

EQUIP MACHINE SHOP THIS WEEK

Government Expects to Start This Week the Installation of Machinery in New Building.

MUCH NEW MACHINERY More Treaties Ordered for Dry Dock Basin—Work on Buildings is Progressing Rapidly.

The installation of the machinery at the new government machine shop building at the dry dock will be started probably some time this week...

Much new machinery will be placed in this building besides which practically all the machinery in the shop now used by the government engineers will be moved to the new building...

With the machine shop building at the dry dock equipped, it will be possible for the government to do all kinds of heavy repair work on the large steamboats on this part of the river...

Major Meigs stated today that he did not believe any great amount of work would be done on boats at the dry dock this winter...

It is probable that one or two boats on which heavy repair work is to be done will be retained in the basin all winter...

HARBINGERS OF REAL WINTER ARRIVE HERE

Five "Sleepers" Show Up at the Police Station Last Night—Four runners of winter.

The cold snap has brought out the first detachment of star boarders at the police station where they are classified as "sleepers"...

Five of them were registered at the Lucas avenue hotel last night, the largest number that have appeared since early last spring...

Steamer is Held.
