

TEACHERS GOING TO SCHOOL TODAY

Keokuk Scholars Get Vacation by Reason of County Institute Being Held in Fort Madison.

PROGRAM INTERESTING

Supt. Aldrich of Keokuk, Lead in Chapel This Morning—Classes Are Proving of Interest.

Schools were closed in Keokuk today and practically all of the teachers in the local institutions attended the Institute at Fort Madison which opened yesterday.

There was a special program last night, and the work today will be of special interest. The Keokuk teachers left on the early morning train for Fort Madison.

The list of those registering yesterday follows: Argyle—Birl E. Johnson, Bessie Deberry.

SOUR STOMACH

When vegetable food ferments it causes sour rising in the throat, the formation of gas in the stomach which distends it and causes pain often extending to the region of the heart and arousing a fear of heart disease.

It is a condition that can be corrected by the use of Dr. Williams' Pink Pills to tone up the digestive organs and by a proper selection of food.

Your own druggist sells Dr. Williams' Pink Pills or they will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

PARTY OF SIX GO OVER BRIDGE

C. W. Randell Hits Park Gate at Fifteenth Street and Skids Over Into the Ditch.

NONE BADLY INJURED

Mr. Randell Has Strained Back and Miss Jessie Jacobs Has a Bad Cut on Her Head.

Charles W. Randell, driving an auto-truck containing five persons besides himself, struck the rock supporting the right pillar of the park gate at the Fifteenth street entrance last evening shortly before 8 o'clock and skidded on two wheels through the left side of the bridge just inside the gate and turned turtle into a ditch, dumping all of the occupants out and slightly injuring several of them.

The occupants of the car were Charles W. Randell, the driver, a contractor of 513 S. South Twenty-first street; John Randell, his fifteen year old son; Lester Randell, six, and Evelyn Randell, eight, a son and daughter for the driver; Miss Jessie Jacobs of 2224 Tamea street, and Walter Weed of 1903 Palean street.

Mr. Randell sustained a sprained back and several minor bruises and cuts and his two sons and daughter were bruised slightly. Mr. Weed was uninjured, but Miss Jacobs received a bad cut on her forehead, which, however, is not serious.

The party started out late yesterday afternoon from Mr. Randell's home and drove first to Kilbourne park in search of flower seed. The kind wanted could not be found there so Mr. Randell decided to drive out to Rand park in the hope that he might be able to find what he was looking for.

He drove his automobile truck down Fifteenth street, but when he turned at the corner of Fifteenth street and Orleans avenue to enter the park he made too wide a circle and the front wheel struck the stone that supports the right side of the park gate.

The car then skidded into the park and over against the left side of the bridge just inside the entrance and crashed through this to the ditch below. The occupants were thrown out and the car fell on them, all having a lucky escape from serious injury.

The party returned home in William Holland's automobile, the Randell auto-truck being unable to be moved. It is badly damaged, the right side being crushed and the front broken.

BOWEN KORN KARNIVAL ON

Attendance Excellent and Displays Unsurpassed—Fancy Work and Other Features Rule.

BOWEN, Ill., Oct. 8.—With the finest displays of the products of farm and garden, handwork and other features, the Bowen Korn Karnival opened here yesterday and by afternoon was well under way, with the attendance fully up to what had been expected.

Decorated in yellow, white and green, the town is certainly in gala attire, a beautiful sight, while show windows in the business houses are not to be forgotten among the best of attractive features.

The parade in the forenoon was an inspiring sight, with decorated automobiles and horse drawn vehicles, fancy dressed riders on horseback and two bands, one of which is the great Bowen band.

The fancy work display, which is a beautiful sight, is in charge of Mrs. A. D. Reid. O. W. Griffiths is president of the association; O. H. Felgar, vice president; J. A. Robinson, secretary, and W. C. Rowland, treasurer.

PASTEUR TREATMENT FOR WAYLAND BOYS

Examination of Brain of Dog Which Bit Two Lads Leads to Treatment Being Ordered.

WAYLAND, Mo., Oct. 8.—As a result of the report from the state bacteriological station at Kansas City that the dog which bit their sons had rabies, Mrs. Frank Maddox and Mrs. George Thompson have taken their two boys to Chicago to have them treated at the Pasteur institute and this entire community is greatly excited over the apparent epidemic of rabies here.

Yesterday a dog belonging to John Henshaw, who lives south of here, was killed by Carl Boyd, cashier of the bank of Wayland, Henry Kircher, and others because it was mad. The men went to the Henshaw farm to kill the animal as soon as they received the report of its being mad.

James Henshaw killed a valuable cow recently because Dr. Bruner and Murphy, veterinarians, claimed it had hydrophobia. At present all dogs are chained up and none is to be seen running loose on the streets.

The dog which bit the Maddox and Thompson boys belonged to Ed Schmidt. The boys were on their way home from school last week when the animal attacked them. The dog acted strangely and last Sunday it was killed and its head sent to Kansas City for examination. The report of the bacteriological station there caused the mothers to take their sons to Chicago for treatment to prevent them developing hydrophobia.

MILLER THE SHOE MAN

616 Main St. Keokuk

Many Positions Carrying Large Salaries

are open today to men in every walk of life. But the men must possess vigorous bodies and keen, active minds.

Success-making mental and physical activity relies largely upon right living wherein the right kind of food plays a most vital part.

In many cases the daily diet lacks certain of Nature's elements essential to energizing and upbuilding the mental and physical faculties. Most white flour products, such as white bread and many other commonly used foods, are in that class.

A food especially designed to offset this lack—

Grape-Nuts

—made of wheat and malted barley, supplies all the nutriment of the grains, including the mineral salts—sturdy builders of brain, nerve and muscle.

Grape-Nuts is thoroughly processed, ready to serve from the package, fresh, crisp and delicious. Then, too, there's a wonderful return of the power to "do" and to "be" for the small energy required in its digestion.

After repeated set-backs thousands have found a change to right eating means forging ahead. "There's a Reason" for Grape-Nuts Sold by Grocers everywhere.

EVEN CROSS, SICK CHILDREN LOVE SYRUP OF FIGS

IF FEVERISH, BILIOUS, CONSTIPATED, GIVE FRUIT LAXATIVE AT ONCE.

Don't scold your fretful, peevish child. See if tongue is coated; this is a sure sign its little stomach, liver and bowels are clogged with sour waste.

When listless, pale, feverish, full of cold, breath bad, throat sore, doesn't eat, sleep or act naturally, has stomach-ache, indigestion, diarrhoea, give a teaspoonful of "California Syrup of Figs," and in a few hours all the foul waste, the sour bile and fermenting food passes out of the bowels and you have a well and playful child again.

Children love this harmless "fruit laxative" and mothers can rest easy after giving it, because it never fails to make their little "insides" clean and sweet.

Keep it handy. Mother! A little given today saves a sick child tomorrow, but get the genuine. Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on the bottle. Remember there are counterfeiters sold here, so surely look and see that yours is made by the "California Fig Syrup Company." Hand back with contempt any other fig syrup.
