

NICKEL INDICTED BY GRAND JURY

Habeas Corpus Proceedings in Case Ended With This Phase of Matter Which Has Arisen.

FIVE BILLS ARE FOUND

Grand Jurors Made Report at 3:15 O'clock and Were Discharged For This Session.

Philip Nickel was indicted by the grand jury in the district court this afternoon on a charge of illegal sale of liquor. The indictment was returned by the grand jury at 3:15 o'clock, along with four other true bills. According to court officials, this indictment automatically puts an end to the habeas corpus proceedings, since habeas corpus does not lie in an indictment. Nickel, who is out on bonds, will be arraigned immediately, and a new line taken in the proceedings.

John Page and Robert Ryland were indicted on the charge of malicious mischief. The boys were charged with taking of property from Burke Brothers.

William Holmes was indicted on a charge of assault with intent to do great bodily injury. He is charged with an assault on Florence Carl.

Henry Clay is indicted on a charge of breaking and entering the residence at 1600 Bloudeau street.

An indictment was returned against John Lyne, charging him with carrying concealed weapons.

The grand jury's report showed that that body had been in session two days, and had examined twenty-two witnesses, found five true bills, ignored one and continued one.

The court thanked the grand jurors for their attention and their assistance. The jurors expressed their appreciation of the courtesies shown by court officials. George W. Scheible was foreman of the grand jury.

EXPECT TO GET BIG STEEL PLANT

Madison Says Eugene Maxwell of Power Company is Working on Deal.

The following from the Fort Madison Democrat tells of the hope of that city of securing a big steel plant, in negotiations for which Eugene Maxwell of the Power company is said to be assisting.

Eugene Maxwell of the Mississippi River Power company is in New England on important business of his employers and in addition he is said to be conducting negotiations with a large steel plate mill at Lawrence, Mass., for location in Fort Madison, giving evidence of Mr. Maxwell's oft repeated faith in this city as a manufacturing city and the coming municipality of the power zone.

The concern in question is one that would employ in due season in the neighborhood of 1,500 men. Mayor Brown awaits word from Mr. Maxwell to meet him in the east at any time to confer on the matter which would mean so much to Fort Madison and might mean the culmination of Mr. Maxwell's prophecy of 20,000 population for this city before the dawn of another year.

BOMBS HIDDEN IN MONARCH'S PALACE

Several Arrests Made, Following Unsuccessful Attempt to Blow up a Chinaman.

[United Press Leased Wire Service] PEKIN, Jan. 19.—Numerous arrests were made here today in a plot to blow up Yuan Shi Kai, who recently accepted the Chinese throne. Explosives were discovered in the emperor's palace.

Yuan Shi Kai's acceptance of the Chinese throne has been followed by several outbreaks and demonstrations by anti-monarchists and finally by the inauguration of a revolution to unseat the Chinese ruler.

Though government troops were dispatched to Yunnan province where the rebellion started, more than two weeks ago, Peking has not yet claimed the suppression of the revolutionists who were reported to number more than thirty thousand. Advice have reached Tokio that the revolution has spread to other provinces. Contradicting these dispatches, news from Peking have reported no disaffection outside Yunnan.
