

EXHIBITION WAS PLEASING ONE

Many Visited McKinley School to See Manual Training and Domestic Science Work.

OPEN THIS AFTERNOON

Grade and High School Girls Who Had Individual Exhibits of Sewing and Cooking.

The manual training and domestic science exhibition at the McKinley school attracted a large crowd yesterday morning, afternoon and evening.

High School Sewing. Eula Ackley, Lorena Bailey, Iota Ashby, Charlotte Buck, Ruth Boughner, Mable Brown, Virginia Dunlap, Edythe Farris, Victoria Franzon, Anna Harrington, Irene Hinson, Mary Hombs, Della Hodges, Lella Kummer, Ruth Larson, Mary Louise Hueston, Margaret Meyers, Ruth Meginnis, Esther Mills, Dorothy Mehler, Marie McNealey, Teresa Phillips.

High School Cooking Class. Dorothy Aldrich, Marie Estella Bergan, Margaret Bink, Alice Buckner, Marjory Fleming, Leona Foulkes, Evelyn Frye, Della Hemingway, Dorothy Mehler, Pauline Reiner, Mary Richards, Daisy Smith, Katherine Strimbach, Helen Woolley, Lillian Wright, Irene Bryant, Nellie Beckert, Gertrude Brebeny, Viviane Clark, Helen Garrison, Hilda Linqvist, Mildred Humes, Mable Lowenstein, Clara Mulligan, Mary Schlotter, Hazel Voth, Katharine Whitehead, Alverda Williams, Nondia Van Hyning, Hazel Akerson.

Second Eighth Grade Sewing. Alma Conley, Elsie Bauer, Eunice Pickle, Margaret Glaser, Hattie Vera, Edith Kiedalsch, Fay Roach, Vera Rowe, Lois Siefert, Mary Ulrich, Mable Anderson, Muriel Allen, Helen Clough, Florence Linqvist, Lettie Hoppe, Gladys Rolland, Madeline Radaasch, Helen Schiebel, Robert, Tweedy, Viola Williams.

First Eighth Grade Sewing. Anita Conley, Mildred French, Margaret Kiefer, Marie Lewis, Beatrice Helms, Vivian Holzer, Ruth Kiedalsch, Josephine Hamilton, Francis Martin, Edna Nelson, Gladys McKenney, Esther Rayburn, Verlin South, Gladys Wells, Mary Wolf, Marie Foster, Gladys Stevens, Mildred Ackles, Addie Webster, Core Hedrick, Marion Haubert, Emmogene Stone, Alice Hinkley, Gladys Russell, Blanch Smith.

Elsinore Tourey, Winifred Kiefer, Edna Johnson, Hazel Oertel, Dora Dietz, Ruby Williams, Garnet Sharp, Violet Cochran, Louise Benner, Mary Banhart, Mettie Brookhart, Irene Bradley, Mary Louise Dillon, Elsie Fisher, Loris Hall, Elizabeth Haubert, Gladys Hillier, Amelia Meyer, Margaret Irelan, Alma Pearson, Helen Steele, Goldie Thorn, Flossie Thiller, Edna McGrader, Louise George, Reta Helen Hicks, Bernice Smith, Beck Haggerty, Rose Gitting, Leona Ralph, Evelyn Snehberg, Wanda Lamb, Hazel Sullivan, Marie Scott, Mable Davis, Mary Smith, Ruby Peterson, Leona Malron, Jessie Dian, Eugene Maxwell, Ruth Weled, Genevieve Swers, Cathrine Tomlinson, Margaret

HAVE COLOR IN YOUR CHEEKS

Be Better Looking—Take Olive Tablets

If your skin is yellow—complexion pallid—tongue coated—appetite poor—you have a bad taste in your mouth—a hoarse, no-good feeling—you should take Olive Tablets.

Dr. Edwards' Olive Tablets—a substitute for calomel—were prepared by Dr. Edwards after 17 years of study with his patients.

Dr. Edwards' Olive Tablets are a purely vegetable compound mixed with olive oil. You will know them by their olive color.

If you want a clear, pink skin, bright eyes, no pimples, a feeling of buoyancy like childhood days, you must get at the cause.

Dr. Edwards' Olive Tablets act on the liver and bowels like calomel—yet have no dangerous after effects.

They start the bile and overcome constipation. That's why millions of boxes are sold annually at 10c and 25c per box. All druggists.

Take one or two nightly and note the pleasing results.

The Olive Tablet Company, Columbus, O.

Wilson, Corine Busch, Helen Stahl, Evelyn Busch, Ethel Ehrndis.

First Seventh Grade Cooking. Anna May Musser, Margaret Hayden, Nellie Purdy, Velma Heule, Madeline Shaffer, Esther Means, Bessie Powers, Mary Carter, May Star, Virgie Stewart, Gail Broadus, Viola Scott, Elizabeth Maxwell, Mable Spicer, Esther Fogeland, Rena Geitz, Mildred Howell, Effie Johnson, Ida Morris, Clara Cook, Gertrude Reimbold, Elizabeth Bouchman, Grace Meyers, Berdie Jones.

Edna Dickson, Lora Lorig, Bertha Alberta, Genevieve Bell, Kathrine Dimond, Evelyn Harter, Bertha Linenburger, Gladys Lowenstein, Thelma Oliver, Leona Phillips, Ruth Shaffer, Luella Warwick, Marie Phillip, Bertha Courtney, Gladys Courtney, Marjorie Hill, Daisy Renaud, Lorena Auxley, Vera Schoel, Pearl Roach, Mary Cochran, Clea Stowe, Fama Bell, Ruby Beck, Freda Hicks.

Second Seventh Grade Cooking. Gladys Angel, Mary Elizabeth Bedford, Ella Boulanger, Florence Brandt, Hazel Brandt, Alice Anderson, Edna Drew, Madge Dick, Lida Fry, Mildred Fuqua, Alwida DeYong, Gladys Mullikin, Madeline Paris, Margaret Peterson, Louise Pfing, Ruth Steinmetz, Lucille Schmidt, Eleanor Schlotter, Beulah Van Hyning, Lucille Whitehead, Louise Webster, Alta, Walka, Violet Bode, Madeline Williams, Myrtle Fields, Nina Van Ausdall, Lulu Allen, Marian Wharton, Genevieve Walker, Ruby Smith, Mildred Riley, Margaret Ryland, Edith Dysart, Margaret Hamill, Madeline Connable, Ruby Carter, Elizabeth Loeffler, Marion Kish, Helen Houston, Etta Shultz, Wilma Englehart, Nina Tuttle, Helen Brickley, Zola Stanton, Nola Usher, Martha Guina, Ollie Griffith, Lucretia Reiner.

SECURING KEOKUK POWER AT CLAYTON

Line Being Run Through to That City Will Be Ready in Sixty Days.

GOLDEN, Ill., Jan. 21.—Representatives of the Central Illinois Public Service Co. are in this locality securing the right-of-way for the transmission line of that company from Golden to Clayton. The right-of-way has already been secured to this place from Augusta. They expect that the line will be put through to Clayton in about sixty days. Clayton is now on a short transmission line from Camp Point, which is fed by the small power house at the latter place. But when the new one is completed both cities will receive power from the general line, which is fed from the Keokuk dam and from Macomb.

The Golden authorities have not yet granted a franchise to the C. I. P. S. Co., and have been considering building a local plant. The outcome of this matter is in doubt.

An Awful Disappointment. Dubuque Times-Journal: Dubuque has had two weeks of prohibition with only a few arrests for intoxication and these were men who became intoxicated outside the state. This must be an awful disappointment to our interior cities, who saw the necessity of a squadron of special officers descending on Dubuque as soon as prohibition became effective.

ELECTRO-METALS PLANT IS GROWING

New Keokuk Industry Will Be Ready Shortly After First of February, It Is Believed.

OTHER INDUSTRIES BUSY

Breaking Down Rubber at Tire Plant—Blasting Out Piers for the Proposed Inter-City Bridge.

The Keokuk Electro Metals company which will be housed in the building being constructed at N and Railroad streets, may not be started in active operation by February 1, but will be able to commence shortly after, it is understood. The building of the plant has been hurried as much as possible, but it is learned that the company may be delayed a week or so in starting operations. The original plan of E. G. Weissenberger was to have his plant ready and in operation the first of the coming month.

Material for the construction of the plant has been received almost daily since the buildings were started in November. The work has progressed satisfactorily and the plant will develop into a large industry, it is expected. It will manufacture a raw steel which will be used by the rolling mills.

Tire Plant Is Busy

At the Standard Four Tire plant the force is busy breaking down rubber. This is a process which requires two weeks or longer. Superintendent W. J. Richards has a force of experts at work in the plant now, and it is expected to increase the capacity of the plant within the next month or so.

Taking Out Bridge Piers

The piers for the proposed inter-city bridge are being taken out now, and the blasting which is heard is being done in the forebay in the effort to tear out these piers below the water line. The smaller piers were broken off with huge jack-screws. The two larger ones, however, are causing more serious trouble and explosives are needed to cut them down to the height required by the government. This limit for leaving these piers up has expired and it is necessary to take them out. The task of breaking them out speaks well for the quality of concrete which was put into them.

AMUSEMENTS

Mary Pickford; Last Time Tonight. In spite of the almost impossible weather, a large attendance at both matinee and night showings greeted Mary Pickford in her wonderful picture, "Madame Butterfly," yesterday at the Grand. If you were one of them who didn't brave the weather, you missed a treat, and you should not miss your opportunity to see the same program tonight. At the regular 5 and 10 cent admission prices, the Grand offers "Madame Butterfly" in six reels and an excellent reel of Paramount Newpictures—seven big feature reels tonight. Shows will start at 7:15 and 9 o'clock.

The Grand offers a novelty program tomorrow, six reels made up of short subjects showing such stars as Richard Travers, Myrtle Gonzales and others and there will be a single reel of Paramount travel pictures.

Referring again to tonight's special program, it is rarely indeed that the motion picture public has been privileged to witness so exquisitely artistic a performance as that of Mary Pickford in the Famous Players Film company's screen adaptation of John Luther Long's immortal classic, "Madame Butterfly." The screen version of this famous love tale, colorful in opera, novel and play, has preserved and enhanced all the poetic beauty and tenderness of the original. As the forsaken Cho-San, the little maid of the Flowery Kingdom, patiently waiting through the long months for the return of her faithful American husband, Mary Pickford presents an innocent, confiding, pathetic figure, who proceeds through her many sorrows with unconquerable courage and endurance. Only an actress of Miss Pickford's remarkable magnetism and dramatic power could have presented a pantomimic impersonation of this famed character that will stand comparison with the possibility of execution were it not for the fact that "Potash and Perlmutter" ran for nearly two years at that theatre. Not a single one of these actors was finally signed for tour, until he had demonstrated his or her ability to please a discriminating audience and when the companies finally left for the road, Manager Woods has satisfied himself that every organization was "100 per cent good."

"Potash and Perlmutter" come to the Grand Wednesday for matinee and night, with just such a company of splendid artists, all of whom have played at the Cohan theatre to capacity audiences. In the cast will be: Jules Jordan,

BREAK A CHILD'S COLD BY GIVING SYRUP OF FIGS

CLEANSSES THE LITTLE LIVER AND BOWELS AND THEY GET WELL QUICK.

When your child suffers from a cold don't wait; give the little stomach a good cleansing at once. When cross, peevish, listless, pale, doesn't sleep, eat or act naturally; if breath is bad, stomach sour, give a teaspoonful of "California Syrup of Figs," and in a few hours all the clogged-up, constipated waste, sour bile and undigested food will gently move out of the bowels, and you have a well, playful child again.

If your child coughs, snuffles and has caught cold or is feverish or has a sore throat give a good dose of "California Syrup of Figs" to evacuate the bowels no difference what other treatment is given.

Sick children needn't be coaxed to take this harmless "fruit laxative." Millions of mothers keep it handy because they know its action on the stomach, liver and bowels is prompt and sure. They also know a little given today saves a sick child tomorrow.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which contains directions for babies, children of all ages and for grown-ups plainly on the bottle. Beware of counterfeiters sold here. Get the genuine, made by "California Fig Syrup Company."

Law Welch, Gus Cohan, Fred Fleck Jr., Edward Shoben, Irving Seid, Wm. Leyden, Jules Unger, Lottie Keck, Marie Howe, Pearl Ford, Bertha Bartin and others.—Advertisement.

THE NAUVOO GATE CITY

(Continued from page 4.)

Well several times on account of no lights. If there is any person here after expected to return home at 3 a. m., the lights will be left burning until a later hour if such notice be given to our accommodating manager, Jos. Nelson of the Nauvoo light plant.

Cupid must have sworn off in Nauvoo and is still occupying the seat in the chariot, for no marriage is in prospect, or at least, the gossips have not got hold of any about-to-be-married young people's names to circulate.

It is said several Ft. Madison parties are contemplating entering Nauvoo's business circles and we are ready to throw out the glad hand to any who wish to move to the old Mormon town and become one of us. Poor Burlington envies Keokuk and Ft. Madison because they are so near to Illinois saloon towns. Nauvoo is Burlington's nearest irrigation point, but that don't bother some Burlington people. A traveling man from there told us that they are having plenty of the joy stuff shipped in and the drouth doesn't effect them much. He says Nauvoo will be one of the best excursion points on the Mississippi river this coming summer and will be more of an attractive place than the Keokuk water power dam has been.

To Cure a Cold in One Day Take LAXATIVE BROMO QUININE Tablets. Druggists refund money if it fails to cure. E. W. GROVE'S signature is on each box. 25c.

Keokuk Pupils on Honor Roll

Pupils of the Torrence school who have been neither absent nor tardy for the first term of the school year, 1915-16, are the following: Room 1—Frank Green; Room 2—Charlotte Atterberg, Donald Perdew; Room 3—Ralph Nelson, Eda Joseph, Albert Fallon, John Stahl, Joseph Culler; Room 4—James Metzinger, Edward Reichman, Bertha Atterberg, Hilma Pearson, Murna Stahl, Arthur Burton, Robert Cook, Zana Fogeland, Mary Irelan, Lucille McGruder, Emily Patterson; Room 5—Acnes Fallon, Elizabeth Hoffman, Vera Malone, Helen Olson, Minnie Opatsten, Edna Pearson, Ivan Larson, Theodore Atterberg, Violet Hultman, Wilma Lowenstein; Room 6—Herman Boehm, Carl Hoffman, Carroll Nelson, Clara Cook, Esther Fogeland, Effie Johnson, Mabel Spicer.

TREAT CATARRH BY NATURE'S METHOD

Every Breath of Hyomei Carries Healing Medicated Air to the Infected Membrane. Nearly everyone who has catarrh knows how foolish it is to try and cure it with sprays, lotions, and the like. Temporary relief may be given, but a cure seldom comes.

OUR YOUNG WOMEN

are so often subject to headache—are languid, pale and nervous—because their blood is thin or insufficient. They are not really sick and hesitate to complain, but they lack that ambition and vivacity which is their birthright. They do not need drugs—but do need the tonic and nourishment in Scott's Emulsion that makes richer blood, fills hollow cheeks, suppresses nervousness and establishes strength. Nourishment alone makes blood and Scott's Emulsion is the essence of concentrated nourishment, free from wines, alcohols or opiates. If mother or daughter is frail, pale or nervous, give her Scott's for one month and see the betterment. It has a wholesome, "nutty" flavor. Avoid substitutes. At any drug store. Scott & Bowne, Bloomfield, N.J. 15-24

CONFER ON TAXES OF POWER CO.

Meeting Is Being Held of Supervisors, Company Officials and Others in Keokuk Today.

RESOLUTION IS SENT

Lee County Anti-Horse Thief Association, Sends Protest to the Board Which Results in Meeting.

A meeting is being held today in Keokuk between members of the board of supervisors, officials of the Mississippi River Power company and others, to confer on the question of taxes on the power company. This question was brought up before the board of supervisors through a resolution passed by the Lee county division of the Anti-Horse Thief association. The resolution read as follows: "To the Honorable Board of Supervisors of Lee County: Whereas, we find that the Mississippi River Power company has not been properly taxed by previous board, and we find that their yearly report of January, 1915, that their gross earnings is \$1,585,064.40.

"Whereas, we find that in the constitution of the state of Iowa, in article 8, corporations property taxable, section 2: 'the property of all corporations for pecuniary profit shall be subject to taxation the same as that of individuals.'

"Therefore be it resolved that the honorable board abide by the constitution and tax the Mississippi River Power company the same as an individual, and the same as they do the farmers.

"By the legislative committee of the Lee county, O. S. Bennett, Chas. Peterson, Montrose, Iowa, January 15."

Meyer Refers Letter

County Auditor Meyer has referred the communication to the board of supervisors and addressed the following statement to the committee: "Your communication in regard to the assessment of the property of the Mississippi River Power company received today.

"I have mailed copies of your resolution to each member of the board of supervisors, as they are not now in session.

"The next session of the board will be held February 1.

"In order to secure direct results and to get the matter before the officers who have the power to raise or lower individual assessments as equity demands, I would advise you to address your resolution to the assessor and to the mayor and board of review of the city of Keokuk.

FARMINGTON.

The typhoid cases are all better, some able to be up a little now. The R. N. A. met at the home of Harry Bartons and held their monthly meeting. Refreshments were served. They all enjoyed the afternoon.

Mrs. Harry Folker visited Wednesday at Milton with relatives.

The Epworth league is going to give an old time school in the basement of the M. E. church next Friday evening.

Miss Ruth Crumboltz has taken Miss Berry's place as teacher in the high school.

Miss Cora Ray of Burlington hospital, spent over Sunday here at the T. Y. Nelson home. Grandpa Lueckle was buried here last Wednesday. He leaves to mourn

Edward L. Kruse 5-10-25c Store

Specials for Saturday and Monday

We are going to clean up all the small lots of merchandise and have put a price on them to move them in a hurry.

- Children's 25c dresses for 15c

Ladies' fleeced drawers, 25c grade, 2 pr. for 25c
Children's 15c grade gloves for 10c
All 25c gloves and mitts, per pair 15c
Toilet soap, 5c value, 3for 10c
Ladies' white foot hose, 4 pair for 25c
A new line of val lace, worth 5c a yard, per 2 yds. 5c
Rubber doormats for 25c

of supervisors authorize the correction of an error in judgment on the part of an assessor or the board of review. "The foregoing is in accordance with the provisions of the laws of Iowa pertaining to assessments and is submitted for your information. "Should you so desire, I will be glad to furnish any further information required, and I will be pleased to be of further service."

ENGLISH JOURNAL ATTACKS THORNE

Investigator from London Blames Iowa for Plenty of Trouble Railroads Experience. State officials yesterday were amused at the suggestion published in the Economic Journal, the publication of the Royal Economic Society of Great Britain, that Clifford Thorne, chairman of the Iowa railroad commission, should be disbarred from appearing before the interstate commerce commission for daring to oppose an increase in freight and passenger rates asked by the railroad, says the Register.

Frederick W. Ripley came to the United States to study the railroad situation. On his return to England he wrote an article in which he scored the government on one side for not raising the pay of railroads for carrying mails in America and scored Clifford Thorne as the greatest force in opposition to the raising of freight and passenger rates by the railroad.

One complaint by Professor Ripley is that the parcel post has been established in the United States and that the people here are sending potatoes in carload lots by parcel post, without increasing the pay of the railroads for carrying the potatoes as mail matter. He also says that his attention was called to the sending of eighty tons of wheat by parcel post, and that a fast mail train was stopped and held to permit the loading.

Regarding over-capitalization of the American railroads, Professor Ripley says it is all true and that the charge is a "hoary-headed bogey."

The Economic Journal says: "Mr. Clifford Thorne is chairman of the Iowa state railroad commission, and he is appearing before the interstate commerce commission as counsel for western railroad commissions and for a private trading association which dislikes the prospect of having to pay increased rates. The American public appears to see no objection. The interstate commerce commission is evidently powerless, and the simple English expedient of disbarring Mr. Clifford Thorne is presumably not available."

The "Traffic World," one of the American publications favoring the railroads, comments on the English criticism, unfavorably to Mr. Thorne. Both of the articles caused Mr. Thorne considerable amusement.

WOMEN SHOULD GET THIS HABIT AS WELL AS MEN

Don't eat bite of breakfast until you drink glass of hot water.

Happy, bright, alert—vigorous, and vivacious—a good clear skin; a natural, rosy complexion and freedom from illness are assured only by clean, healthy blood. If only every woman and likewise every man could realize the wonders of the morning inside bath, what a gratifying change would take place.

Instead of the thousands of sickly, anemic-looking men, women and girls with pasty or muddy complexions; instead of the multitudes of "nervous wrecks," "rundowns," "brain fags" and pessimists we should see a virile, optimistic throng of rosy-cheeked people everywhere.

An inside bath is had by drinking, each morning before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to wash from the stomach, liver, kidneys and ten yards of bowels the previous days indigestible waste, sour fermentations and poisons, thus cleansing, sweetening and freshening the entire alimentary canal before putting more food into the stomach.

These subject to sick headache, biliousness, nasty breath, rheumatism, colds; and particularly those who have a pallid, sallow complexion and who are constipated very often, are urged to obtain a quarter pound of limestone phosphate at the drug store which will cost but a trifle but is sufficient to demonstrate the quick and remarkable change in both health and appearance awaiting those who practice internal sanitation. We must remember that inside cleanliness is more important than outside, because the skin does not absorb impurities to contaminate the blood, while the pores in the thirty feet of bowels do.

CHICHESTER'S PILLS

his loss several sons and one daughter Mrs. Chas. Bruggeman. Mr. Lueckle was a well known man among the community. He will be greatly missed by all who knew him. Little Jimmie Carr, son of Mr. and Mrs. Ed. Carr, is quite poorly at this time.

Miss Stella Hawkins of the Graham hospital at Keokuk, is here nursing Mrs. Kelsey at the present.

Should Appoint Taft. Council Bluffs Nonpartisan President Wilson will find his course very generally and as well as generously approved if he appoints Mr. Taft to the supreme court bench.

BRANDRETH'S PILLS An Effective Laxative Purely Vegetable Constipation, Indigestion, Biliousness, etc. OR at Night until relieved Chocolate-Coated or Plain

The Hospitals use Sims Breakfast Food THE leading hospitals of the Northwest which are recognized by physicians as the most efficient in the world, use Sims Breakfast Food in their convalescent wards. This is because Sims is made from the creamy parts of the best selected Northern wheat and the delicate brown particles of barley malt—the two most nourishing and easily digested cereals. The rich new flavor of Sims has brought back many a jaded morning appetite. It will make your family enjoy breakfast again. Forty helpings for 15c. Just say, "SIMS" to your grocer. SIMS CEREAL COMPANY Minneapolis, Minn., U. S. A.
