

WERE THREE SMALL FIRES LAST NIGHT

Fire Fighters Were on the Go for Three Hours—None of the Fires Was Serious.

AN OVERHEATED STOVE

Damage of \$150 at Home of Albert Swanson From This Cause—Another Call to Scene of Tuesday Night's Fire.

Three fires in three hours was the record of the fire department last night. The first alarm came from the home of Albert Swanson, 1902 Main street, at 7:45 o'clock, the second from the Price Brothers' wallpaper store, 415 Main street, at 9:50 o'clock, and the last from the Gato City Seed company again, where smouldering rubbish had burst into flame at 11 o'clock. None of the fires was serious.

The fire at the home of Albert Swanson was caused from an overheated baseburner while the family was at church. A passerby in an automobile saw flames creeping up the side of the house and notified the fire department. The tenth and sixth street firemen responded. The blaze was extinguished by the chemical on the fire truck. The damage is estimated at \$150.

The fire went up the stove pipe and burned through to the outside of the building where the pipe entered the flue. It was necessary to tear up some of the second floor and part of the outside wall to get to the fire.

A fire burned out in the wallpaper shop. This was put out with no damage. The burning rubbish from the seed company building was also extinguished before it had a chance to spread.

Arthur Conner is taking the place of Harry Watson on the fire force. Watson had his hand injured yesterday morning while unwinding hose in the Sixth street station.

One line of hose that was used at the big fire on Tuesday night, burst. This was the only loss. Fire Chief Anderson has complained that wagons were driven over the hose that was used at the fire. He said that there was a city ordinance prohibiting this.

AGED BOWEN MAN SUDDENLY STRICKEN

Albert Walty, 84, Strangely Afflicted Mentally and Physically—Was Fine Violinist.

BOWEN, Ill. Dec. 30.—Albert Walty, aged 84, one of the oldest residents of this city, was stricken with some sudden ailment yesterday morning, and fell to the floor of his home apparently lifeless. He was unconscious for several hours and when he did revive, it was found that his mind was wandering alarmingly. He has grown feeble rapidly and grave fears are entertained for his recovery.

For some time he has been deprived of his hearing and eyesight. But in spite of these obstacles and his advanced age, he has been producing some marvelous music with his violin until the last day or two. He has been a master of the violin and a composer.

Mr. Walty was formerly in the tinning business in Bowen. Beside his aged wife, he has three daughters, Mrs. David Scott and Mrs. Rock Todd of Bowen and Mrs. M. A. Milsted of Denver.

BLIND PETITIONS FILED IN COUNTY

Number of Afflicted Persons Have Asked County Aid Under Legislative Enactment.

A number of blind persons in Lee county have applied for pensions under the new act of the legislature, which goes into effect January 1, 1916. The applications have been certified to the board of supervisors, but that body has shown no disposition to act upon them, says the Fort Madison Gem City.

The law provides that any man, 20 years old or over, or woman eighteen years or over, who is blind and is not an inmate of a charitable institution, or who has an income of less than \$300 a year, is eligible to a pension to be paid by the county. The amount of the pension is \$150. The applicant must have lived in the state five years and in the county one year.

Under the phrasing of the law, the

examining physician will make examinations the first week in January only, so those who contemplate taking advantage of the pension act must file their application and be examined during that week.

TO GIVE SERMONS ON EVANGELISTS

Dr. F. G. Beardsley, Author of "History of American Revivals," Plans Special Series.

Aprons to the coming Scoville religious campaign in our city, and to prepare his people for those meetings, the pastor of the First Congregational church will commence a series of sermons next Sunday evening on the great evangelists. This is a subject to which Dr. Beardsley has devoted especial study as he is the author of a "History of American Revivals," which was awarded the George Wood prize and gold medal by the American Tract society of New York City. This series of sermons, however, will not be confined to American evangelists, but will treat of "Jonathan Edwards, and the Great Awakening in New England," "John Wesley and the Methodist Revival," "George Whitefield, the Field Preacher," "Charles G. Finney, the Prince of Modern Revivalists," "Dwight L. Moody, the Lay Evangelist," and others.

NEW GOVERNMENT BOAT GOES DOWN

Steamer Nauvoo is Lying at Bottom of Quincy Bay—Arrange to Raise Craft.

Quincy Journal: The government boat Nauvoo lies at the bottom of the Quincy bay in seven feet of water, and arrangements have been made by Mayor Meigs to raise the craft. The Nauvoo went to the bottom Monday night before the night watchman had time to save her. She was anchored on the west shore of the bay.

The freezing and bursting of the intake pipes caused the boat to sink, and it will be necessary for divers to dig the pipes so the water can be pumped from the hull before the boat can be raised.

The Nauvoo was built last year at Grafton and is valued at \$60,000. She came to Quincy several weeks ago, with the steamer Muscatine, a sister boat, to winter in the bay. It is not believed that she is seriously damaged, but considerable trouble will be experienced before she is again afloat. The boat was lying between the shore and the steamer Muscatine.

Woe in Zion City.

CHICAGO, Dec. 30.—Rings of tobacco smoke floated in the sacred air of Zion City today and the tinkle of patent medicine bottles against silver spoons resounded throughout the Dowle colony for the first time in months.

Wilbur Glenn Voliva, overseer of the city, shed tears and asked his lawyer to start a new fight against nicotine and drugs, following a supreme court decision permitting a "gentle" druggist to sell stamps, toys, tinware, tobacco or anything else that druggists commonly handle.

Snow in California.

LOS ANGELES, Calif., Dec. 30.—Snow in the citrus belt of southern California today brought out smudge pots by the thousands, in hopes of preventing damage by frost to ripening fruit.

INCREASE GRANTED FREIGHT RATES

Second Decision of Commerce Board is Granted in So-Called Western Advance Cases.

EFFECTIVE JANUARY '15

Increase Proposed on Agricultural Implements, Canned Goods and Long List of Commodities Will Result.

WASHINGTON, Dec. 30.—Railroads west of the Mississippi river were given material increases in freight rates recently by the interstate commerce commission in a second decision of the so-called western advance rate case.

The increase proposed on agricultural implements was about two cents per 100 pounds; on canned goods about one cent per 100 pounds; on fuel oil, about three cents per 100 pounds; on eggs, about three cents per 100 pounds; on cider and vinegar, from two to seven cents per 100 pounds; on bauxite ore, about twenty cents per gross ton; on boots and shoes, about two and one-half cents per 100 pounds; on dried fruits, about five cents per 100 pounds; on furniture, seven cents per 100 pounds.

The transit charge allowed on fruits and vegetables amounts to one and one-half cents per 100 pounds for storage in transit, with a minimum charge of \$5 per car.

Among the miscellaneous increases allowed was one of one cent per 100 pounds on lumber in carloads from Chicago and St. Louis to Missouri river crossings, and an increase on lime of from one to five cents per 100 pounds on shipments from St. Paul and Minneapolis to Iowa, Missouri and Nebraska points.

Most of the new rates will become effective January 31, and the tariffs containing the increases disallowed to be cancelled by December 28, last.

The opinion of the commission is confined strictly to a discussion of the merits of the contentions for and against the individual increases proposed except for one general reference. In this it says: "The testimony heard in the western advance rate case relating to the financial needs of the carriers was made a part of the record on this case. That testimony was carefully analyzed and discussed in the western advance rate case and will, therefore, not be again discussed here, but it has been carefully considered as a part of the justification offered by the respondents for the increases here proposed."

No Relation of Bryan.

LINCOLN, Neb., Dec. 30.—John Bryan, the aged Californian, who died yesterday in the Alameda county poor house, is not a relative of William Jennings Bryan, according to Mayor Charles W. Bryan, brother of the former secretary of state. John Bryan was supposed by the inmates of the poor house, to be a brother of the political leader. Another story was that he was a cousin.

"I never heard of the man before," was the statement of Mayor Bryan, when told of the Californian's death.

Getting a Head Start.

Webster City Freeman-Tribune: Perhaps the republican leaders who decided that the republican national campaign should be held a week in advance of that of the democrats figured that the republican candidate would need at least a week's start to beat Woodrow to the white house.

AMUSEMENTS.

LaSalle Co. at Grand Tonight. The LaSalle Co., which opens a three day's engagement tonight at the Grand with Jos. Howard, Hough and Adams' popular musical diversion, "The Time, the Place and the Girl," is considered the best and biggest organization of its kind on tour. Guy Voyer leads in most of its pieces and the company carries its own scenery for six plays, numbering about twenty-five people in its cast, chorus and crew.

The Grand has not played a popular priced repertoire company for several years, but has thoroughly investigated this one with the result that its patrons are certain to be well pleased with the LaSalle Co. It has long runs in numerous of the larger towns in solid weeks at Quincy's new Orpheum theatre, where it gave splendid satisfaction. Regular prices, at which all seats are now being reserved, are 10, 20 and 30 cents for Thursday and Friday matinees, and 10, 20, 30 and 50 cents for matinee on New Year's day and for each evening. Also there is to be a special watch party, with an entire change of bill, for New Year's eve, at the regular night prices, at which night only, in their new Grand will maintain good order.

Matinees start at 2:30 o'clock and evening shows at 8:15. Besides "The Time, the Place and the Girl," for Thursday, the Friday bill will be "The Girl Question," and on New Year's day, "Miss Nobody from Starland." Advertisement.

Hyams and McIntyre in "My Home Town Girl."

John Hyams and Lella McIntyre, who will come to the Grand tonight, might only, in their new piece, "My Home Town Girl," enjoy the unique distinction of being the only musical comedy stars who have not been seen in moving pictures—and they will not be for the next three years at least, as this clause in their contract was insisted upon by Perry J. Kelly, producer of the new musical offering in which they are now being seen. Having attained the height of popularity in musical comedy and vaudeville, it might be expected of the co-stars that they would seek film popularity, but it is not for them, or for the public to see them in that way just yet.

With a splendid scenic production and a supporting cast of notable New York artists, Hyams and McIntyre are promised a repetition of their former success they attained in their former vehicle "The Girl of My Dreams," in which they will be well and favorably remembered.

Among those in the cast are Edna von Lake, Alma Youlin, Maude Beatty, Doris Vernon, Dorothy Reich, David Andrada, Charles Horne, William Hays and a bevy of pretty girls who can both sing and dance. Advertisement.

De Koven Opera Co.

"Robin Hood" and his merry men will hold forth at the Grand Wednesday night, when the De Koven Opera company will present the all-star grand opera revival of De Koven's most famous work, "Robin Hood." The present elaborate presentation of this little masterpiece is the most ambitious effort yet made in the realm of light opera in this country, and it was the first of a series of revivals that are calculated to foster a taste for a form of art that is in a languishing state.

Originally produced twenty-three years ago, "Robin Hood" has enjoyed a career of remarkable prosperity. It has been performed more than seven thousand times, and the melody of its score and the wit of its book will live to give delight to generations yet unborn.

To properly cast "Robin Hood," Reginald de Koven drew on the resources of the grand opera houses of this country and Europe. Ivy Scott, a famous prima donna, with a rare lyric voice, was secured from the "Madame Butterfly" and the "Girl of

Suffered Great Pain!

Letter Tells of Long-looked-for Prescription.

Dear Mr. Editor—I am making a personal appeal to your readers who are bothered with kidney and bladder trouble and rheumatism, to give up the use of harsh salts or alcoholic kidney medicines and in their place take a short treatment of "Anuric" and be convinced of its wonderful virtues as I was. I suffered great pain, had a great deal of irritation, water became foul. I tried everything advised but with no results. I sent for a box of "Anuric Tablets" and soon discovered that they brought relief. I have used them since, and now the water is natural, my health good, and appetite splendid. Some of the doctors pronounced my trouble enlarged prostates. Now I have no more trouble and I most assuredly feel that this latest discovery of Dr. Pierce's is the best remedy for bladder and kidney troubles that I know of. If I can induce anyone to give it a trial, I feel that he will thank me for calling attention to this great boon that relieves your misery and gets rid of all troubles that human flesh can fall heir to. (Signed) H. H. FLEMING.

Note: Up to this time "Anuric" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing tablet, Doctor Pierce has finally decided to put it into the drug stores of his country within immediate reach of his sufferers. Simply ask for Doctor Pierce's Anuric Tablets. There can be no imitation. Every package of "Anuric" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Favorite Prescription, the ever-famous "Urinary" pills, women, and Dr. Pierce's Golden Medical Discovery, proven by years to be the greatest general tonic and reconstructer for any one. At any rate don't give up hope of being cured of your urinary trouble, just a few doses of "Anuric" have proven that it will make you feel like a different person. Editor—Please insert this letter in some conspicuous place in your paper.

GIANTS AND YANKS AFTER FED PLAYERS

Disposal of Outlaws to be Made at Meeting in Cincinnati on January 3.

NEW YORK, Dec. 30.—The Giants and Yankees today were growing competitors in the pursuit of the Federal league players. Interest centered in the Cincinnati meeting on January 3, when the Federal's playing staff will be disposed of. The Yanks today were said to have bid for one or more players from each of the outlaw clubs and the Giants also made heavy drafts on the Feds.

Other clubs of both circuits were sure to be on hand with hunting artillery primed with gilded shells, but none has yet shown the anxiety that Colonel Huston of the Yanks and John McGraw have to bag a few former outlaw stars. The National league and the National commission meetings in Cincinnati will be prepared, it was said today, after the Federal's peace committee and the National committee meet January 2.

Prepares for Presidential Primary.

INDIANAPOLIS, Dec. 30.—In preparation for Indiana's presidential primary March 7, 2,000 Indiana republicans gathered here for the big state rally. "This caps a year of political activity on the part of the Indiana republicans exceeding anything in the political history of the state for any party for an off year," said L. W. Henley, secretary of the state committee.

To be a Bench Manager.

CLEVELAND, Ohio, Dec. 30.—Bill Carrigan, catcher and leader of the world's champion Red Sox will become a bench manager, Joseph T. Lannin, owner of the Boston team, announced today. Lannin, here with other American league magnates, also stated he would put up a fight to keep Sam Agnew, catcher, sold to his team by the St. Louis Browns. Ban Johnson has ruled against the deal involving Agnew. Regarding Carrigan, Lannin said the catcher-manager would not be seen behind the bat next season.

Penant Won Already.

CHICAGO, Dec. 30.—A Cub team for 1916 that will cause recollection of Frank Chance's days, when winning a pennant was common, to fade in the dim past, was the prediction of Joe Tinker, soon to be manager, today. Tinker wants Heinie Groh, the Cincinnati state second baseman. He plans on letting all the Cub pitchers except Vaughn and Lavender go. He will keep Sator and Zimmerman. Tinker will take thirty-five players on the training trip. This will leave eighteen players to be disposed of.

Won from Canadians.

Detroit, Mich., Dec. 30.—Outskating and out-playing their opponents and showing a better defense, the Detroit Hockey club won from Seafort, Ont., last night, 8 to 1. A second game will be played tonight.

Is Through with Ball.

PITTSBURGH, Pa., Dec. 30.—President Gwinner of the Pittsburgh Feds, today declared that so far as he knows he is through with baseball. Gwinner denied he will go to Cleveland to discuss a deal for the purchase of the American league club there.

WILLARD-FULTON BOUT CALLED OFF

New Orleans Promoters Turn Down Scheduled Twenty Round Go Set for March 4, in That City.

MILWAUKEE HAS OFFER

Will Make Arrangements for Ten Rounds on February 22, But It Will Probably Not be Accepted—Moran May Fight.

CHICAGO, Dec. 30.—A ten round bout to a chance at the heavyweight title did not appeal to Fred Fulton, the Minnesota giant, today. Turned down by the New Orleans promoters on his scheduled twenty round bout with Jess Willard at New Orleans March 4, Fulton was not enthusiastic over chances of meeting the champion at Milwaukee February 22.

Mike Collins, Fulton's manager, declared today the cancellation of the New Orleans date was the biggest disappointment pugilistic fans have faced for many a moon. "Of course, we'll have to make the best of it and accept Tom Andrews' offer of a ten round bout at Milwaukee," said Collins, "though the twenty round course gave Fulton a better opportunity."

New Orleans dispatches, however, indicated that Willard will be matched at New Orleans with Frank Moran, March 4 or 6, and may pass up Fulton entirely. Efforts were renewed also to match Charlie White and Lightweight Champion Freddie Welsh for the New Orleans bout in place of Fulton and Willard.

Jones Says Match Will be Staged

NEW ORLEANS, La., Dec. 30.—Jess Willard will fight Fred Fulton. This was Tom Jones' statement here today and Tom should know, for he manages the champion. The Fulton-Willard match is off so far as New Orleans is concerned. The Crescent City promoters could not agree. Nick Tortorich said he wanted more class than the Minnesota giant. Tommy Burns wanted Fulton. Jones displayed a telegram from Tom Andrews, the Milwaukee promoter, offering Willard \$25,000 for a ten round affair. This is \$7,500 above the Crescent City offer. But with the fight cut in half, Jones said it looked as though northern fans would get the first chance.

Won Twenty-One Straight Games.

CHICAGO, Dec. 30.—The Maroon baseball squad which has been expected to play here today, during a part of the trip, won twenty-one straight games. Two hundred rosters will meet the squad when it arrives.
