SOCIETY

Wedding Date Announced. Mrs. L. E. Miller announces the approaching marriage of her daughter Miss Florence Lurie Miller to Mr. James Gibson Wilson of Minneapolis which will occur on Saturday, Nov. 7.

Mrs. Decker is Hostess. Mrs. A. C. Decker was hostess today at a one o'clock luncheon at her home 817 Grand avenue, in honor of Mrs. Wm. Theophilus and Mrs. James Thomas of Davenport and Mrs. William Lewis of Cincinnati. Covers were laid for sixteen. Auction bridge was played during the afternoon. The luncheon was one of the most delightful of the many recent social functions.

In Honor of Miss Miller. Miss Edna Noelke and Mrs. Harold Bowly entertained eighteen ladies yesterday afternoon at a delightful party at the home of Mrs. A. Noelke, 907 Concert street, in honor of Miss Florence Miller whose approaching wedding is announced. A five o'clock luncheon was served at the close of the afternoon.

O. H. Club Hostess. Mrs. W. H. Temme was hostess to the O. H. club today. A large representation of the club was present. The hostess served delicious refreshments during the afternoon.

Losers Entertain Winners. The Diamonds who were the losers to the Stars in a membership contest in the Lady Maccabees, entertained the winning side at a delightful Halloween party in their hall last night. In the hall the electric lights were shaded with yellow pasteboard jack o' lanterns. The guests were led to the dining room by two witches and two ghosts. The tables were decorated in yellow and black, a diamond shaped centerpiece of flowers was an attractive feature of the table. The place cards had printed on them the fortune of each guest. Jack o' lanterns threw a ghostly light on the tables. An appetizing supper of oyster stew, sandwiches, pickles and coffee was served.

Girls Clubs' Plans. The various girls clubs of the Y. W. C. A. are planning a unique evening affair to be given early in November. It will be a series of tableaux illustrating the advertisements which are so familiar and yet so elusive when you try to guess them. The pictures will be attractively staged and the event promises to be a very pleasant one in the Y. W. C. A. social calendar.

Club to Give Fair. The young people who form the Unity club will give a fair on Friday evening to which the members and their friends are invited. Many countries, America, Japan, Holland, Ireland and others will be represented in a beautiful display. The church parlors will be gaily decorated for the occasion.

Rally Social Tonight. A rally social will be given this evening in the chapel of the First Congregational church, which will be under the supervision of the class of young girls taught by Mrs. Frank G. Beardsley. A short informal program will be given. Miss Greta John will sing and Mr. McFarland will sing several old time childrens songs. The parents of the children who are in the Sunday school are especially invited.

Praise Meeting Tonight. The semi-annual praise meeting of the Woman's Missionary society of the First Methodist church will be given this evening at half past seven o'clock. The meeting is open to the public. Mrs. O. E. King will preside and a miscellaneous program will be given. The special music will be under the direction of Mr. James Young.

Bachelor Feed is Success. Last evening there was a most successful party held by the young men's class of the Baptist church. The young men's class invited two young women's classes of the Sunday school, to be with them and enjoy a bachelor party and feed. All three classes, the young men's class, Miss Phillips'

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a lazy, no-good feeling—you should take Olive Tablets. Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 11 years of study with his patients. Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color. If you want a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause. Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects. They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists. Take one or two nightly and note the pleasing results. The Olive Tablet Company, Columbus, O.

class and Mrs. Merriam's class, have a large membership, and many were present. The decorations were seasonable. Class colors were draped exquisitely from a large canopy in the center of the room to the lights circling the room. These lights were decorated with chandeliers of soft colored paper and gave the room a rich brown glow. Hanging all about the room were pumpkins and lighted moonshines. Corn shocks were used profusely in the decoration, and the camp fires gave a glowing warmth to the whole scene. The effect was very pleasing and added considerably to the enjoyment of the evening. There was one round of activities from the start to the finish of the evening. Games were played in which all could participate and prizes were given for various interesting contests. In a contest with kitchen utensils the boys proved their superior ability, and won the contest. In all the games there was a lively interest shown. In addition to the games there was a brief but snappy program. Miss Russey very kindly gave some amusing selections. Impersonating characters that brought forth much applause. The feature of the evening was the "hoosier" quartet. Their amusing entrance and strange costumes, together with their singing provoked much merriment. Miss Emma Frank gave a few piano selections that were highly appreciated. The bachelor feed, the source of much curiosity, was an ample repast. It abundantly proved the ability of the young men in doing the "heavy" in the kitchen. After flash lights were taken, the party broke up. Everyone felt that it was the event of a life time.

Will Be Entertained. The Young Ladies' society of the St. Paul's German Evangelical church will be entertained at the home of Miss Adelaide Schmidt, 1003 Timea street, Thursday evening. She will be assisted by the following committee: Miss Elsie Bode, Miss Gertrude Bode, Miss Edith Linnenburger, Miss Minnie Off, Miss Alma Bierman and Miss Meta Kummer.

Invitations Received. Intimate friends of the family in this city have received the following invitation: Mrs. James Albert Tower will give in marriage her daughter Elizabeth to Mr. Harvey Green Craig on the Evening of Tuesday, the tenth of November, One Thousand Nine Hundred and Fourteen at half after eight o'clock Fort Madison, Iowa. The honor of your presence requested. At Home after the Fifteenth of December Kansas City, Missouri

Halloween Social. The Christian Endeavor society of the First Methodist Protestant church, corner of Twelfth and Exchange streets, will give a Halloween social in the basement of the church Friday evening. Refreshments of pumpkin pie, doughnuts and coffee will be served. Committee in charge, Mrs. E. LeRoy Steffer, Mrs. W. G. Parsons and Mrs. Joe Foulkes.

Commercial League. The commercial basket ball league recently organized under the auspices of the Young Men's Christian association, physical department, is showing much enthusiasm within its active membership. Each team appears to be much enthused and the coming contest promises to be a very interesting series of hotly contested games. The schedule now in preparation will be very attractive, and will be completed this week.
