KEOKUK HIGH IS WINNER OF FINAL

Defeats Hamilton in Scrappy Game by Score of 14 to 7, Tallying Twice in Second Period.

ROWE INDIVIDUAL STAR

Fleet Halfback of Local Team Shines in Offensive Work—Mattice and Morrison for Hamilton.

It was last down with a yard to go, that a black jerseyed player fought his way over the coveted chalk line and planted the ball directly between the goal posts. The player was Drummond, captain of the Keokuk squad, and his downing of the ball between those two uprights was as momentous to the purple and white rosters, as was Columbus' action in kneeling upon the sands of a new found country. For Keokuk had scored for the first time in the season of 1914. Their string of shut-outs was shattered, and a moment later when Meador recovered the ball behind the Hamilton goal, victory was brought to the local banners for the first time during the entire schedule. Keokuk rooters went wild with joy when Drummond scored; and Meador followed a short time afterwards. Even the fact that this was a fluke failed to dampen their spirits.

The breaks of the game remained with the locals during the remainder of the contest, and they were able to stem the tide of invasion, although Hamilton threatened more than once to tie the score. A big bonfire was held last night, and the high school students had a chance to do some real thanksgiving.

Hamilton played a scrappy, gingery game, and it looked on several occasions as though the Illinoisan would score. Their tally came in the first quarter when a long forward pass to Mattice sent that gentleman over the Keokuk goal line. It happened right after the game had started and the rooters began to wonder if the fluke was to stay with the locals.

For Keokuk, Rowe was the most consistent player and gainer. His of feasive work was of the best he has yet displayed, and time and again the sidelines echoed with his name. Strickler, Meador and Drummond played their usual good game. Mattice and Morrison, the latter particularly shining as a ground gainer, were the offensive stars of the visitors. Big Derkson, the Hamilton center, was a defensive power.

How They Scored. Hamilton kicked off. An intercepted forward pass went to nagilton, and the ball changed hands again on the ten yard line. Meador was forced to kick, and sent the ball down the field. A long forward pass sent Mattice over with the first touchdown and Renshaw kicked goal.

Keokuk started down the field with the ball, and a pass to Hancock together with line bucks, brought the ball to the one yard line when the first quarter ended. The teams changed goals, and Drummond, carrying the ball, went over for the touchdown. Meador kicked goal.

A forward pass from Hamilton was intercepted by Hancock. Keokuk fumbled but Meador recovered the ball back of the goal line, and kicked another goal. This ended the scoring. Hamilton tried to recover this touchdown by working a double pass, which netted thirty-five yards easily.

Attacks of Indigestion

"I believe Chamberlain's Tablets have saved my life," writes Mrs. Maggie Coit, Golden City, Mo. "I had pains in my stomach so bad I thought I could not live. Our doctor said it was congestion of the stomach. I would go to bed perfectly well and wake up in the night as bad as I could be and live. Our doctor said it would do no good to give medicine internally. He had to inject medicine in my arm. Since taking Chamberlain's Tablets I can eat anything I want without hurting me." This form of indigestion is extremely painful and often dangerous. By taking Chamberlain's Tablets after eating, and especially when you have fullness and weight in the stomach after eating, the disease may be ward off and avoided. Chamberlain's Tablets not only aid digestion, but strengthen and invigorate the stomach.

and especially when you have fullness and weight in the stomach after eating, the disease may be ward off and avoided. Chamberlain's Tablets not only aid digestion, but strengthen and invigorate the stomach.

They lost on downs, however. Rowe ran 45 yards through a broken field, but the visitors cut off a forward pass, and the half ended with the ball in midfield.

Hamilton the Aggressor. In the third period Hamilton lost the ball on the two yard line. Drummond, Strickler and Rowe by some brilliant runs brought the ball to the middle of the field. An incompleated forward pass lost the ball as the quarter ended.

Hamilton was aggressor in the last period. The old double pass was worked again, and coupled with forward passes, and Morrison's steam roller running gave Hamilton a chance to score. Drummond was laying for the forward pass however and grabbed it. It was Keokuk's ball when time was called.

Navy off for Quaker City. [United Press Leased Wire Service.] ANNAPOLIS, Md., Nov. 27.—Under charge of Lieutenant Commander Roger Williams, the navy football squad, numbering about fifty, were on their way to Philadelphia at 8:30 today. Carrying with them their precious goat mascot to take which they had to get official permission from the interstate commerce commission, Pennsylvania railroad heads and Delaware and Pennsylvania authorities, the Navy rooters will leave early tomorrow.

Miners Win Title. [United Press Leased Wire Service.] DENVER, Colo., Nov. 27.—A Thanksgiving day game won the Rocky mountain intercollegiate A. C. for Colorado School of Mines. The eleven went through the season undefeated, while their nearest rivals lost a game each. Colorado University beat Colorado College 10 to 7; then the Mines beat Colorado U. 6 to 2. Yesterday the Mines played Colorado College to a 7 to 7 tie.

Yookam Wins Decision. [United Press Leased Wire Service.] CRIPPLE CREEK, Colo., Nov. 27.—1,500 fight fans saw Stanley Yookam, "the human gorilla," earn a decision over Joe Madison here last night in the eighth round of a scheduled fifteen round bout. Madison was knocked down twice in the eighth round, once for the count of nine and once for five seconds. The referee awarded the battle to Yookam.

52 on Army Squad. [United Press Leased Wire Service.] WEST POINT, N. Y., Nov. 27.—Fifty-two strong, the Army football squad left here at 8 o'clock for Philadelphia.

Holds Goal Kick Record. [United Press Leased Wire Service.] ALLIANCE, Ohio, Nov. 27.—Lloyd Blitzer, right end of the Mount Union college football team of Alliance, probably holds the world's record today. He kicked his thirty-seventh successive goal following a touchdown, including ten yesterday and did not miss a try all season.

Langford Scores Knockout. [United Press Leased Wire Service.] LOS ANGELES, Calif., Nov. 27.—Exit another hope in the person of Harry Wills, New Orleans. Wills punished Sam Langford badly in early rounds of last night's battle, but couldn't go the limit. In the fourteenth round he went down for a knockout before Langford's rapid fire left.

Too Busy to Visit. [United Press Leased Wire Service.] WILLIAMSTOWN, Mass., Nov. 27.—Plainly showing the results of his complete rest, President Wilson today held to his determination to leave for Washington late this afternoon, despite urgings by his bowler and her husband, Francis Bowles Sayre, to remain for the rest of the week. The president felt the press of business would not permit him.

HARTER WINNER IN THREE RACES

Driver of Buick Eastably Wins First Honors in Automobile Races at Fair Grounds Track

NOVELTY RACE FEATURE

No Banks on Turns Makes Time Slow—Van Ausdall Winner in Interesting Novelty Race.

Lester Harter, driving a Buick, easily won first honors in yesterday's automobile races at the old fair grounds track by finishing at the front in all three races in which he started. He won first in the ten mile race, first in the two and a half mile free for all, and tied for first with Art Erickson in the one mile free for all. His average speed in all three races was clocked in exactly the same time, 49.9 miles per hour.

While the speed made on the track yesterday was not great, it is considered very good for the conditions under which the races were run. The track is a half mile dirt path and the turns are not banked. It was necessary for the drivers to shut down on the turns. The light cars that were able to pick up quickly were the ones that made the best time.

One of the features of the program was the half mile novelty race, won by VanAusdall, driving a Ford. Each of the three cars entered carried five passengers, including the driver. On the track at intervals of 200 feet were barrels. In making the race, it was necessary for the driver to stop at each barrel, and all five passengers get out of the car and run around the barrel before continuing around the track. The winner's time in this even was one minute, forty-five seconds for the half mile.

It was estimated that 1,200 people attended the races.

Following are the results of the events:

1 Mile Free for all.
Harter, Buick, 58 seconds.
Erickson, Regal, 58 seconds.
Carbelle, Overland, 51 seconds.
Williams, American, 51 seconds.
Average, 49.9 miles per hour.

2 Mile Touring Car.
Williams, American, 3:12.
Hemingway, Studebaker, 3:32.
Average, 36 miles per hour.

2 1/2 Mile Free for all.
Harter, Buick, 3:42 1-5.
Erickson, Regal, 3:47 1-5.
Carbelle, Overland, 3:52.
Williams, American, 3:56.
Average, 49.9 miles per hour.

10 Mile Race.
Harter, Buick, 14:40.
Carbelle, Overland, 15:21.
Erickson, Regal, 15:27.
Average, 49.9 miles per hour.

2 Mile Motorcycle Race.
Frankenfield, Harley-Davidson, 3:14 1/2.
Lafavre, Indian, 3:49.
Average, 37 miles per hour.

Novelty Race.
VanAusdall, Ford, 1:45.
Hemingway, Studebaker, 1:47.
Wilcox, Ford, 1:52.
Starter: Ed Johnson.
Judges: Dr. Harter, Harry Deltz, Roy King, George E. Lock, J. D. Eckler.

Guarding the President. [United Press Leased Wire Service.] WILLIAMSTOWN Mass., Nov. 27.—Sheriff Hyman W. Walden continued his all night vigil at the Sayre cottage last night. When the sun rose today and the gateway service men met Walden at the gateway, they couldn't tell at first whether the sun was in the east or west. Then they discovered the blaze in the west was merely the sun's reflection in the resplendent new badge, pinned conspicuously on Walden's overcoat. He proudly announced he had cast aside the old rectangular one when friends presented him with the large star-shaped new badge made especially for this occasion.

When questioned by the newspaper men, he admitted the night had been right smart quiet, with no signs of suspicious characters lurking in the shadows.

Iowa Supreme Court Decisions. [Special to The Gate City.] DES MOINES, Nov. 27.—Bank vs. Fitzgerald, appellant, Dallas county, reversed.

Anderson vs. Engwall, appellant, Polk county, reversed.
Steltzer vs. C. M. & St. P. R. R., appellant, superior prey, reversed.

THREE YOUNGSTERS SIGNED BY KEOKUK

Boyle Puts Over Deal That Gives the Indians Two Men From Michigan State League Club.

GET SECOND BASEMAN

Swick, Heady Player, Heavy Hitter, and Covers Lots of Ground—Gets St. Louis Semi-Pro.

Boss Boyle has just concluded a deal whereby the Indians will get two men from the Cadillac, Michigan State league club. The men are Swick, a second baseman, and Eggleston, a catcher. According to a letter received from Boyle here today the latter is but 20 years old, is six feet, two inches tall, and a fast man. In 1913 with the Cadillac club he hit .304 and did about that well last season. He has had but two years experience. "From what I can learn, he should make us a good man," says Boyle. "I am going to make a first baseman out of him and use him also as a change catcher."

Swick, the second baseman, is said by Boyle to be a clever fielder and a heady player. In 1913 he hit .297 in 121 games, including 17 two base hits, 13 three base hits, and one home run. He had more fielding chances than any other second baseman in the circuit, showing that he gets over the circle.

Boyle also has signed a young semi-pro infielder from St. Louis by the name of Hollicher. He is touted as being the best in the semi-pro ranks in that city.

Besides these men Boyle has strings on quite a number of other youngsters, some of whom have worked only in semi-pro ranks before. The names of these men will not be given out by Boyle until later.

Other clubs about the circuit also are busy securing men. Hayden at Burlington, already has over ten men as prospects for next season. Andrews had signed most of his last year's team before the recent meeting at Burlington. He also has a string of young players. Egan has signed five of the men who worked under him last year. Little has been heard from Hough or Richards.

Rates Are All Right

[United Press Leased Wire Service.] WASHINGTON, Nov. 27.—The present adjustment of rates from Houston, Texas, St. Louis, Kansas City and New Orleans to Arkansas stations are not unduly prejudicial to the latter three points, the interstate commerce commission ruled today. Complaint was made by the Houston chamber of commerce.

Uric Acid In Meat Brings Rheumatism

Says a little Salts in water may save you from dread attack.

Rheumatism is a well-known authority to cure, states a scientist who has kept the feet dry; avoid exposure; eat less meat, but drink plenty of good water. Rheumatism is a direct result of eating too much meat and other rich foods that produce uric acid which is absorbed into the blood. It is the function of the kidneys to filter this acid from the blood and cast it out in the urine; the pores of the skin are also a means of freeing the blood of this impurity. In damp and chilly cold weather the skin pores are closed thus forcing the kidneys to do double work, they become weak and sluggish and fail to eliminate the uric acid which keeps accumulating and circulating through the system, eventually settling in the joints and muscles causing stiffness, soreness and pain called rheumatism.

At the first twinge of rheumatism get from any pharmacy about four ounces of Jad Salts; put a tablespoon in a glass of water and drink before breakfast each morning for a week. This is said to eliminate uric acid by stimulating the kidneys to normal action, thus ridding the blood of these impurities.

Jad Salts is inexpensive, harmless and is made from the acid of grapes and lemon juice, combined with lithia and is used with excellent results by thousands of folks who are subject to rheumatism. Here you have a pleasant, effervescent lithia-water drink which helps overcome uric acid and is beneficial to your kidneys as well.

SAGE TEA KEEPS YOUR HAIR DARK

When Mixed with Sulphur It Brings Back Its Lustre and Abundance.

Gray hair, however handsome, denotes advancing age. We all know the advantages of a youthful appearance. Your hair is your charm. It makes or mars the face. When it fades, turns gray and looks dry, wispy and scraggly, just a few applications of Sage Tea and Sulphur enhances its appearance a hundred fold.

Don't say gray! Look young! Either prepare the tonic at home or get from any drug store a 50-cent bottle of "Wyeth's Sage and Sulphur Compound." Thousands of folks recommend this ready-to-use preparation, because it darkens the hair beautifully and removes dandruff, stops scalp itching and falling hair; besides, no one can possibly tell, as it darkens so naturally and evenly. You moisten a sponge or soft brush with it, drawing this through the hair, taking one small strand at a time. By morning the gray hair disappears; after another application or two, its natural color is restored and it becomes thick, glossy and lustrous, and you appear years younger.
