's Tablets in my own paper. I tried a bottle. The first few doses gave me surprising relief, and the second bottle seemed to give me a new stomach and perfect good health. I didn't think anything would give me such a complete cure. They are wonderful."

For sale by all dealers.—Advertisement.

**MADAME X is coming!**  
"Madame X—the Lad. of Mystery" has arrived! She will appear in the window of this store every day from 12 to 5:30 where she will answer all questions in her mystic and inimitable manner.  
Students are particularly requested by her to ask any questions upon which they desire information. They will find her advice mysteriously valuable.  
"Madame X" is veiled and mute. She answers with the only visible part of her body—her hands. She writes her answers with her pen in one of the most ingenious writing instruments you ever saw. Come and see her.
