

# SEPTEMBER HOUSEFURNISHING BARGAINS

**QUALITY IS THE FIRST**  
Consideration or should be  
whenever you buy your furnishings

Our aim and motto is please the people all the time  
and if you will take the time to come and look over  
our stock we believe you will save money at the  
time you need it the most if at any time this year.

You cannot afford to buy your fall house furnishings  
until you look at our stock, whether you buy from  
us or not.

It is not so much what you pay, as it is what you  
get for what you pay, that counts, after all.

**A NEW BUILDING**  
More floor space enables us to  
better show our goods
