## In INDESTRUCTO Trunks a Great Deal of Thought is Given to the Interior Arrangement and Fitting!

The Most Practical Interiors Offered By Any Trunk Manufacturers.

Take, for instance, the Indestructo wardrobe trunk—a great deal of thought has been given to the interior arrangement. No wooden hanger was ever made that would not break and drop your clothes to the bottom of the trunk. Indestructo fibre hangers cannot break. The automatic following board holds the clothes when packed, absolutely secure and can be worked with one hand by a child. The shoe boxes and hat boxes in both the men's and women's wardrobe trunks are all designed by practical travelers and are the most practical inventions offered in any trunk.

See the trunk—the arrangement speaks for itself.

**THE BLUE AND THE GRAY.**  
By the flow of the inland river,  
Whence the fleets of iron have fled,  
Where the blades of the grave grass  
quiver,  
Away are the ranks of the dead;  
Under the sod and the dew,  
Waiting the judgment day,  
Under the laurel, the Blue—  
Under the willow, the Gray.

These in the robes of glory,  
These in the gloom of defeat,  
All with the battle-blood gory  
In the dusk of eternity meet;  
Under the sod and the dew,  
Waiting the judgment day,  
Under the laurel, the Blue—  
Under the willow, the Gray.

So with an equal splendor  
The morning sun rays fall,  
With a touch impartially tender,  
On the blossoms blooming for all;  
Under the sod and the dew,  
Waiting the judgment day,  
Under the laurel, the Blue—  
Under the willow, the Gray.

No more shall the war cry sever,  
Or the winding rivers be red;  
They banish our anger forever  
When they laurel the graves of our  
dead.  
Under the sod and the dew,  
Waiting the judgment day,  
Under the laurel, the Blue—  
Under the willow, the Gray.

Nearly everyone indulges their appetite and the digestive organs are abused, resulting in a congestion of poisonous waste that clogs the bowels and causes much misery and distress.

This is a natural, pleasant-tasting remedy, gentle yet positive in action, and quickly relieves indigestion, constipation, etc.; headache, belching, etc. Drug stores sell Dr. Caldwell's Syrup Pepsin at fifty cents and one dollar a bottle, and in thousands of homes it is the indispensable family remedy. **SATURDAY COMES TO BE CUPID'S DAY THIS YEAR**

Saturday has become to be a favorite day for little Dan Cupid. The little god is right on the job the last day of the week, as the marriage license records in Clerk Voller's office shows, this year. For the last two months, there have been three or more licenses issued every Saturday, with only one or two during the other part of the week.  
Three licenses were issued yesterday at the office of the clerk of the district court here.
