Were You Among the Number Whom Miss McCormick Delighted?

Yes, Miss McCormick (the noted Boston Beauty Specialist) left Monday, but during her stay she gave much valuable advice to the ladies of Keokuk, which, if heeded, cannot fail to result in a clearer complexion.

Her elaborate demonstration of Harmony Perfumes and Toilet Articles was a complete success. Everywhere, everyone commented on the exceptional merits of this popular line of toilet requisites, and the best of it is, they really deserve every bit of praise tendered them.

For real quality, distinctive creations and true floral sweetness

Harmony Toilet Preparations are Unexcelled

We are exclusive distributors and carry a complete line at all times. If you were one of Miss McCormick's guests we know you will use no other line—if you were not, then we want you to test these really exquisite Harmony Beauty Aids.

THE graceful ripple effect is a charming fashion feature in Wooltex Coats and Suits for autumn.

There is an easy freedom about the new Wooltex garments for which women will be grateful this season, and the effect of the superbly tailored, but apparently loose hanging folds, give wonderful character to the garments.

And it is only because of the expert and careful tailoring that is given these garments that this delightful effect can be produced in coats and suits that fit so perfectly as do these. Of course there are more conservative models and there are mul-

titudes of styles from which to select and it is a very definite pleasure to spend an hour looking through the new collection of garments.

With all their excellence, refinement and correctness of style, the prices are exceedingly moderate.

We shall be glad to show you the new Wooltex and other high class makes of suits, coats and skirts, at your convenience, whether you are ready to make your fall purchases or not.
