The Answer to the Clothes Problem

Think what you pay for an ordinary suit or coat, then consider the price of a Wooltex. There would be no difference as far as dollars and cents go, for with all their superior qualities Wooltex garments are no higher priced than the ordinary kind.

But Here's a Difference Worth Your Consideration

To begin with, every Wooltex garment is built of all-wool fabrics chemically tested; skilled men tailors make the workmanship perfect—it must be so or the garment doesn't leave the factory.

And every garment carries with it an individual guarantee of two full season's service.

It needs no pencil and paper, no perplexing deduction to prove to the clever and economical woman that the vast difference is in favor of Wooltex.

FURS! FURS!! FURS!!!

We are now showing a splendid line of Furs in all the season's newest styles. Beautiful Fur Sets in great variety. Separate Muffs and Scarfs in all grades. You will find our assortments the best and our prices the lowest in the city. Buy now.

—A special venire of twenty-five was drawn last night at Fort Madison by Recorder Vaughn, Clerk Hart and Auditor Meyer. The jurors will be used in the trial of the Wismath Packing company against the Mississippi River Power company. They will continue to serve through the remainder of the term.
—The Home Economics school to be conducted by Miss Peet for The Gate City next week in the Masonic Temple banquet room is not a scheme or a contest, but has for the object "better foods, better homes." This is a high class proposition and is complimentary to the ladies of Keokuk and The Gate City feels absolutely the ladies will be not only interested but pleased with the school. If The Gate City did not firmly believe it, this paper would not endorse it. So do not fail to attend the school which opens at the Masonic Temple banquet room next Monday afternoon at 2:30 and continued during the week—Saturday excepted. No charge for admission. Nothing offered for sale. It is a real treat for the ladies.
