A WISH. "May every soul that touches mine— Be it the slightest contact, get there from some good, Some little grace, one kindly thought, One inspiration yet unfeigned, one bit of courage For the darkening sky; one gleam of faith To brave the thickening mists of life. One glimpse of brighter skies beyond the gathering mist, To make this life more worth while, And heaven a surer heritage."

Men Pay Homage to Mother's Friend

"I am not surprised to observe the number of men who come into the store to purchase 'Mother's Friend,'" remarked a leading druggist. It is a happy thought to send a hussy to the drug store. 'Mother's Friend' is applied externally over the abdominal muscles. It is a gentle, soothing lubricant, penetrates to the fineness of nerves beneath the skin and has a marked tendency to relieve the muscular strain to which these broad, flat abdominal muscles are subjected. The cords, tendons and ligaments are thus permitted to stretch without the corresponding surface strain so often involved during the period of expectation. This in part accounts for the entire absence, in many cases reported, of nausea, morning sickness and other distresses, such as laceration of the epidermis so often the case when this gentle form of lubrication is neglected. 'Mother's Friend' has been highly recommended by a host of women who know from experience and by men who know from observation. Write Bradford Regulator Co., 208 Lamar Bldg., Atlanta, Ga., and we will send you a valuable little book to expectant mothers.

The credit for the success of the party is due to the committee, which included Mrs. John N. Hueston, Mrs. O. S. Stanbro, Miss Alexine L. Reid, Mrs. Harry Phillips, Mrs. Henry S. Walker, Miss Hannah Hawkes, Miss Mary Howell, Miss Elsie Buck and Miss Katherine Younker.

SECOND OF SERIES OF SERMONS GIVEN. Rev. F. J. Baylis of Chapin, Spoke on His Fight with Liqueur, at M. P. Church Last Night.

Last evening the second of the series of services in commemoration of the fifth anniversary of the dedication of the First Methodist Protestant church, Twelfth and Exchange streets, was held. Baylis told in a most graphic manner the history of his early life in England and in the English army in South Africa of his fight with booze and his defeat by that enemy. Also of his conversion in the Bowery mission of New York City, and of his subsequent work in the kingdom of God. This evening the last of the series will be held in the church. The Rev. Joseph Yemm, pastor of the First Methodist Protestant church, LaHarpe, Illinois, will be present and deliver the sermon. Rev. Yemm is a fine preacher and another treat is in store for those who avail themselves of the opportunity to hear him. The devotional services will be conducted by the Rev. Wm. L. Hawkinson, pastor of the Swedish Lutheran Mission church in this city. Come.

DETERMINE OWNER OF BIG STEAMSHIP

If the Great Northern is Owned by Railways, It Should Not Go Through Canal.

[United Press Leased Wire Service.] WASHINGTON, April 7.—The interstate commerce commission announced today that hearing will be held to determine ownership of the steamship Great Northern, operated by the Great Northern Pacific Steamship company in the passenger trade between Astoria, Oregon and San Francisco. The hearings date has not yet been set.

Incidentally, though this was not included in the order, the company's directors will determine ownership of the Great Northern's sister ship, the Northern Pacific, operated by the same company.

That this ownership issue had been raised, only became known with the commission's announcement that a hearing would be held. The Great Northern went through the Panama canal in February, bound from Philadelphia with a large number of passengers for the Pacific coast. It is considered the fastest and unquestionably is one of the finest vessels in the coast trade in American waters. In view of the fact that it was supposed to be owned by the J. J. Hill railway interests, the Panama canal authorities questioned its rights to traverse the big ditch under the terms of the Panama canal act. They put the issue to the war department, which advised them, in as much as the point had not been settled, to let the big craft pass.

Subsequently the department put the matter up to the interstate commerce commission and the later's action was the outcome.

The commission has subpoenaed the Great Northern and Northern Pacific railway, Seattle, Portland and Spokane railway, a Hill line, and the Great Northern Pacific Steamship company, not only to testify, but to bring before the investigators all necessary books and records to determine the question involved. The steamship Northern Pacific passed through the canal in March. In as much as the maximum penalty for violating the Panama canal act, should it be decided that the vessel's owners have done so, is \$5,000 daily while the violation continues, an adverse decision by the commission might involve a fine, counting both ships, running into the hundreds of thousands of dollars.

"City Beautiful" Work in Chicago. [United Press Leased Wire Service.] CHICAGO, April 7.—When God gets ready to establish a paradise on earth He will come to Chicago, according to Mrs. S. H. Newton, chairman of the Municipal Art League's committee to beautify the streets. Mrs. Newton proposes to make Chicago the most efficiently productive city in the world and to have gardens growing on every vacant lot. Mrs. Newton has a creed with but one article. And that binds the subscriber to the belief that trees should grow before every house, that every vacant lot should produce vegetables and flowers and that plants should grow wherever there is room enough for them to take root. Instead of being for the "city beau-

Three Good Reasons Why you should tour the west this summer. First, because of the extremely low round trip fares; second, the Panama-Pacific International Exposition, San Francisco; third, the Panama-California Exposition, San Diego, and then there is also an excellent fourth reason which is "don't put off until tomorrow what you can do today," or in other words, visit the Pacific coast this season and don't put it off until some other time. Here Is Good News for Stomach Victims. Some very remarkable results are being obtained by treating stomach, liver and intestinal troubles with pure vegetable oils, which exert a cleansing, soothing and purifying action upon the lower bowels, removing the obstructions of poisonous fecal matter and gases and preventing their absorption by the blood. This done, the food is allowed free passage from the stomach, fermentation ceases and stomach troubles quickly disappear. George H. Mayr, for twenty years a leading Chicago druggist, cured himself and many of his friends of stomach, liver and intestinal troubles of years' standing by this treatment, and so successful was the remedy he devised that it has since been placed in the hands of druggists all over the country, who have sold thousands of bottles, the effect of the medicine is sufficient to convince any one of its remarkable effectiveness, and within 24 hours the sufferer feels like a new person. Mayr's Wonderful Remedy is sold by leading druggists everywhere where the positive and refunded that your money will be returned without question or quibble if ONE bottle fails to give you absolute satisfaction. ROSY AS A GIRL Summit, N. C.—In a letter received from this place, Mr. J. W. Church, the notary public, says: "My wife had been ailing for nearly twelve years, from female ailments, and at times, was unable to leave the house. She suffered agony with her side and back. We tried physicians for years, without relief. After these treatments all failed, she took Cardul, and gained in weight at once. Now she is red and rosy as a school girl." Cardul, as a tonic for women, has brought remarkable results. It relieves pain and misery and is the ideal tonic for young and old. Try it. At druggists.—Adv. —Read The Daily Gate City.
