BOYLE WILL LEAD KEOKUK THROUGH 1915 C. A. RACE

Fans Decide at Meeting Last Night to Remain in League — Frank Boyle to Pilot Club.

ARE TO RAISE \$3,500

Boyle to Receive \$1,800 a Year and Half the Sales of Players Developed by Club.

Keokuk will remain in the Central association. Frank Boyle, of Muscatine, will lead the 1915 Indians. These two facts were definitely decided at the mass meeting held last evening at the superior court room. The meeting was composed largely of substantial business and professional men. There was not a dissenting voice raised when the questions of remaining in the league and of signing Mr. Boyle were put to a vote. It was evidently the belief of those present last night that with Frank Boyle at the head of the club Keokuk will show a new interest and new life in the national sport. It was plainly a question of either having Boyle as manager or of dropping from the league.

Reports on Conference. John G. Erhart, as chairman of the committee which last Monday held a conference here with Mr. Boyle, read the report of the committee and explained in detail what had been done at the meeting. Mr. Boyle had made a proposition to the committee and had returned to Muscatine to wait the outcome of the meeting last night. Mr. Boyle is to accept the management of the club at a salary of \$1,800 a year and one-half the money received from the sale of players. The directors are to raise enough money through subscriptions to pay off the present indebtedness of the club, amounting to about \$1,000, and are to raise \$2,500 for the support of the club next year. It is believed that with the ex-Muscatine boss at pilot of the Indians the attendance here which amounted to about 20,000 this past year, will reach from 25,000 to 30,000 next season. With this attendance and \$2,500 to be raised by the directors, Boyle assured the members of the committee which met with him that he could take the team through the season. It is practically a certainty that his team will finish well toward the top of the heap.

Not an Expensive Manager. The salary to be paid Boyle is rather high for a league of this class.

FOOTBALL FIGHTING FOR SPACE ON SPORT SHEET

[By Hal Sheridan, written for the United Press.]

NEW YORK, Sept. 24.—Old King Football is about to mount the sport throne. He is collecting his resisters throughout the country and already has engaged in many slight skirmishes with his ancient enemy, Czar Baseball. In all of the outlying posts Football's forces are scoring heavily. Around the big centers, though, Baseball still holds forth the strongest.

Not until after the world's series stuff does King Football expect to reign supreme. He concedes Czar Baseball a lead on space in the sporting pages until after the Mackmen score their usual fall victory but after that he expects to come into his own with a vengeance.

Yale Occupies Spotlight. The football outlook around the east this year is unusually interesting. Yale occupies the spotlight, not because it is expected to "clean up" this fall, but because Frank Hinkey is back to coach Old Eli's pigskin warriors. The prospect of this former Bite star putting in a winning team there this year is very doubtful. The task is too great, in the minds of football critics.

But the Hinkey spirit, as it is remembered by ones who saw that famous star in action in the old days, is something to be reckoned with and the seemingly impossible may be accomplished. Hinkey's efforts, at any rate, will be closely watched.

Every Man Gets a Chance. In the preliminary work, date, Hinkey has tried out a large number of candidates. His policy seems to be that every man who reports is going to get a chance. He seems to want to see for himself what material he has on hand. Only the three players who were regarded as regulars are available for Hinkey. They are Captain Talbot, Half Back Carroll Knowles and Quarter Back Aleck Wilson.

Hinkey is being assisted at present by Dr. Billy Bull, who has charge of all the kicking candidates; "Doc" Cornish, who is directing the quarter back aspirants, and Billy Marting, who is showing the centers the fine points.

Harvard Candidates Report. Harvard's candidates reported only last week to Coach Percy D. Haughton at Cambridge. No summer practice was held at all, although the Crimson is believed to face an unusually hard schedule this fall. A few of the veterans spent a few days with Coach Haughton before reporting, however.

Harvard's sensational boomer, Charles Brickley, will lead the Crimson eleven this fall. With him there will be other veterans who were rated as regulars last fall. The backfield will be the same as last year unless some of the new men show enough to warrant displacing one of the veterans. Logan, quarterback, and Bradlee and Mahan, half backs, are all back. Pencock, Cowan and Trumbull, guards, Soucy, center, and Hardwick, end, all reported for practice. The latter is declared to be one of the best all-around men on the gridiron who ever wore a Crimson jersey.

Crimson Looks Strong. Trumbull, it is believed, will be made into a tackle this year. He has two years experience with the varsity. Coolidge, beaten out last year by O'Brien for one of the end positions, is expected to be Harwick's running mate this fall. This leaves one of the tackle positions to be filled from among the flock of candidates that turned out at Haughton's call.

The Crimson has a tough schedule this fall, with a meeting with "Hurricane" Yost's Michigan eleven besides the usual quota of "championship" affairs. Haughton will have to pay special attention to Yost's men as the Michigan coach will direct his efforts all season to the game with Harvard at the Stadium.

Washington and Jefferson will be a contender for "championship" honors this year. The "Generals" are slated to meet both Harvard and Yale.

Tigers Lose Star. Princeton is declared to have lost the services of one who was to be a bulwark of strength there this year—W. Swart. He put up a slashing game for the Tigers last fall and was being counted heavily this year.

Swart, while superintending some building work, was badly injured a couple of weeks ago. Doctors say that he will not be in condition to play football this year.

who showed everything that the Giants didn't have yesterday are now only two games behind the McGraw crew and a little more of the one-run in forty-four innings stuff will see the former leaders skidding down toward the bottom of the first division.

Braves Break Even. It was a circuit swat by Smith in the ninth that won the first game for the Braves from the Reds. Lear and Davis hooked up in a pitching duel in the second and Davis weakened in the ninth. Three runs trickled over. That spoiled the record of the Reds who had hung up a mark of nineteen straight defeats.

Branch Rickey, manager of the Browns, has his own ideas of running his team. His regulars made such a poor showing against the Yankees that he simply benched the entire team and sent out nine subs. The entire collection of Browns made twelve errors. The Yanks won and moved into sixth place.

Three home drives scoring seven runs were hammered out of Lavender by the Phillies. Broker connected for a circuit knock in the third and Cravath drove out two long distance wallops. Some one thought Lavender was using the emery ball and Umpire

Mother of Eighteen Children. "I am the mother of eighteen children and have the praise of doing more work than any young woman in my town," writes Mrs. C. J. Martin, Boone Mill, Va. "I suffered for five years with stomach trouble and could not eat as much as a biscuit without suffering. I took three bottles of Chamberlain's Tablets and am now a well woman and weigh 168 pounds. I can eat anything I want to, and as much as I want and feel better than I have at any time in ten years. I refer to any one in Boone Mill or vicinity and they will vouch for what I say." Chamberlain's Tablets are for sale by all dealers.—Advertisement.

The Keokuk Baptist association is in progress here at the Baptist church. A large crowd is in attendance at each meeting. Kilne Deterlich is home from Chicago for a few days' visit with relatives. Dr. George Musgrave of Chicago is here visiting his sister and family, Mrs. Dr. Paisley. Mr. and Mrs. Elmer Price went to Bonaparte Sunday in their auto and spent the day with the latter's sister. Mrs. Floyd Knapp is suffering considerably from burns which she received Monday when her stove exploded and burned their house and barn on their farm. Wm. McIntosh moved his family into their new home Monday.

Masonry in the War. [United Press Leased Wire Service.] OSTEND, Sept. 14.—(By mail to New York.)—A Masonic sign, given by a Belgian resident of Louvain and immediately recognized and honored by a German officer saved fifty Belgians from death in Louvain. All had been arrested, charged with shooting at the Germans. The Belgian Mason, while facing the firing squad, gave a certain sign and the German officer immediately engaged him in conversation. He explained Masonically that he was not guilty and that not a single one of the party had been guilty of any atrocities. The German officer immediately ordered them all released.

BRAVES NOW SIX FULL GAMES AHEAD

New York Lost Double Header Yesterday While Boston Broke Even—Cards Coming Up.

REDS SPOIL A RECORD

Cincinnati's Mark of 19 Straight Defeats is Ended Yesterday—Rickey Benches Entire Team.

[By Hal Sheridan, written for the United Press.]

NEW YORK, Sept. 24.—Holding a piece of paper firmly in one hand and a pencil in the other, it may be figured out just what the Giants must do if the Braves do something else suddenly to throw the switch that will bring the well known pennant to New York. That, however, is largely a waste of time. The Braves as yet have not mathematically clinched the pennant, known in some circles as the gonfalon. Neither have we a clinch on the fact that Christmas is coming, but nobody doubts it is. A miracle might upset either prospective event and that is about all.

Giants Lose Two Games. The Giants turned up two defeats in one afternoon yesterday, a feat they have not been able to perform before this season. Rube Marquard also lost his twelfth straight game and the Giants were shut out for the third time in three days when they failed to get a run across the pan of Saltee. Their one run in the first inning of the first game gave them a record of having not one tally across in forty-four innings, a feat hardly calculated to strike any terror in Boston. The Braves tripped and took an application of white wash in their second game with the Reds. Their victory in the first tussle which was barely nosed out gave them a lead of another game on the Giants, however, and they now have the extremely safe lead of six full games. The Cards,

A MOTHER'S GRATITUDE

Many a Mother in Keokuk will Appreciate the Following.

Many a strong man and many a healthy woman has much for which to thank mother. The care taken during their childhood brought them past the danger point and made them healthy men and women. Thousands of children are bothered with incontinence of urine, and inability to retain it is oftentimes called a habit. It is not always the children's fault—in many cases the difficulty lies with the kidneys, and can be readily righted. A Keokuk mother tells how she went about it.

Mrs. M. E. Clark, 502 South Fifth street, Keokuk, says: "I feel justified in giving Doan's Kidney Pills my endorsement. This remedy has been used in my family, being procured at Wilkinson & Co.'s Drug Store, and it has brought relief from pain and lameness in the back and trouble with the kidney secretions."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Clark recommends. Foster-Milburn Co., Props., Buffalo, N. Y.

Another Passing Species.

Cedar Rapids Republican: The days of the war correspondent are over—armies no longer want to be written up—and there may be no armies at all, by and by.

CARL GANTVOORT leading role in "Robin Hood" "I always fill my pipe with Tuxedo. Tuxedo and I are firm friends."

JACK HENDERSON of the "Pink Lady" Company "Loud cheers for Tuxedo. My favorite—always. I put new zest into my singing after a pipeful of Tuxedo. I find Tuxedo a real voice help."

DONALD BRIAN starring in "The Marriage Market" "I have found that the use of Tuxedo does not interfere with my singing. On the contrary, I've never indulged in a more satisfying, more really beneficial smoke."

Great Singers Must be "Tobacco Wise"

Tuxedo is the Tobacco Chosen by Opera Stars

MEN who depend upon their voices come to know tobacco as the ordinary smoker never knows it. A sensitive throat or mouth feels the slightest sting, bite or scorch of tobacco.

Tuxedo is the one tobacco which singers, actors, public speakers—all men who guard their throats zealously—can smoke with pleasure and safety.

Tuxedo tobacco cannot sting, bite or irritate the delicate membranes of the mouth or throat.

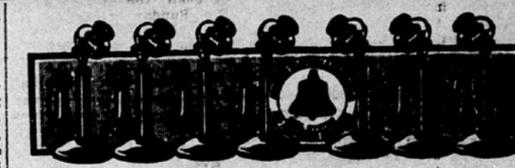

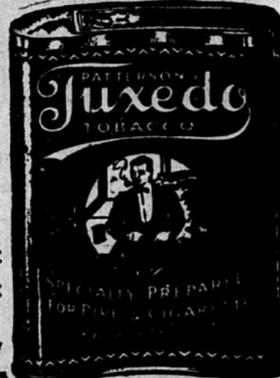

Tuxedo tobacco has made thousands of men converts to the pipe, because it has made pipe-smoking possible for them. Under the famous "Tuxedo Process" the mild, tender leaves of the highest grade Burley tobacco are so skillfully treated that Tuxedo burns slowly and affords a cool, mild, thoroughly enjoyable pipe smoke.

Leading men in all walks of life—well-known doctors, lawyers, ministers, lecturers, etc.—smoke Tuxedo and testify to its soothing influence on the throat.

Something About Rates

As a public service corporation we are servants of the public and as such should discharge our duties efficiently.

To give the most efficient service, the construction, equipment and operation of this Company must conform to the best known practices.

To meet these requirements, the Company must charge such rates as will meet necessary operating expenses, provide adequate reserves for replacing worn-out or obsolete plant, and give a return on the money actually invested in the business that shall be reasonable and sufficient to invite new capital as required for expansion.

Should any earnings be made over and above those necessary to meet these requirements, we feel the amount should be used for the benefit of the public to further increase the efficiency and reliability of the service.
