

### Well Known Remedy Relieves Chronic Case

Important to Dispose of Waste from the Stomach With Regularity.

People frequently attribute to failure of the digestive organs conditions that are primarily due to inactive bowels, and apply remedies that from their very nature are more apt to aggravate than to relieve the disorder. When the bowels act regularly the stomach is in better shape to perform its allotted tasks and can usually be depended upon. To keep the bowels in condition, there is no more effective remedy than the combination of simple laxative herbs known as Dr. Caldwell's Syrup of Pepsin which is sold in drug stores for fifty cents a bottle.

Dr. Caldwell has prescribed this remedy in his practice for over a quarter of a century and it is today the standard household remedy in thousands of homes. Mr. Thos. DeLoach, with the Department of the Interior, Office of Indian Affairs, at Washington, wrote Dr. Caldwell recently that "Dr. Caldwell's Syrup of Pepsin is the best laxative I have any knowledge of and the cleaning up

guaranteed by its use relieves every organ." A bottle of Dr. Caldwell's Syrup of Pepsin should be on hand in every home for use when needed. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

### Twenty-Six Piece Band Makes Hit at Game Thursday

The twenty-six piece band that played yesterday, made a hit both down town and at the football game. A concert was given on Main street at 2 o'clock after which the members took a car for the ball park, playing all the way out. A concert was given before the game and between the quarters. The band was composed of ten members of the Keokuk high school orchestra and sixteen members of J. C. Hedrick's music class.

The football management tried a new wrinkle yesterday. Side lines were stretched all the way around the field, five feet back from the playing lines. And for once in the history of the game here, the crowd kept off the field. This feature should be carried out next year.

Yesterday's crowd is thought to be the largest that has ever attended a football game here. The Keokuk High school Athletic association cleared enough money to come out near the top on the present season.

### THANKSGIVING DAY WEATHER UNUSUAL

Extreme Warmth of Day Reminded One More of a Springtime Holiday Than an Early Winter One.

### REAL SUMMER STORMS

Thunder and Lightning Added to the Rain Torrents, But Elements Failed to Spoil the Holiday for People.

With weather that was more suitable to spring than to early winter, Keokuk celebrated Thanksgiving day yesterday. The day was a holiday for almost every one, and even the electrical storm and the downpour of rain in the afternoon and evening failed to halt any of the events on schedule.

It was only partly cloudy in the morning, and there were several times that it looked as if the sun might shine. But the clouds were too heavy to allow Old Sol to more than take a few scattering glances at the world on Thanksgiving day. In the afternoon there was a real old-fashioned electrical storm with the rain falling down in torrents.

A large number of people attended the union Thanksgiving services in the First Westminster Presbyterian church. Dr. Frank G. Beardley of the First Congregational church, preached the sermon. Others of the ministerial association assisted in the services. The sermon by Dr. Beardley is printed in another place.

Other churches held services appropriate to the day. Among these were St. John's Episcopal and St. Paul's German Evangelical.

Many Dinner Parties. The hotels were crowded at dinner time, a number of people forgoing the usual family dinner at home for dinner at the hotel, where special menus had been prepared. The Hotel Iowa's dining room was crowded for both noon and evening dinner.

Football proved the big afternoon attraction, and the theatres got a good crowd too. The holiday seekers who were out in the afternoon received a generous baptism by the sudden storm, but this failed to put any stop to their plans.

In the evening there were several social affairs and crowds attended the theatres.

down in torrents. Everybody ran for cover, including the football players. After about ten minutes it slackened up and the contest was resumed.

Fort Madison kicked, L. Roberts receiving the ball. After Wygle had pushed through for ten and Roberts for two fives, Hancock raced around left end for twenty-five yards. This put the ball fifteen yards from Madison's goal and Wygle added three more by a drop kick.

Score—Keokuk, 17; Fort Madison, 6. Wygle kicked off, Lyons receiving. A return kick was tried but not allowed, Madison being penalized again. Meanwhile a Madison player had captured the ball far down the field and crossed the line only to have the ball called back to the center of the field. Keokuk got the ball when Madison kicked outside and Hancock, Wygle and Roberts had all made good gains but the half ended before they could follow up their advantage.
