Buggy Paint

Among the eighteen different shades of buggy paint which we have in stock you can certainly find the color which will best please your fancy. We can supply either Neals or Sherwin-Williams and in cans of quart, pint or half pint size. Half pint cans as low 25c as

Porch Floor Paint

There is no place where paint gets the wear that it does on the porch floor and there is no place that you are more anxious to keep looking nice. With Sherwin-Williams Porch Floor Paint which we have in eight pleasing colors you can make the porch floor the brightest spot about the house and the excellent quality in this paint will assure you of good wear for a long time. Gallon cans, \$2, half gallons 60c \$1.10, quarts

A Paint for Every Purpose

In the paint department of this big drug store you can buy the very best paint for any particular purpose you have in mind. We have just the right paint for exterior use, just the right kind for interior walls, the highest gloss buggy paint, the longest wearing barn paint, anti-fouling boat hull paint, porch floor paint that will wear like iron and so on, the right paint for any purpose. In our paint stock are thousands of gallons of paint in all size cans and in hundreds of shades. When you buy paint here you do not have to buy more paint than you need for we have the right size can and you do not have to take a color that does not exactly suit, as we have the largest variety of shades. You get paint satisfaction here because with all this service our prices are still the very lowest.

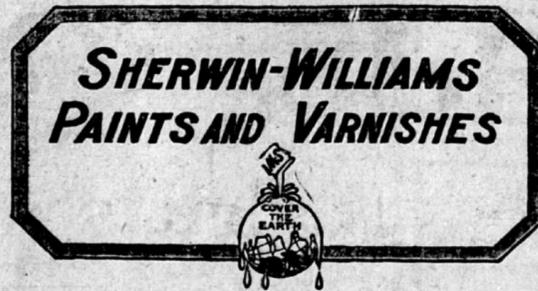

Flat-Tone

This is an oil paint made especially for interior walls and when properly applied can be washed and kept perfectly clean. The Hotel Iowa walls are done with Flat-Tone. It comes in many beautiful shades and is very economical to use. Gallons are \$2, half 50c gallons \$1, and quarts

Floor Paint

You can give Sherwin-Williams Floor Paint the hardest use that it is possible to give any floor paint and you still will have a good appearing floor. This paint comes ready to put on just as it is in the can, dries over night with a good gloss and will not fade or change color. Any one can apply it with good effect and the variety of ten good colors gives you the opportunity to harmonize with other wood work. 45c Quarts

Paint Brushes

For years our paint brush department has satisfied the most exacting demands of the best painters in this locality. Keeping in close touch with changing conditions among the journeymen painters has put us in position to offer to our paint customers who were about to do their own painting the most approved brush for their particular use. Brushes \$2.50 down to 5c

Why Buy Any Other Kind of Paint at Any Price When We Sell Sherwin-Williams at Only

\$2

Gallon

Alabastine

There is no cold water paint to equal Alabastine. It contains more binder than any other and will positively not rub off. It is easily applied and by the use of stencils for borders, which we are able to supply, the average houseowner can do his own decorating economically and effectively. You can get any color you wish and one 50c package will do a small room. 5 pound packages 50c

Why You Should Use Sherwin-Williams Paint Every Time

Sherwin-Williams Paint is the most durable and consequently the cheapest to use. It costs less per job and wears longer than any other paint, either ready prepared or mixed by hand. It is made in one quality only, the very best. A great many houses in Keokuk were painted last year with Sherwin-Williams paint and each one is as good today as the day it was finished. We can tell you where many of these houses are and will be glad to have you look them over as their present excellent appearance speaks louder than words can of the high quality of this paint. Paint your house with Sherwin-Williams Paint and we will guarantee you satisfaction for five years.
