Careless Use of Soap Spoils the Hair

Soap should be used very carefully, if you want to keep your hair looking its best. Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and ruins it.

Pupils Give Recital.

A pupils' recital, the second in a series given this winter by the pupils of Miss Clara Gertrude Fry, was given last evening in the auditorium of the Y. W. C. A. A large number of the friends of the pupils and of Miss Fry enjoyed the recital and generously applauded the various numbers. The youngest performer on the program was little Miss Patricia Pease, who, although only eight years old, played a number with Miss Fry which brought a burst of applause, and the audience was not satisfied until she made a sweet little bow. The selection was one for two pianos, Miss Fry playing one and little Miss Pease the other. She kept perfect time, and had poise and presence unusual in one so young. All of the numbers were exceptionally well executed, and showed a general knowledge and interpretation of their numbers. Their grasp of the keys and expression was noticeable, and the entire recital reflected considerable credit not alone on the performers but on the teacher, Miss Fry, as well. The final number in which four young women played on two pianos, was very artistic and unusually well done. Those who took part on the program last night were the Misses Martha Wilcox, Marian Reid, Margaret Montgomery, May Richards, Margaret Rovane, Mabel Joyce, Alice Beckman, Patricia Pease, Florence Alling, Katherine Elder, Louise Sterne, Margaret Dorsey, Dorothy Norton and Margaret Hodge. Miss Fry appeared in duets or two piano numbers with Miss Joyce, Miss Beckman, Miss Alling, Miss Elder and Miss Richards. These numbers were especially well given and the audience was charmed with the entire program.

YOUR HAIR REQUIRES AN OIL SHAMPOO

Imagine a plant trying to grow in a corner pot with a heavy object pressing down upon it. It would soon die. That's what dandruff does to the delicate hair plants. It seals up the top of the hair cells and prevents new hair from coming through and it smother's the roots of the old hair causing it to fall. Ordinary soaps and shampoos contain free alkali that eats the natural oil of the hair and dissolves the fatty roots of the hair which once destroyed cannot be restored.

EVERY WEEK ANTI-SEPTIC OIL SHAMPOO does not attack the natural oil of the hair nor the hair roots. It produces a rich creamy lather which cleanses the hair and scalp thoroughly, dissolving and removing dandruff (dry or oily) which clogs the hair cells. It leaves the hair soft, fluffy and lustrous.

FALL FESTIVAL COMMITTEE CALL

Chairman George Baur Asks for Meeting of Members at 9 O'clock Tomorrow to Talk Celebration.

MAY FEATURE BIG BAND

Sentiment Generally Favors Suggestion of Band, Fireworks and Aeroplane as Attractions for the Week.

A meeting of the fall celebration committee has been called for 9 o'clock tomorrow morning at the Industrial association rooms. The committee is composed of E. F. Renaud, J. P. Ingle and Jacob Schouten of the Keokuk Retailers' league, and the executive committee of the Keokuk Retail Merchants' association composed of George Baur, J. W. Winger, D. E. Linquist and J. M. Fulton.

The general opinion among the merchants and those who are competent to judge concerning fall celebrations, is that one of the leading bands of the country should be secured as the chief attraction, with an aeroplane, or hydroplane, perhaps, giving flights at various times during the day and night, and an immense fireworks pageant for the night attraction. This it is believed, would form an ideally attractive program for a fall celebration. The motion picture houses would no doubt co-operate in the matter of programs, or there might be a real first class free amusement secured. The day of the street carnival with its noise and freedom and license is something good.

It is easy enough to fill a column with the symptoms afflicting those who have dyspepsia, but there is no need of describing their condition. What they want is relief and they can almost certainly get it in Mi-o-na. Do not suffer a day longer with disordered digestion. If Mi-o-na relieves you it costs you 50 cents a box, if it does not, the druggist will return your money. Sold by Wilkinson & Co. and other leading dealers.
