Iowa Needs Advertising

[From the Ottumwa Courier.]

The state legislature is asked in a bill now before it, to appropriate the sum of \$125,000 for an "Iowa building" and exhibit at the Panama-Pacific exposition which is to be held in San Francisco commencing next month and lasting very nearly throughout the remainder of the year.

show agricultural products such as no other state or nation in the world can surpass. Iowa can show horses, and mules that the biggest breeders would be glad to get hold of especially in view of the European demands growing out of the war.

WOMAN MURDERED IN HOSPITAL

Her Husband Took Bichloride of Mercury After Slaughtering Her Throat.

HOUSTON, Texas, Jan. 28.—Blood trickling under the door of a room at the Baptist sanitarium here today was the first intimation nurses had that Mrs. Snyder, 42, had cut the throat of his beautiful wife, and then had taken bichloride of mercury. She was found dead. Snyder, said to be the son of a millionaire Pittsburgh oil operator, is dying.

WAS BAD NIGHT FOR BIG FIRE

With Mercury Down Below Zero, Firemen Had Hard Time Fighting the Blaze.

CHICAGO, Jan. 28.—While the temperature touched two degrees below zero, half a dozen families were routed from their beds and driven to snow-covered streets in their nightclothes early today by a fire which did \$65,000 damage to the Guadiana Paper Stock company's building at 757 West Taylor street, and spread to an adjoining apartment building in De Koven street.

Over-Heated Furnace. ALTON, Ill., Jan. 28.—Fire starting from an over-heated furnace here last night gutted a three-story business and dwelling block. Loss \$40,000. The freezing of water in the fire plugs hampered the firemen.

SURGICAL MAGNETS.

PARIS, Jan. 28.—In the hospitals of France magnets have been developed that will draw fragments of shrapnel to the surface from a depth in the flesh of even six inches, and steel-jacketed bullets have been drawn out from a depth of more than two inches.

At the Invalids' Hotel in Buffalo, N. Y., are many of wonderful electric machines, high frequency currents, X-ray, violet rays. Then Dr. Pierce has equipped the Sanitarium with every known device to aid the sick and in the Surgical Department every instrument and appliance approved by the modern operator.

Dr. R. V. Pierce, nearly half a century ago, devised and used two prescriptions which were almost unfailing. They were made without alcohol or narcotics, extracted from roots and herbs by using pure glycerine and the ingredients are made public.

Dr. Pierce's Golden Medical Discovery is a tonic and blood purifier that cures pimples, blotches, sores, humors, eruptions and diseases of the skin.

Nothing stands as high today in the estimation of thousands of women as Dr. Pierce's Favorite Prescription—this is a soothing nerve which cures the functional derangements and painful disorders of women. For girls about to enter womanhood, women about to become mothers and for the changing days of middle age Dr. Pierce's Favorite Prescription should always be on hand.

Write Dr. Pierce, Invalids' Hotel, Buffalo, N. Y., for free 136-page book on woman's diseases. Every woman should have one.
