

# LORD ROBERTS LAID TO REST

Impressive Funeral Services Were Held Today in St. Paul's and Body Placed in Crypt.

## THE RIDERLESS HORSE

Six Field Marshals, Six Generals and Two Admirals Were the Pall Bearers of the Casket.

[By Ed. L. Koen, United Press Staff Correspondent.]

LONDON, Nov. 19.—England paid its last tribute to "Bobs" today. In a cold drizzle of rain, thousands stood reverently uncovered, as the funeral cortege of Lord Roberts moved through the streets from the Charing Cross station to St. Paul's where the funeral services were held. The vast crowd rivalled a coronation throng. Thousands of Belgian refugees, stood uncovered with Englishmen as the casket wrapped in a union jack and mounted upon a gun carriage passed by toward the last resting place of Britain's most illustrious soldier.

Six field marshals, six generals and two admirals were pall bearers. King George, the cabinet ministers and representatives of President Poincaré of France, the czar, the mikado and King Albert of Belgium attended the funeral, as well as representatives of both houses of parliament. With family services at All Saint's church, Ascot, the body of Lord Roberts was conveyed to the station on the gun carriage in the defense of which his son lost his life at Colenso. Arriving at Charing Cross at 10:30, the procession then moved to St. Paul's with the full field marshal's escort, approximately 8,000 men of all branches of the service. The shadow of war, for which "Bobs" so urgently pleaded that England be prepared, was upon the cortege. All soldiers were clad in their khaki service uniforms. The escort included Canadian and Indian troops, all marching with arms reversed and to the dirges of muffled bands.

Atop the flag draped casket of the late field marshal, rested his plumed hat, his sword, medals and decorations.

Following the gun carriage came "Bob's" favorite charger, shrouded in a black net and with the boots of the late commander reversed in the stirrups.

Bag pipers and muffled bands followed with the escort. As the procession passed St. James park, an artillery salute boomed out. The route was along Northumberland avenue and the Victoria embankment, and then up Ludgate hill to St. Paul's.

There were but few wreaths but they included offerings from the king, Lord Kitchener, General Sir John French, General Joffre and the Belgians.

The pallbearers, representing England's most distinguished men in the service, were: Field Marshal Lord Kitchener, secretary of war; Field Marshal Sir Evelyn Wood; Field Marshal Lord Grenfell; Field Marshal Lord Methuen; Field Marshal Sir William Nicholson; General Sir James

## RHEUMATISM GOES IF HOOD'S IS USED

The genuine old reliable Hood's Sarsaparilla corrects the acid condition of the blood and builds up the whole system. It drives out rheumatism because it cleanses the blood thoroughly. It has been successfully used for forty years. For rheumatism, stomach and kidney troubles, general debility and all ills arising from impure blood, Hood's has no equal. Get it from your nearest druggist today.

Hills-John; General Sir Robt. Bid-dulph; General Sir Alfred Gaske; General Sir Arthur Reginald Egerton; General Sir Archibald Hunter; Admiral Lord Charles Beresford and Admiral Sir Michael Seymour. The funeral service began at 12 o'clock and included reading of the Episcopal service, beginning: "I am the resurrection and the life," the Twenty-Third Psalm and the rendering of "Peace, Perfect Peace." As the strains of Chopin's funeral march died away, the services were concluded by the artillery trumpeter sounding the last post. The cathedral was closed until two o'clock when the doors were reopened. The body of "Bobs" then lay in state until five o'clock when it was interred in a crypt near those containing the bodies of Nelson and Wellington.

## C. W. PETERS' WIFE CLAIMED BY DEATH

Demise of Prominent Fort Madison Woman Occurs at Her Home Yesterday Following Short Illness.

Fort Madison Democrat: After being ill but a few weeks, and without the least thought on the part of members of the family or friends that death would claim her, Mrs. C. W. Peters, a resident of this city since her second birthday, died at her home, 1024 1/2 Front street, today at 1:00 p. m., at the age of 67 years, one month and twenty-two days. The deceased was taken sick a few weeks ago while visiting her daughter, Mrs. Martha Morrison, in Chicago. The sickness was not considered serious and she was able to return to her home in this city. A few days ago her condition became worse, but yesterday she seemed to be improved and then the sudden change for the worse culminated in death at one o'clock this morning.

The decedent was born in Zanesville, Ohio, September 26, 1847, and came to this city with her parents when a baby of two years. Since that time she has been a constant resident of this city. In disposition she was a sweet lovable woman, esteemed and held in high regard by all who knew her. Her home life was admirable and in her death has been lost a noble wife and a loving, worthy mother.

Mrs. Peters was a member of the Presbyterian church of this city, and had always taken a faithful part in the service of the church.

She is survived by her husband, C. W. Peters, two daughters, Mrs. Valteria Munsell, of this city, and Mrs. Martha Morrison, of Chicago, and one sister, Mrs. Fannie Alley, of Burlington. Her one son, Oscar, was accidentally killed twenty-three years ago while on a hunting expedition on the river.

## POULTRY BULLETIN HAS BEEN ISSUED

Warning is Given to Guard Against Tendency to Monopoly of Poultry Packing as in Other Lines.

In an effort to guard against a tendency towards monopoly of the poultry packing industry and to prevent its falling into the hands of a few big interests as has happened to the beef packing industry, the department of agriculture has just issued a warning to chicken raisers to give encouragement and support to local poultry packing industries in all parts of the country.

"There is danger, poultry specialists of the department feel, that the poultry industry will become as highly centralized as the beef industry in a few distant packing centers," the department warns. "In this event, just as the farmer with a few beef cattle to dispose of had to seek a market several hundred miles away or deal through local commission men or agents who will buy live cattle, chicken raisers, unless local poultry dressing and refrigerating establishments are maintained, will have to dispose of their product for live shipment to Chicago and other centers.

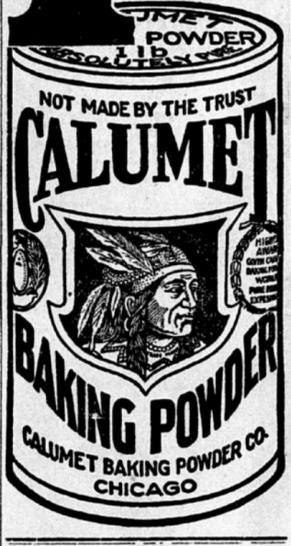

From the point of view of the consumer, the department says, the tendency to ship live poultry long distances by rail is decidedly wasteful. Poultry shipped four hundred or five hundred miles, even under the best conditions of transit, loses an average of thirty percent in weight, the department's specialists compute. Chickens that have traveled long distances by rail reach the killing centers in much worse condition than those which are sent a few miles. Besides the additional cost of feeding is an important item.

The department specialists, therefore, are encouraging dressed poultry producers not to centralize their slaughtering establishments, and instead of erecting one \$30,000 plant to draw from a territory with a large radius, are advising them to build instead three \$10,000 packing plants in

## First in Everything

First in Quality First in Results First in Purity First in Economy and for these reasons Calumet Baking Powder is first in the hearts of the millions of housewives who use it and know it. RECEIVED HIGHEST AWARDS World's Pure Food Exposition, Chicago, Illinois, Paris Exposition, France, March, 1912.

three different centers, each looking to a supply from a territory with a smaller radius that assures live chickens in excellent condition. "Under this plan," the department states, "the poultry packed and shipped is not only in better condition, the experts believe, but in addition, the three districts benefit by the investment and permanent location of an industry, and these industries in turn react favorably on poultry production in that territory."

Declare War on Colds. A crusade of education which aims "that common colds may become uncommon within the next generation" has been begun by prominent New York physicians. Here is a list of the "don'ts" which the doctors say will prevent the annual visitation of the cold:

- "Don't sit in a draughty car." "Don't sleep in hot rooms." "Don't avoid the fresh air." "Don't stuff yourself at meal time. Over-eating reduces your resistance." To which we would add—when you take a cold get rid of it as quickly as possible. To accomplish that you will find Chamberlain's Cough Remedy most excellent. Sold by all dealers.—Advertisement.

To Conserve the Apple. SPOKANE, Wash., Nov. 19.—Representatives of growers' associations and commercial organizations gathered here today for the purpose of forming the Central By-products association.

The delegates are spending as much time as possible visiting the National Apple Show which opened here Monday. —Read The Daily Gate City.

## OLD MAN WINTER BLOWS INTO TOWN

Sudden Drop in Temperature is Felt by People of Keokuk When Thermometer Hits Six Above Zero Peg.

## MONTH HAS BEEN COLD

Weather Records Show That Below Zero Temperature Was Reached at One Time During Month Some Time Ago.

Keokuk awoke this morning to the realization that, somebody had left the door towards Medicine Hat open, and that Old Man Winter was doing his annual entrance stunt. Although the time of year for the old gent to be around, people have been so used to Indian summer days that the sudden chill from the northwest caused a hurry up call on the quartermaster's department. Overcoats and gloves were routed out in a hurry, and caps that protected ears were being sought for by all the household.

The official thermometer at the weather bureau registers six degrees above zero as the lowest temperature last night, while thermometers on "our back porches" and "in front of the fire stations" registered all the way from 2 to 10 degrees. Everybody talked about the sudden cold weather today. The army that Old Man Winter hurled against the citizens took first place over the kaiser's, or the king's, or the czar's troops.

And even at that, the temperature is not the coldest that little old November can boast of. The weather man said he remembered once, when it went to about four below zero during the month which boasts of elections and Thanksgivings.

The drop in temperature in Keokuk last night was 25 degrees, according to the weather report issued today. The maximum yesterday was 44. Saturday was conducive to straw hats, so naturally the cold is felt more at this time.

While the shift in temperature was a sudden one, it is evident that people were not wholly unprepared. There were calls for aid at the various charitable institutions. It is reported that some of the stock suffered last night because the owners were wholly unprepared for the change. Water pipes were frozen as an incident to the sudden cold snap, and clothing merchants were quite popular this morning.

Tonight, if you feel dull and stupid, or bilious and constipated, take a dose of Chamberlain's Tablets and you will feel all right tomorrow. For sale by all dealers.—Advertisement.

## MANY FAIRS DRAW MONEY FROM STATE

Report from Assistants in Department of Agriculture Shows That Ninety are Helped.

Iowa paid \$20,922.49 as state aid to county fairs during the 1914 season, according to the report of the department of agriculture. There were ninety fairs held during the summer, a decrease of one since 1913. An increase was indicated early in the year but a number of the expositions were cancelled owing to the inclement weather which followed the state fair.

In 1913 the state paid \$20,175 to aid the county fairs. The counties which held no fairs during the past season were Appanoose, Cherokee, Clarke, Dallas, Decatur, Des Moines, Dubuque, Emmet, Floyd, Franklin, Fremont, Hamilton, Howard, Ida, Lucas, Madison, Marion, Montgomery, Osceola, Palo Alto, Plymouth, Polk,

## The Spirit of Public Service

When the land is storm-swept, when trains are stalled and the wagon roads blocked, our repairmen must keep the telephone highways open. These men face hardship and danger, because they realize that snow-bound farms, homes and cities must be kept in touch with the world. This same spirit of public service animates the whole organization. It is found not only in our linemen and repairmen, but even in the girls at the switchboard, who, on countless occasions, have proved themselves heroines in times of emergency.

In response to the telephone needs of the public, this company has grown to be a large organization. But mere size should not be considered a sin nor business success a crime. A corporation that renders big service to the public must be big and prosperous or the public will suffer because of poor service and poor pay-rolls.

"Big Business" means big salaries—yes—but it also means big men, big brains, broad-minded policies, intelligent organization, proper supervision, and big service to the people. Big business, properly conducted and regulated, means better service to the public at less cost.

"We Advertise So That the People May Know." IOWA TELEPHONE COMPANY

Ringgold, Scott, Union, Washington.

The state aid is distributed on the basis of 40 percent of the first \$500 paid out in premiums exclusive of speed purses, and 10 percent on the next \$1,000 in premiums. The maximum any one fair may draw is \$300, but no county is limited in the number of fairs. Black Hawk, Calhoun, Chickasaw, Henry, Jones, Lee, Linn, Marshall, Muscatine, O'Brien, Page, Poweshiek counties each held two fairs, while Clayton and Iowa counties had three each.

## CAN'T SHIP LIVE TURKEY IN MAILS

Post Office Department Has Some Protection Against Sending Thanksgiving Dinners.

An admonition has been given out by the local post office authorities to senders and receivers of parcel post packages with Thanksgiving dainties enclosed. Perhaps all remember the story of the opossum, who was supposed to be dead and was going to be sent to the president for his Christmas, but to tell the truth the opossum was only playing possum, and then there was trouble with the village postmaster.

However, to come down to brass tacks, it should be clearly understood that no live game or live turkeys or chickens can be sent through the mail. Be sure that your turkey or your duck isn't playing possum and be sure that his little heart has stopped beating. To make certain of this it is a wise plan to stuff him before you send him away, for a stuffed turkey seldom comes to life. A warning is also issued as to the packing of the "feast." Care should again be exercised here, make sure that the package is strong and in no danger of falling apart as the result of a little bumping. Do not be afraid to use

## SAVE YOUR HAIR! IF FALLING OUT OR DANDRUFF--25 CENT DANDERINE

Ladies! Men! Here's the quickest, surest dandruff cure known.

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp, of dandruff—that awful scurf. There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—anytime—will surely save your hair.

Get a 25 cent bottle of Knowlton's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance; an incomparable gloss and softness, but what will please you most will be after just a few weeks' use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

plenty of rope and string and a stout box. Should a package containing live game be found in the mails, both the sender and the receiver are liable to a fine of \$200, so be careful as to the condition of your shipment.

## WARREN.

W. A. Hennies and family spent Sunday in Keokuk. Mr. B. B. Herron and sister visited at the M. F. Dumenil home, Thursday, where they bade farewell to their niece, Miss Marie Herron, who was suddenly called to her home in Monrovia, California, by the illness of her mother. While visiting here the past year Miss Marie has gained friends who will be sorry to hear of her departure.

Mrs. S. G. Robinson returned home from Bowling Green, Mo., Friday evening, where she has been receiving medical treatment. She comes improved in health.

Mr. and Mrs. Geo. Green returned from an extended visit with their daughter, Mrs. LeRoy Wenzel, of Lincoln, Neb.

L. R. Anthony and W. N. Dresser attended a sale near Montrose Thursday. Mr. and Mrs. Charles Warren have been entertaining the latter's brother and wife, the past week, from Nebraska.

Mrs. Elizabeth Latta returned to her home in Donnellson, Saturday, after a few week's stay with Grandma McAndrews. The latter passed her eighty-fourth milestone November 10. Mrs. Rolla Newcomb entertained Miss Estella Sollars Saturday.

Mrs. W. L. Henkle returned to her home in Fort Madison Saturday evening, after a few days spent here.

Geo. Ott and wife enjoyed a visit recently with their daughter, Mrs. M. M. Russell and family, of Stockport, and Mrs. E. VanEtten of Mt. Sterling.

Suff's Annual Convention. SCRANTON, Pa., Nov. 19.—With Mrs. Frank Roessing, of Pittsburgh, presiding, the forty-sixth annual convention of the Pennsylvania Suffrage association was opened here today. Sessions will continue until the night of November 24. Determined efforts have been made in the state to win the ballot for the

## IS IT YOUR KIDNEYS?

Don't Mistake the Cause of Your Troubles. A Keokuk Citizen Gives a Valuable Hint.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is where danger often lies. You should realize that these troubles often lead to dropsy or Bright's disease. An effective remedy for weak or diseased kidneys is Doan's Kidney Pills. Read the experience of a resident of Keokuk who has tested Doan's.

Mrs. Lina Sommer, 827 High street, Keokuk, says: "Doan's Kidney Pills have been used in our family and have proven very effective in removing backache and pain and tameness in the loins, caused by disordered kidneys." Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Sommer recommends. Foster Milburn Co., Props., Buffalo, N. Y.

## Corns Quit, Pains Stop, With "GETS-IT"

Quit Plasters, Salves and What-Not. After using "GETS-IT" once you will never again have occasion for asking, "What can I do to get rid of my corns?" "GETS-IT" is the first sure, certain corn-ender ever known.

If you have tried other things by the score and will now try "GETS-IT," you will realize this glorious fact. You probably are tired sticking on tape that won't stay stuck, plasters that shift themselves right onto your corn, contraptions that make a bundle of your toe and press right down on the corn. Put two drops of "GETS-IT" on that corn in two seconds. The corn is then doomed as sure as night follows day. The corn shrivels. There's no pain, no fuss. If you think this sounds too good to be true, try it tonight on any corn, callus, wart or bunion. "GETS-IT" is sold by druggists everywhere, 25c a bottle, or sent direct by E. Lawrence & Co., Chicago. "GETS-IT" is sold in Keokuk by Englehardt & Co.

Scene from The Isle of Smiles. "Star Songsters and Dancing Darlings," at the Hippodrome tonight.
