

AUTO PLUNGES OVER BANK ON DIKE KILLING DRIVER

T. A. Herring of St. Mary's, Ill., Meets Death in Unknown Manner Last Night.

IS SHROUDED IN MYSTERY

Dead Man Was Only Occupant of Car and No One Can Throw Any Light on Tragedy.

The second fatal automobile accident in this vicinity this week, occurred last night when T. A. Herring of St. Mary's, Ill., was killed when his automobile plunged through the fence and over the bank of the winding road leading from the Illinois end of the bridge into Hamilton. Just how the accident occurred will never be known, for Mr. Herring was the only occupant of the car and was dead when found.

Leslie Wylie and Mr. Kopsicker of Hamilton were driving home about 8 o'clock last evening and while on the "dike" road, about one block this side of the covered bridge which crosses the slough, they noticed that

the fence on the north side of the road had been broken and the weeds disturbed. They stopped their car and made an investigation.

Using a pocket flashlight, the men peered over the embankment and there in the weeds saw an overturned automobile. They climbed down the slope and made further investigation. Beneath the automobile was a man. The man was dead.

They notified Dr. J. A. Miller who came to the scene and pronounced the man as beyond all aid. He was dead, although the body was still warm. Death was due to his being crushed to death beneath the heavy weight of the automobile.

The remains were taken to Hamilton and Coroner Barry was sent for. At the inquest this morning, after witnesses had been examined, the coroner's jury returned a verdict that death was caused from an unavoidable accident, to the overturning of an automobile.

Papers in the dead man's clothing and acquaintances, easily identified him as T. A. Herring, a prosperous and well known farmer of St. Mary's, Ill. He was a married man and leaves a wife and two daughters. The body was sent to the family home this afternoon, following the inquest.

It was learned that Mr. Herring had been to Warsaw during the day and had visited in Keokuk during the afternoon. It was while on the return trip toward home that the accident occurred. He was riding alone in a five passenger car at the time. Mr. Herring was fifty-nine years of age.

TWO CENTS NEEDED ON PENNANT CARDS

Postals Which Have Bits of Felt Attached and Messages Written on Them Need More Stamps.

BIG BATCH BEING HELD

Local Office Has Number Which Are Violating Regulation in This Respect, It is Stated.

Postal cards which have a felt pennant attached to the reverse side cannot be sent through the mails for one cent. It takes two cents to carry them. The only way to avoid paying two cents is to not write anything on the card other than a greeting such as "yours fraternally." If anything in the shape of a message or information is written on the card letter rates must be charged.

The local post office department is holding a bunch of cards for postage. These cards, everyone of them bearing a felt pennant on the reverse side contain messages from the sender and cannot be mailed for less than a two cent stamp. It is necessary to send notices to the persons to whom these are addressed that mail is being held for them. In at least half of the cases it is probable there will be no postage forwarded.

The local postoffice department is asking that the dealers who sell these pennant postal cards or any cards which come under this head, tell their patrons that it takes two cents to send the cards if they write messages on them.

It is also called to the attention of the mailers of cards that if by any chance the cards mailed out of here slip through the clerk's hands and are received at their destination two cents will be collected from the person to whom the card is mailed. To avoid delays and additional expense it will be well to remember that this variety of card must be fully prepaid with a two cent stamp.

The postoffice department also calls attention to the matter of postage on rural routes. If persons mailing matter on these routes want the mail delivered without the delay of a day, they must prepay postage fully, otherwise the department will have to hold mail until a notice can be sent to the persons to whom the letters or mail matter are addressed, asking them to give the additional postage to the rural carrier.

MONEY FROM AUTO OWNERS TO BE USED

This Fund Will be Applied so Far as Possible to Repairing River Drive.

Money which has been collected from the auto owners of Keokuk will be used in repairing the Lake Shore drive, and more donations are going to be asked for to help the present fund go as far as it is possible to stretch it. A statement was made in the story which appeared in The Gate City yesterday that this money would not be used. This is not true as there was never any idea but that the money would be applied so far as it will go.

The committee will endeavor to secure still further collections, and will add to the fund already raised. This, with the money from the county and from the city, will make a sum which will help in repairing the road.

Y.W.C.A. NOTES

The Kids Party. The "kids" party held in the gymnasium of the Y. W. C. A. last night from 7:30 to 9:30, proved a most successful affair. Between seventy-five and one hundred girls and members of the committee were present. Most of the girls were children again, coming in children's costumes, playing childhood games as joyously as real kids.

Contests of various sorts were indulged in which caused much merriment. There was a Virginia reel and grand march toward the end of the evening. The march was led by Mrs. T. R. Board and Mrs. P. C. Hayden, members of the gymnasium committee, and ended in a large circle being formed. Pop-corn balls were passed around the circle, also tiny birch bark canoes with "Y. W. C. A." and "Gym" upon them, which the girls kept as favors.

Announcement was made during the evening of the gymnasium schedule and plans of work for the year by Miss Eleanor Brown, chairman, and Miss Elizabeth Nutting, physical director. Much interest is manifested in the work which is to begin October fifth.

Cafeteria Committee. The cafeteria committee meets this afternoon at 2:30 with Mrs. R. F. Meinberg.

Junior Party. Plans are made for the Junior party to be held in the Association gymnasium Saturday afternoon from 2:30 to 4:00 o'clock. This party is open to children from 6 to 16 years of age. There are to be no invitations sent out and the mothers are asked to see that their children get the invitation through this announcement.

Up-Streamers Club. At the business meeting of the Up-Streamers club last night, two new members were voted into the club, Cona Dobson and Emmogene Stice.

BOSTON WINS FIRST GAME FROM GIANTS

New National League Champs Have No Trouble in Opener with McGraw's Players Today.

[United Press Leased Wire Service.] NEW YORK, Sept. 30.—The new National League champs showed the one time leaders how they play the game today. Aided by errors and Rudolph's pitching, the Braves snowed the Giants under, 7 to 1. Connolly had a perfect day at the bat, including two triples.

The Giants' lone score came in the sixth when Meyers was safe on Smith's error. Schauer singled, Beschler flied out, but Doyle singled, scoring Thorpe, who was running for cents per week.

Meyers, Burns beat out an infield hit. The score: Boston . . . 1 3 0 3 0 0 0 0 0 — 7 3 1 New York . . . 0 0 0 0 0 1 0 0 0 — 1 5 4 Batteries—Rudolph and Gowdy; Tesreau and Meyers, Schauer and Johnson.

CHORAL STUDY CLUB IN FIRST CONCERT

Progressive Colored Musical Organization Gives Fine Program Last Evening.

The Violet Choral study club gave their first semi-annual concert last evening at the Masonic hall, Twelfth and Johnson streets, to a large and appreciative audience.

The program was well rendered throughout. The numbers deserving special mention are the piano duet by the Misses Leatha and Cecil Johnson. The choral duet by the ladies' chorus, the reading from Dunbar, "Where Lucy Backslid," by Mrs. L. Watkins, and the ladies' quartet, by the Messdames Edw. South and N. Johnson, and the Misses Marjorie Holbert and Blanche Williams.

The rendition of "Honor and Glory" and the plantation melodies by the club showed best their natural ability and the careful training they had undergone, under the direction of Mrs. C. C. Johnson, who received her earliest musical training in this city, later attended the conservatory of music at Jefferson City, Mo., and having been connected with the choir and choral clubs both in Des Moines, Iowa, and Nashville, Tenn., for the past four years.

The latter afforded an excellent opportunity for the study of the plantation melodies and their unequalled rendition by the various negro choral societies.

A brief and comprehensive review of the early life and history of the club, was given by Mr. C. C. Johnson, who showed how the club, since July 17, 1913, had grown from a membership of twelve to the present membership of forty-six, with its foundation. Mrs. M. J. Lowe, as its first president. The complete program is as follows: Great and Marvellous, Farmer—Violet Choral Study club. Piano duet, selected—Misses Leatha and Cecil Johnson.

Out of the Deep, Lansing—The Club. Soprano solo, Blessed Trinity, Shelby—Mrs. Georgia Caldwell. (a) Mary and Martha; (b) Climbing Jacob's Ladder—The Club. Piano solo, selected—Mr. Ernest Holt. Ladies' quartet—As One This Morn'g Comforteth, Gabriel—Messdames, South and Johnson, Misses Williams and Holbert.

PLAY FIRST GAME AT PHILADELPHIA

World Series to Open at Shibe Park, October 9, National Commission Decides at Meeting Today.

TWO GAMES TO A JUMP

Stallings Not Present and no Efforts Made by Shibe to Secure One Day Stands.

[United Press Leased Wire Service.] PHILADELPHIA, Sept. 30.—The first two games of the 1914 world's championship baseball series will be played at Shibe park in this city the first on Friday, October 9, and the second on Saturday, Oct. 10, the National baseball commission decided at its meeting here today.

Philadelphia Wins on Flip. Philadelphia won on the flip of the coin which settled the city in which the first game should be played. As the plan of playing two games in one city before moving on to the next was adopted in preference to alternating between Philadelphia and Boston playing every other day, the third and fourth games of the series will be played in Boston, Oct. 12 and 13.

The fifth game will be played in Philadelphia Wednesday, Oct. 14, and the sixth the following day at Boston. The seventh game, presuming that the series will go that far, will be decided by flipping a coin.

Stallings Not Present. There was no attempt by President James Gaffney of the Boston team to have the series played in one game stands. Manager Stallings was not present. The first business of today's meeting of the national commission was deciding where the first two games should be played. A quarter, flipped by Connie Mack, decided this point. President Gaffney called "tails" and lost. The coin was then flipped twice more to decide where the fifth and sixth games were to be played.
