**LODGE OBSERVES ITS ANNIVERSARY**

Keokuk Lodge No. 13, I. O. O. F. Enjoyed Program and Chicken Pie Supper at Odd Fellows Temple.

**MANY IN ATTENDANCE**

Over 250 Members and Families Present to Enjoy the Event and to Take Part.

More than 250 members and their families attended the anniversary of Keokuk Lodge No. 13, I. O. O. F., held last evening in the Odd Fellows temple. There was a program which proved most enjoyable to everyone who was present. Following the program a chicken pie supper was served and there was dancing and other social features to make the evening an interesting one.

The observance of the lodge anniversary is always an interesting event and this year the committee in charge furnished a most attractive evening for the members and their families. It proved a most delightful affair in every respect, and everyone enjoyed himself.

The program was the following:  
 Orchestra number—Agne's orchestra.

Opening Ode.  
 Prayer—Chaplain.  
 Welcome address—Geo. S. Merriam.  
 Reading—Mrs. W. Frank Brown.  
 Comedy sketch—Earl Frank.  
 Piano solo—Miss Lagerpusch.  
 Address—George Angell.  
 Quartette—Clyde Inman, Clarence Laumberg, Arthur Petry, Robert Linquist.

Reading—Mrs. W. Frank Brown.  
 The two addresses by George S. Merriam and George Angell were greatly appreciated. The orchestra numbers by Agne's orchestra, and the quartette numbers were excellent and were given deserved applause. The comedy sketch by Earl Frank was good and the readings by Mrs. W. Frank Brown merited the applause given. A very pleasing piano number was played by Miss Sadie Lagerpusch.

The committee in charge was composed of A. Linquist, Charles Langley, Henry Schaefer, Robert Linquist, C. A. Armstrong, Vernon McKay and O. O. Tracy. Credit is due this committee for the excellent program and supper provided.

ed States although men in Europe find it easy.  
 A leading embalmer stated this morning that practically all supplies used by American undertakers are subject to a steady rise in price at the present time and as proof offered several circulars from leading manufacturers stating that conditions rendered a price increase necessary.

A few weeks ago, the price of casket hardware which is used for handles and other metals which constitute a portion of the equipment of the casket were advanced 10 percent in price. This morning circulars were received stating that a further increase of 15 percent was necessary.

The hardwoods which enter into the construction of caskets have increased in price and it was stated this morning that manufacturers had increased the price of shrouds. Satins, plushes and lace are all affected. There has not been a noticeable increase in the prices of embalming fluids to date, but embalmers are prepared for increases.

Mrs. John Cole and daughter, Miss Elizabeth, and Mrs. G. W. Eaton are spending the day at Carthage.

**WOMEN ORGANIZE TO SECURE VOTE**

Officers Are Elected by Keokuk Women Yesterday Afternoon at Meeting at Mrs. Ballinger's.

**CONSTITUTION ADOPTED**

Mrs. McDowell Makes Address to Women and Helps in Perfecting Organization Here.

The organization of the first division of the Lee County Equal Suffrage association was completed yesterday afternoon at a meeting held at the home of Mrs. William Ballinger. Mrs. Gerald McDowell spoke for half an hour, after which a business session was held, a constitution adopted and officers elected. Miss Younker presided during the business meeting and Mrs. Louise B. Field served as secretary. The chairman appointed Miss Merta Mitchell and Miss Clara Gertrude Fry as the nominating committee and after asking for instruction as to the number of vice chairmen to be named, placed in nomination the following officers who on motion of Mrs. T. R. Board, were elected by unanimous ballot:

Chairman—Mrs. Winona E. Reeves.  
 Vice chairmen—Miss Nettie Younker, Mrs. Leonard Matless, Mrs. W. G. Blood, Mrs. J. F. Eder, Mrs. William Ballinger, Mrs. H. C. Brown, Mrs. W. J. Roberts, Mrs. J. J. Ayres.  
 Secretary—Mrs. Louise B. Field.  
 Treasurer—Mrs. H. O. Whitney.

**By-Laws Adopted**

The following bylaws were adopted:  
 Section 1. Name—The name of this organization shall be the first division of the Lee County Equal Suffrage association.

Section 2. Purpose—The purpose of the organization shall be efforts for Iowa women.

Section 3. Membership—Membership shall be by enrollment.

Section 4. Officers—The officers shall be a chairman, one or more vice chairmen, a secretary and a treasurer.

Section 5. Duties—The duties of the officers shall be such as is implied in the name of the office and they shall have power to appoint such committees as the work may demand.

Section 6. Meetings—The association shall meet every two weeks until June 5, 1916.

Section 7. Amendment—These laws may be amended at any meeting of the association by a two-thirds vote of members present, a two week's previous notice having been given.

Will Get New Members.  
 The association already has a large membership and it will give its energy first to adding new members and it is hoped that practically all the women in the city will enroll with the organization. A telephone message to any officer will record the names of new members, who can later sign the constitution, giving expression to their interest in the purpose of the organization. At the first meeting of the officers which will be called soon, the following committees will be appointed: Publicity, speakers, entertainment, literature, finance and organization.

Mrs. Ballinger introduced Mrs. McDowell at the meeting yesterday, who had for a subject "The History of the Women's Movement."

Mrs. McDowell's Talk.  
 She said: "Some one has said that the greatest discovery of the nineteenth century was the discovery of woman by herself." She gave the history of some of the women who were leaders in ancient times in Babylon, Persia, Sparta and in Rome. In medieval times there were great queens and abbesses and in English history she cited the reigns of the three queens, Elizabeth, Anne and Victoria as instances of the power of administration which women have. Then she traced in our own country, the advancement made by women when the advantages of education were given her, and how she has succeeded in the business and professional world since those activities were opened to her. At the time when the first clubs were formed in the '60's, they were organized, nine cases out of ten, by suffragists. They were at first, culture and study clubs. Then they developed into departmental and civic clubs, and now every federated club has endorsed equal suffrage. The general federation, which is the national organization, gave it unanimous endorsement, then the state federations endorsed it, and then the clubs individually. Women all over the world are asking for the vote. The United States is the only country on earth and it presumably, is the greatest democracy, which requires a direct vote to give franchise to women. In every other country, the legislature has the power to grant it. In no other country are women given so few voting privileges as in some of our states, notably Maine and Indiana.

William Ballinger, at the close of Mrs. McDowell's talk, spoke of a political meeting of women which he attended in Oak Park, Ill., and said he has been in many political meetings, but never in one conducted in a more direct, business-like way than the one conducted by the women of that Illinois city.

At the meeting at Mrs. Kilbourne's last week, the majority of the women present joined the organization. At the meeting yesterday a majority of those who were present affixed their signatures, although not all of those who were at the meeting signed the constitution.

The following attended the meeting yesterday:  
 Mrs. Augusta W. Kilbourne, Mrs.

**HOW TO BE SLIM**

If you are too fat and want to reduce your weight 15 or 20 pounds, don't starve and weaken your system, or think you must always be laughed at on account of your fat, but go to Wilkinson & Co., or any good druggist, and get a box of Oil of Korelin capsules, take one after each meal and one before retiring at night.

Weigh yourself once a week and note what a pleasant and reliable method this is for removing superfluous fat from any part of the body.

It costs little, is absolutely harmless and I am sure a week's trial should convince anyone that it is unnecessary to be burdened with even a single pound of unsightly fat. Wilkinson & Co. can supply you.

**Tribute to a Woman.**

When the Lusitania went down to its watery grave, taking one of our prominent writers and his wife, leading papers published a remarkable literary tribute previously paid by the husband to the wife. This was because she had been such a helpmate to him in carrying out his ideals. Thousands of women have the ambition to be such helpmates to their husbands, but lack the necessary health. Every such woman should remember that Lydia E. Pinkham's Vegetable Compound is the one remedy which will restore health and strength, the unrivalled medicine for woman's ailments.—Advertisement.

**BRINGING BODY HOME TONIGHT**

Remains of Clarence Whiteside, Who Died in Buffalo, Being Brought Here For Burial.

**HAD BEEN GONE 7 WEEKS**

Was Working on Stone & Webster Construction Job Just Outside of Buffalo—The Survivors.

The body of Clarence Whiteside, the young Keokuk man who died in Buffalo, N. Y., yesterday, will be brought to Keokuk tonight and will be taken to the Keokuk home of the deceased on Oregon avenue, Mrs. Whiteside, who left this city to join her husband in Buffalo about a week ago, will accompany the remains to Keokuk.

No further news has been received here by relatives as to the cause of the young man's death. He was working on a Stone & Webster job just outside of Buffalo and as he died in the hospital after being taken there injured, it is the supposition that he was seriously hurt while at work.

Mr. Whiteside was twenty-three years of age and was born near Downing Mo. in the year 1893. He came to Keokuk about eight years ago and worked here as a carpenter during the construction of the dam. He went to Buffalo seven weeks ago to work on another Stone & Webster job and just a week ago sent for his wife.

He was married in Iowa City about five years ago to Miss Minnie Strango. Two children, Clyde Whiteside, four years old, and Robert Whiteside, two, survive besides the wife.

Mr. Whiteside's parents also survive with several brothers and sisters. His father, John Whiteside lives at Burwell, Neb., and his mother at Aurora, Ill. The brothers and sisters are Elbert Whiteside, Keokuk; Grace Whiteside and Ellis Whiteside of Burwell and Nellie and Clyde Boone of Des Moines, Iowa.

The decedent was a member of the Modern Woodmen of America fraternal society.

**NO INQUEST HELD IN BELL TRAGEDY**

Coroner Clements Decides That There Will Be No Necessity for Inquiry.

After learning the facts of the death of Charles and Lucella Bell, which occurred in such a tragic manner at the home of the victims near Mr. Hamill, Friday evening, Coroner Walter Clements of 512 Madison decided that the evidence of the manner of death was conclusive enough without holding further examination.

Mrs. Isaac Bell, the mother of the unfortunate man and woman, is still in a serious condition from the effects of the terrible accident, and her life is hanging in the balance. Besides the mother, a sister, Mrs. C. O. Van Winkle of Salem, survives. The funeral over the bodies of the dead brother and sister was held from the home at 1:00 p. m. Sunday. The friends and relatives from many miles around were in attendance. Interment was made in Sharon cemetery. Rev. Lloyd Tennant, chaplain of the Iowa state prison, officiated.

**COST OF DYING IS ON INCREASE**

Looks Like European War is Even Following Folks to Grave With High Prices.

If you have any inclination to shuffle off this mortal coil, put it off a bit. This is a poor time for dying. Not that it is affected by the dye situation, but because undertaker's supplies are increasing in cost. During the first weeks of the European war when the artillery of the belligerents was rattle and rumbering a "Medley of Death," business interests affected by wartime prices were the exception. Firms had reserve supplies and for the time being there was no appreciable change in prices. But at the present time, business interests which are not affected by wartime prices are the exception. It even costs more to die in the United

**Cocoon Oil Fine For Washing Hair**

If you want to keep your hair in good condition, be careful what you wash it with.

Most soaps and prepared shampoos contain too much alkali. This dries the scalp, makes the hair brittle, and is very harmful. Just plain mulified cocoon oil (which is pure and entirely greaseless), is much better than the most expensive soap or anything else you can use for shampooing, as this can't possibly injure the hair.  
 Simply moisten your hair with water and rub it in. One or two teaspoonfuls will make an abundance of rich, creamy lather, and cleanses the hair and scalp thoroughly. The lather rinses out easily, and removes every particle of dust, dirt, dandruff and excessive oil. The hair dries quickly and evenly, and it leaves it fine and silky, bright, fluffy and easy to manage.

You can get mulified cocoon oil at most any drug store. It is very cheap, and a few ounces is enough to last everyone in the family for months.
