CIRCUIT CHANGE IS EXPECTED

Holding of Rock Island Territory Must Mean Something, Burlington Hawk-Eye States.

WHO WILL WIN OUT?

Controversy to be Decided at Baseball Meeting in San Francisco, California This Month.

The Burlington Hawk-Eye of Sunday sums up the Central association-Three-Eye controversy in the following manner:

Great interest has been taken in the Three-Central association row for the possession of the Rock Island, Ill. territory. Whether or not President Justice of the Central association has played all of his cards is not known, but Tearney faces the biggest baseball battle that he has been called upon to meet as regards the Central association for some time.

QUIT MEAT IF YOUR KIDNEYS ACT BADLY

Take tablespoonful of Salts if Back Hurts or Bladder bothers.

We are a nation of meat eaters and our blood is filled with uric acid, says a well-known authority, who warns us to be constantly on guard against kidney trouble.

The kidneys do their utmost to free the blood of this irritating acid, but become weak from the overwork; they get sluggish; the eliminative tissues clog and thus the waste is retained in the blood to poison the entire system.

When your kidneys ache and feel like lumps of lead, and you have stinging pains in the back or the urine is cloudy, full of sediment, or the bladder is irritable, obliging you to seek relief during the night; when you have severe headaches, nervous and dizzy spells, sleeplessness, acid stomach or rheumatism in bad weather, get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast each morning and in a few days your kidneys will act fine.

LITTLE COLGATE'S ENVIABLE RECORD

Defeat of Yale Saturday Puts it in the Champion Contender Class in the East.

NOT BEEN SCORED ON

And Has Rolled up Grand Total of 223 Points Against Opponents—Yale's Situation Desperate.

[By George R. Holmes, United Press Staff Correspondent.]

NEW YORK, Nov. 1.—Coach Larry Banker's Colgate eleven was crowded Princeton and Cornell for football honors in eastern dope sheets today. When the up-staters defeated the Army in a decisive manner, there was a general sitting up and taking notice throughout the east.

Colgate hasn't been scored on this year—the only eleven east of the Rockies and north of the Mason and Dixon line, that has such a record. While the Crimson has had a disastrous season—for her—she still is possessed of a kick in their hoof and will give the Tigers the acid test. Eddie Mahan alone is enough to give a team trouble. The game also will settle to a great extent the 1915 kicking honors. Mahan and Tibbott stand out as leaders and their individual battle should be fully as spectacular as the game itself.

Knox College News

The Illinois Intercollegiate Oratorical association will hold its annual contest at Monmouth this year. Six institutions, Monmouth, Knox, Illinois, Illinois Wesleyan, Blackburn, and Eureka are the members of the league. All will be represented this year. The winner of this contest will then meet the winners in twelve other states, for the national oratorical crown.

Debating work is well under way. The societies of the Adelphi and the Gnothauti are holding weekly debates to get their men in shape for preliminaries for the varsity. The Minimum Wage question will be debated in the annual Knox-Grinnell-Beloit-Carleton quadrangular debate. Frank Beardsley is working out on the negative side in Adelphi. Harold Hanson expects to take the affirmative side in Gnothauti. Each society will select three men each. Through a series of cross debates between these four teams, the two teams, which will represent the school will be selected.

Basketball practice is well under way now. There are many candidates for each position, and Coach Tray expects to have a hard time picking his team, because of the abundance of material. There are only three "K" men in school this year, but the entering material more than offsets this.

Louis Hohl, of Nauvoo, is trying out for the Knox Players' club. His work in the play, "Romeo and Juliet," assures him a good chance.

James Johnston, of Warsaw, is working out in the gymnasium for track work. He is working to get in shape for the outdoor game next spring.

Leading Point Gainers. [United Press Leased Wire Service.] NEW YORK, Nov. 1.—Only two college football elevens in the country have not been scored on this year, Colgate and Vanderbilt. Wisconsin holds high honors west, having scored 223; Vanderbilt with 239 points, leads all teams. Her best effort was with Henderson-Brown when she ran up a total of 160 points.

"A. A. S. R. F. M." Meets. [United Press Leased Wire Service.] ABERDEEN, S. D., Nov. 1.—The Ancient and Accepted Scottish Rite of Free Masonry, opened its thirty-ninth annual reunion here today.

DRAB WEEK FOR WESTERN FOOTBALL

Cornell Game at Ann Arbor Only Exciting Contest on Schedule—Only Second Division Teams to Play.

BIG GAMES NOVEMBER 14

Conference Title Will Likely Be Settled on That Date in the Maroon-Illinois Contest.

[By J. P. Yoder, United Press Staff Correspondent.]

CHICAGO, Nov. 1.—This week will be a rather drab time among western footballers. The Cornell game at Ann Arbor is the only one scheduled for next Saturday that is of more than local interest.

The second division conference teams are the only ones to meet Saturday in title games. These are Indiana on Ohio State's preserves and Iowa on Purdue's home grounds. While the Maroons toy with Haskell Indians, Minnesota, Illinois and Wisconsin will be having an off day. Nebraska, looking like the only real goods in this section, has a practice game with Nebraska Wesleyan. So it comes to pass that another week must elapse before the "crusading series" stuff can be pulled again.

YALE FOOTBALL SITUATION TENSE

Rumors of Resignations and Breaks Between Coach and Captains Come from New Haven.

[United Press Leased Wire Service.] NEW HAVEN, Conn., Nov. 1.—The Yale football situation—the worst in its history—was tense today, following the reported open break between Head Coach Frank Hinkey and Captain Wilson, and the latter's action in summoning Tom Shevlin, famous old Eli star from Minneapolis, to take charge of the squad. It is fairly well known about the campus that Wilson and Hinkey have been in almost constant clash since the defeat of the Blue by Virginia. Then came a one point victory over Lehigh, followed by defeat by W. and J. Saturday's defeat by Colgate was the last straw.

All sorts of rumors were afloat today. One was that Hinkey would resign; others he would stay and fight it out, none of which could be confirmed.

"CAN'T FIRE ME," SAYS PRESIDENT O'NEILL

Western League Proxy Ready to Quit, However, if Back Salary is Paid.

[United Press Leased Wire Service.] CHICAGO, Nov. 1.—Tip O'Neill, the top dog of a year president of the Western Baseball league, whose call for a special meeting of the league club owners here yesterday brought only Jack Holland of St. Joseph, and the proxy of Frank Isbell, of Des Moines, has no intention of quitting his job.

"They can't fire me for another year," said O'Neill, "but any time they want to get rid of me, let them pay me what they owe me and I will hand them their presidency. Not a member of the league has paid his dues for the year nor have I been paid yet. I also advanced money from my own pocket to carry on the league's affairs."

IOWA WILL VOTE TO REPEAL LAW

Summer Baseball Rule Not Meeting With Favor in the Big Nine Circles.

IOWA CITY, Nov. 1.—Pronouncing the "summer baseball" rule of the big nine, "manifestly unfair," and declaring that it breeds "a race of hypocrites in college athletics," Professor Nelson A. Kellog, director of athletics at the S. U. I., has stated that Iowa was in favor of the repeal of this law.

The summer baseball rule has caused Loren Solon, captain of the Gopher eleven, to be suspended from college athletics this season, and is responsible for the fight now on between Clark and Pogue of Illinois. It absolutely prohibits a university athlete from playing summer baseball for any remuneration whatever, even his board.

GAMBLERS BET WOMEN WILL LOSE

Six Million Women May Be Given the Ballot, if Tomorrow's Election So Decides.

[United Press Leased Wire Service.] NEW YORK, Nov. 1.—Votes for women leaders in three eastern states cleared decks today for the opening of the greatest suffrage ballot battle in the history of the United States.

Nearly six million women may be given the right to vote as the result of balloting in New York, Pennsylvania and Massachusetts tomorrow. Because of the unusually heavy registration in all three states, politicians generally today abstained from predictions as to the outcome. In New York, betting men took their cue from the prediction of Democratic State Chairman Osborn that suffrage would be defeated. They were offering slightly better than even money today, but were careful about wagering on large majorities against.

Recaptured by Germans. [United Press Leased Wire Service.] BERLIN, (via Sayville) Nov. 1.—Stormed by German troops, Butte-Tahure which the French took during the fierce drive about a month ago, was recovered by the Kaiser's forces Sunday, the German war office announced this afternoon. "It is firmly in German hands," said the statement. Thirty-one French officers and 1,277 men were said to have been captured. Lieutenant Roelcke was said to have shot down an enemy airplane south of Tahure, the sixth aircraft the same officer has destroyed.

ALIEN LABOR LAW IS UNCONSTITUTIONAL

Arizona is Charged by Supreme Court With Enacting Faulty Law.

[United Press Leased Wire Service.] WASHINGTON, Nov. 1.—The "alien labor law" adopted by Arizona, under an initiative petition providing that an employer of more than five persons must employ eighty per cent qualified electors or native born citizens, was declared unconstitutional in the supreme court today. Mike Raich, an Austrian waiter, asked an injunction to prevent William Truax, his employer and the state from causing his discharge. The lower court declared the law a violation of the Fourteenth amendment, not giving "equal protection of its laws," to all residents.

Justice Hughes, in reading the decision said: "It is sought to justify this act as an exercise of the power of the state to make reasonable classifications in legislation to promote the health, safety, morals and welfare of those within its jurisdiction. But this admitted authority, with the broad range of legislative discretion that it implies, does not go so far as to make it possible for the state to deny lawful inhabitants because of their race or nationality, lawful source of their income, or the authority to control immigration, to admit or exclude aliens—'is vested solely in the federal government.'"

Off Year Election is Held. TRENTON, N. J., Nov. 1.—Interest in the off year election in New Jersey which occurs tomorrow centers mainly in the fight for control of the next legislature, which on joint ballot will elect a state treasurer. A Democrat, Edward E. Grosscup, the present treasurer is chairman of the state democratic committee. In the next legislature there will be the making and breaking of booms for governor and United States senator, offices which are to be filled in 1916.
