PUBLICATION NOTICE.
 There will be no issue of The Daily Gate City Christmas day—following a custom long ago established. Owing to the fact that Christmas this year falls on Friday and no issues of The Gate City are published on Saturday, the management has decided it will be too long for the patrons of this office to be without their favorite newspaper from Thursday evening until Sunday morning, and it has been decided to overcome this long interval by printing a noon edition next Saturday only. The regular issue will appear Sunday morning as usual. Merchants who have advertising announcements and parties who have news items for the Saturday noon edition must have their copy in the office not later than Friday afternoon, 4:00 o'clock.
