BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS

Cleanses the little liver and bowels and they get well quick.

When your child suffers from a cold don't wait; give the little stomach, liver and bowels a gentle, thorough cleansing at once. When cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat give a good dose of "California Syrup of Figs," to evacuate the bowels, no difference what other treatment is given.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today, saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeits sold here. Get the genuine, made by "California Fig Syrup Company."

The captivating individuality of Redfern Corsets is not at all lessened by their unusual variety. The most discriminating, even fastidious woman may find in their beauty of materials and pliancy of trimmings not only what she fancies, but, as they are made in both Laced-back and Laced-front models, she is sure to find exactly what her figure requires. And she is sure to find it at the price she wants to pay.

GEORGE WASHINGTON.

Soldier and statesman, rarest union; High poised example of great duties done Simply as breathing, a world's honors worn As life's indifferent gifts to all men born; Dumb for himself, unless it were to God, But for his barefoot soldiers eloquent Broad-minded, high souled, there is but one Who was all this, and ours and all men's—Washington. —James Russell Lowell.

"Fortissimi Sunt Belgae." See how great Julius Caesar's hand hath writ Of a young nation struggling to arise. Long centuries pass; still, while she bleeds and dies, His judgment stands. Time dims no word of it. —Helen Coale Crew in the Outlook.
