Don't Merely "Stop" a Cough

A cough is really one of our best friends. It warns us that there is inflammation or obstruction in a dangerous place. Therefore, when you get a bad cough don't proceed to dose yourself with a lot of drugs that merely "stop" the cough temporarily by deadening the throat nerves. Treat the cause—beal the inflamed membranes. Here is a home-made remedy that gets right at the cause and will make an obstinate cough vanish more quickly than you ever thought possible.

Put 2 1/2 ounces of Pinex (50 cents worth) in a pint bottle and fill the bottle with plain granulated sugar syrup. This gives you a full pint of the most pleasant and effective cough remedy you ever used, at a cost of only 54 cents. No bother to prepare. Full directions with Pinex.

It beals the inflamed membranes so gently and promptly that you wonder how it does it. Also loosens a dry, hoarse or tight cough and stops the formation of phlegm in the throat and bronchial tubes, thus ending the persistent loose cough.

Pinex is a highly concentrated compound of Norway pine extract, rich in gualic acid, and is famous the world over for its healing effect on the membranes.

To avoid disappointment ask your druggist for "2 1/2 ounces of Pinex." This don't accept anything else. A guarantee of absolute satisfaction, or money promptly refunded, goes with this preparation. The Pinex Co., Ft. Wayne, Ind.

BODIES ARE BROUGHT BACK

(Continued from page 1.)

City was confused by Carranza officials there. Pursuit of the Bandits. Mexico, Jan. 12.—(Delayed.)—General Jacinto B. Trevino, commander in chief of the Carranza troops here, today sent five hundred men in pursuit of the bandits who massacred sixteen American citizens thirty-five miles from Chihuahua. They were ordered to show no mercy to the murderers. The troop train left here at seven o'clock this morning for the scene of the massacre, well provisioned. A second train is carrying horses. Trevino has ordered the pursuit continued until every member of the bandit gang is captured or shot.

Reports to the military authorities here say that the Villa general, Lopez, commanded the murderers. Word has reached here that Bert Kramer, youngest son of David Kramer, a rancher, of the Guerrero district, has been slain by bandits on his father's ranch. Grave fears are entertained for the safety of the father, Roy Kramer, another son, and Mrs. Kramer and her eleven year old daughter, who were known to be on the ranch. The bandits who killed young Kramer are said to have been led by Gen. Jose Rodriguez, another Villa commander.

The Americans shot down in cold blood by Villista troops were enroute to the Cusuhuirachi region to rebuild the mining camp there, one of the richest in the world. The camp had been closed since President Wil-

Use Coconut Oil For Washing Hair

If you want to keep your hair in good condition, be careful what you wash it with. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain musifed coconut oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.

Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get musifed coconut oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.

States Consul Thomas D. Edwards, of Juarez, declared today that absolute guarantees had been assured the eighteen victims of the Santa Ysabel massacre.

Edwards said that Gen. Gabriel Carranza, Carranza commander in Juarez, personally assured him it would be safe for the mining party to return to Mexico and resume operations.

Gavira assured Manager C. R. Watson, leader of the party, that the district through which he would pass enroute to the Cusuhuirachi mines would be completely dominated by the Carranza forces.

American mining men, refugees from Mexico, enroute at Edwards' part in obtaining the entrance of the Americans into Mexico, attacked and forcibly ejected the consul from the lobby of the Sheldo hotel. Edwards ran up Main street and escaped.

At first the refugees followed the consul, loudly denouncing the Washington administration and blaming it for the massacre. Edwards tried to argue with the men, resulting in several of them throwing the consul bodily into the street.

American mining companies of northern Mexico are considering a proposition to request permission of the Carranza government for a regiment of American volunteers to enter Chihuahua to exterminate Villa and his bandits. They will equip and maintain the regiment if Carranza permits, until the bandits infesting the Mexican mining regions are wiped out.

Resolved, by the senate, the house of representatives concurring, that the president of the United States be authorized and empowered to order the army of the United States or any necessary part thereof to the country of Mexico and to there cooperate with any force there existing, which to the president shall seem appropriate, for the object of protecting the citizens and property of the United States and to punish those violating the security of its citizens and to authorize the president to use the military and naval forces of the United States in Mexico to the same extent as now by law permitted the navy in Nicaragua and Haiti. It reads:

In Haiti, the navy, particularly the marine corps, has been in virtual control of the government for some months. Under Senator Lewis resolution, intervention could be complete. The senator said he would discuss the resolution later in the day. Were Guaranteed Safety. EL PASO, Jan. 13.—Since the responsibility for Americans entering Mexico has become an issue, United

HIGH SCHOOL WINS FROM HAMILTON

Local Basketball Team Ties up Victory With 21-13 Score Last Night.

The Keokuk high school basketball squad annexed another victory to its string last night by defeating the Hamilton high school on the Hamilton floor, 21 to 13. As usual the opponents were unable to stop McQuoid. Hubinger also starred for the Keokuk men, and LeFavre played a good game at center; McGaw scored 6 of the points, and Wylie as usual was a big factor in spoiling many of the opponents' tries for goal.

For the Hamilton men, Hosford made most of the goals, but Mattice was responsible for a good lead on the Keokuk men before they got going. Referee Dandant kept the game going well, and officiated with his usual ability. The Keokuk team was in charge of B. Merriam.

Line-up and score of the game: Keokuk, 21. Hamilton, 13. McQuoid Left forward. Mattice McGaw Right forward. Piggott LeFavre Center. Hosford Hubinger Left guard. Derksen Wylie Right guard. Yeast

Field goals: McQuoid, 6; McGaw, 2; Hubinger, Mattice, 2; Hosford, 3; Yeast. Free throws: Mattice, 1-4; McQuoid, 1-5; McGaw, 2-6. Halves: 20-12. Timer and scorer: Vaughn-Hosford.

The Grand's Paramount offering for tomorrow and Saturday.

At regular prices of 5 cents for children and 10 cents for adults, the Grand will show Paramount News-pictures with "The Cheat"—A six reel show of unusual merit.
