Sick Eight Years with Female Trouble and Finally Cured by Lydia E. Pinkham's Vegetable Compound.

DEAR MRS. PINKHAM:—I have for in my life given a testimonial for you, but you have done so much for me that I feel called upon to give you my unsolicited acknowledgment of

MRS. JENNIE E. O'DONNELL, president of Oakland Woman's Riding Club, wonderful narrative value of Lydia Pinkham's Vegetable Compound. For eight years I had female trouble, falling of the womb and other ailments. During that time I was pro or less of an invalid and not much good for anything, until one day I read a book in my hall telling of cures you could perform. I became interested; I bought a bottle of Lydia Pinkham's Vegetable Compound and was helped; I continued its use and in seven months was cured, and so that time I have had perfect health. Thanks, dear Mrs. Pinkham, for the health I now enjoy."—MRS. JENNIE O'DONNELL, 278 East 31st St., Chicago, Ill.—\$5000 forfeit if above statement is not genuine.

Women suffering from any form of female illness can be cured by Lydia E. Pinkham's Vegetable Compound. That's sure. Mrs. Pinkham advises sick women free. Address, Lynn, Mass.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, it requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for anyone who can cure a case of Catarrh that it fails to cure. Send for list of Testimonials.

SPLIT, BRITTLE, DULL HAIR.
All Come from Dandruff, which is Caused by a Germ.

Split hair, harsh hair, lusterless hair, brittle hair, falling hair, all owe their origin to dandruff, which is caused by a meanly little microbe that burrows into the scalp, throwing up the cuticle into public display and sapping the vitality of the hair at the root, causing the several diseased conditions of the hair till it finally falls out. Modern science has discovered a remedy to destroy the dandruff microbe, which is combined in Newbro's Hairdressing and may be had of any druggist. Always itching instantly and makes hair soft as silk. Take no substitute; nothing "just as good."

LESSON VII. FEB. 16; ACTS 5: 33-42.—THE SECOND PERSECUTION.

Golden Text—"Blessed Are They Which Are Persecuted for Righteousness' Sake: For There is the Kingdom of Heaven"—Notes on Persecution.

I. The Occasion of the Persecution.—Vs. 21-23. Distinguishing between the Cause and the Occasion of the persecution. The Cause lay in the hearts of the persecutors, whose rank, power, authority, honor and income might be affected by the success of the gospel; and whose conscience would accuse them of the murder of the Messiah, and the stain of their nation. The Occasion was the success of the gospel; the great numbers of converts, the transformation of their lives, their noble and joyous life, their pure teachings, their generosity, and the many things done by them to relieve disease, sorrow, and poverty.

II. The Transformation of the Persecutors.—Vs. 24-26. The persecutors, who were once their noble and joyous life, their pure teachings, their generosity, and the many things done by them to relieve disease, sorrow, and poverty.

III. The Transformation of the Persecutors.—Vs. 27-29. The persecutors, who were once their noble and joyous life, their pure teachings, their generosity, and the many things done by them to relieve disease, sorrow, and poverty.

IV. The Transformation of the Persecutors.—Vs. 30-32. The persecutors, who were once their noble and joyous life, their pure teachings, their generosity, and the many things done by them to relieve disease, sorrow, and poverty.

V. The Transformation of the Persecutors.—Vs. 33-35. The persecutors, who were once their noble and joyous life, their pure teachings, their generosity, and the many things done by them to relieve disease, sorrow, and poverty.

VI. The Transformation of the Persecutors.—Vs. 36-38. The persecutors, who were once their noble and joyous life, their pure teachings, their generosity, and the many things done by them to relieve disease, sorrow, and poverty.

VII. The Transformation of the Persecutors.—Vs. 39-41. The persecutors, who were once their noble and joyous life, their pure teachings, their generosity, and the many things done by them to relieve disease, sorrow, and poverty.

VIII. The Transformation of the Persecutors.—Vs. 42. The persecutors, who were once their noble and joyous life, their pure teachings, their generosity, and the many things done by them to relieve disease, sorrow, and poverty.

Sawdust, combined with certain chemicals, makes excellent flooring. The combination is the secret of a German chemist. This flooring is firm, smooth and fireproof. Its chief advantage, besides its cheapness, lies in the fact that it is impervious to sound.

Dr. Daniel Freeman of Gage Co., Nebraska, is known as the "first homesteader." He is living on the first farm the government gave away under the homestead act. His home is about five miles west of Beatrice. His original entry, of 160 acres, has expanded until it is now a well-stocked farm of 1,200 acres.

The "beautiful blue Danube" is a fake and a delusion. A cold-blooded scientist watched the river for an hour each day during a whole year. He found the water to be brown 11 times; yellow, 46; dark green, 50; light green, 45; grass green, 22; greenish gray, 69; other shades of green, 110; and that it never had anything like a beautiful blue tint.

Farmer Finds A Friend.
Nadeau, Mich., Feb. 2d.—Mr. Nelson De Rosier of this place, a prosperous farmer, sixty-one years of age, has suffered for years with Kidney Trouble.

He has tried many medicines, but found nothing to relieve him until he began to use Dodd's Kidney Pills, and he has found this remedy to be a friend indeed. He says:

"I thank God that there is one medicine in the world that does help weak and sick humanity. I would earnestly advise every one who has Kidney Trouble to use Dodd's Kidney Pills. They have given great satisfaction in our family."

Wherever Dodd's Kidney Pills have been used according to directions, they have not failed to cure all Kidney Troubles, Bright's Disease, Dropsy, Rheumatism, Lumbago and Backache.

THE CHILDREN ENJOY
Life out of doors and out of the games which they play and the enjoyment which they receive and the efforts which they make, comes the greater part of that healthful development which is so essential to their happiness when grown. When a laxative is needed the remedy which is given to them to cleanse and strengthen the internal organs on which it acts, should be such as physicians would sanction, because its component parts are known to be wholesome and the remedy itself free from every objectionable quality. The one remedy which physicians and parents, well-informed, approve and recommend and which the little ones enjoy, because of its pleasant flavor, its gentle action and its beneficial effects, is—Syrup of Figs—and for the same reason it is the only laxative which should be used by fathers and mothers.
Syrup of Figs is the only remedy which acts gently, pleasantly and naturally without griping, irritating, or nauseating and which cleanses the system effectually, without producing that constipated habit which results from the use of the old-time cathartics and modern imitations, and against which the children should be so carefully guarded. If you would have them grow to manhood and womanhood, strong, healthy and happy, do not give them medicines, when medicines are not needed, and when nature needs assistance in the way of a laxative, give them only the simple, pleasant and gentle—Syrup of Figs.
Its quality is due not only to the excellence of the combination of the laxative principles of plants with pleasant aromatic syrups and juices, but also to our original method of manufacture and as you value the health of the little ones, do not accept any of the substitutes which unscrupulous dealers sometimes offer to increase their profits. The genuine article may be bought anywhere of all reliable druggists at fifty cents per bottle. Please to remember, the full name of the Company—**CALIFORNIA FIG SYRUP CO.**—is printed on the front of every package. In order to get its beneficial effects it is always necessary to buy the genuine only.
