

Miss Gannon, Sec'y Detroit Amateur Art Association, tells young women what to do to avoid pain and suffering caused by female troubles.

"DEAR MRS. PINKHAM—I can conscientiously recommend Lydia E. Pinkham's Vegetable Compound to those of my sisters suffering with female weakness and the troubles which so often befall women. I suffered for months with general weakness, and felt so weary that I had hard work to keep up. I had shooting pains, and was utterly miserable. In my distress I was advised to use Lydia E. Pinkham's Vegetable Compound, and it was a red letter day to me when I took the first dose, for at that time my restoration began. In six weeks I was a changed woman, perfectly well in every respect. I felt so elated and happy that I want all women who suffer to get well as I did."

—MISS GUILA GANNON, 349 Jones St., Detroit, Mich., Secretary Amateur Art Association. —\$5000 for gift of above letter proving genuineness cannot be produced.

When one considers that Miss Gannon's letter is only one of the countless hundreds which we are continually publishing in the newspapers of this country, the great virtue of Mrs. Pinkham's medicine must be admitted by all.

PRIMARY BILLS ARE OFFERED

Senator Crossley and Representative English Introduce Bills

IMPORTANT FEATURES OF EACH

Each Bill Provides for Delegate Conventions to Be Held By Delegates Elected Under the Law, Who Must Vote as Instructed.

Des Moines, Jan. 27.—Simultaneously in both houses yesterday afternoon primary election bills were introduced which are expected to comply with the recommendations made by Governor Cummins in his biennial message to the legislature.

Senator J. J. Crossley introduced the measure in the senate, and Representative Emory H. English introduced it in the house. The measures differ considerably and it will be up to the committees from both houses to reconcile them and select the best features of each. In their essential features, however, they resemble each other.

The important features of the Crossley bill are as follows: Majority instead of plurality is necessary to nominate. Primary will be held on first Tuesday in June of each year and expenses shall be borne by the county, not by the candidates. Judges and other officials are allowed pay for but one day's work. All towns of 5,000 population or over must have a primary election. All parties shall be represented. Instead of but one, and the primary will be joint although selections are independent.

When the voter asks the judge for a ballot, he must specify what his party affiliation is, and for republican or democrat ballot, as the case may be. He can thus vote but once. If requested, he must take oath that he voted with that party at the last general election and perjury will be attached with the same penalty as at a general election.

At the general election in November each year the voter must declare his party affiliation and it will be made a matter of record, if he wishes to participate in the spring primary. Otherwise he can have no vote in the primary, although he can of course vote at the general election.

The English bill embodies the following among its provisions: Primary shall be the first Tuesday in May. Polls shall be open from 12 noon to 7 p. m. Any party may be represented that polled ten per cent of the vote at the last general election or presents a petition containing the names of two per cent of the qualified voters. Primary election shall also be a day of registration for the general election, and the registration books being in session at the same time.

Those who desire to vote at the spring primaries must register at the fall election, specifying party affiliation. Penalties for bribery, perjury, repeating, etc., to be same as at general election. Candidates must file statement with the county auditor twenty days prior to primary, stating that they intend being candidates. Candidates for state offices must deposit \$200 and for district offices \$10 for each county in which they are running, and for city candidates a fee of \$5 is required.

Australian ballot system, with ballots virtually the same as at general election. Each precinct committee shall designate two challengers. Delegates receiving highest vote shall be declared elected. Delegates cannot appoint proxies. Convention shall be held on following Saturday. If any candidate, when convention convenes, has enough instructed delegates to constitute a majority of all, he shall be declared nominated without formality of ballot. Where no one has a majority, the roll shall be called and the delegates from each precinct shall vote in turn until some candidate receives a majority.

CAVALRY COMES IN MARCH.

Colonel Thomas and Staff Will Arrive in Thirty Days.

Des Moines, Jan. 28.—The outlook is for a cavalry squadron at Fort Des Moines early in March, which is a month earlier than had formerly been announced as the probable date of the arrival of the troops of the Eleventh cavalry.

Major Turner has received a letter from Colonel Thomas of the Eleventh cavalry, in which the colonel says he expects to reach Des Moines by the 1st of March or very soon thereafter. The movements of transportation and so on, leads Major Turner to expect that the Eleventh will arrive in San Francisco about March 1. After equipping with clothing and outfits for colder weather, the troops will immediately start for the east. The transport bearing the Second cavalry, which relieves the Eleventh, is due in Manila now, and the regiment may get on board by February 1, which would land them in America in about a month. Four troops will be stationed at Des Moines, which will be the headquarters of the regiment and the residence of the colonel. Four troops will probably go to Fort Riley, Kansas, two to Fort Sheridan, Illinois, and two to Jefferson Barracks, Missouri. The cavalry will be remounted on its arrival in America, and the work of training the horses will occur at Fort Des Moines.

IMPORTANT BILLS INTRODUCED.

Looking to Inebriate Asylum, State Highway and Child Labor.

Des Moines, Jan. 29.—Three of the most important measures to be introduced during the present session of the legislature were presented yesterday. Senator Smith of Mitchell county asks for an appropriation of \$100,000 to convert the buildings at Knoxville, formerly used as a state school for the blind, into a hospital for inebriates. He offers a new law regarding sentencing inebriates and makes any attempt to escape a misdemeanor.

Representative Weeks of Guthrie county introduced a bill providing for state highway department. He would have a commissioner appointed by the governor, to serve two years, whose duty it shall be to superintend and advise boards of supervisors concerning the construction of roads, bridges and ditches.

Representative Cummings of Marshall introduced a lengthy measure by the terms of which employment of children under the age of 14 is absolutely prohibited and the employment of those under 16 is restricted to such an extent as to practically exclude them. The bill supplements the compulsory educational measure as the employment of children is prohibited unless they can furnish a certificate that they have attended school for the prescribed period during the current twelve months.

COUPLE DIE TOGETHER.

Bodies of Reinbeck Man and Wife Found in Oregon.

Pendleton, Ore., Jan. 27.—The bodies of Mr. and Mrs. John T. Brown of Reinbeck, Iowa, were found in the hills south of town yesterday. Mrs. Brown had been shot in the breast and her throat cut from ear to ear with a razor. Brown had shot himself in the head and swallowed poison. A note found near the bodies was to the effect that they were tired of life and had agreed to die together. Another letter written by Mrs. Brown and addressed to "Dear Brother," said: "When this letter reaches you, I will be no more. I have found another man in Oregon. I love better than my wife. I am not a republican or democrat, but as the case may be. He can thus vote but once. If requested, he must take oath that he voted with that party at the last general election and perjury will be attached with the same penalty as at a general election."

BANKRUPTCY LAW.

Supreme Court Sets Aside Conveyance of Property.

Des Moines, Jan. 28.—The supreme court of Iowa stepped in yesterday and reversed the lower court because of a desire to protect his creditors, within four months of the beginning of proceedings in bankruptcy. The lower court held that there was no evidence of an intention to give preference to the banks, but the supreme court holds that there was apparently a mutual knowledge that the bankrupt was insolvent at the time.

PROUTY'S FIRST ROUND.

Centros County Central Committee and Fixes Early Primary Date.

Des Moines, Jan. 29.—Judge S. F. Prouty won in the first round of the congressional battle at the initial session of the republican county central committee, held in the court house yesterday afternoon. His lieutenant controlled the Polk county committee by a vote of 22 to 10. The county primary election was fixed for February 23, only four weeks hence, and the primary will be followed in a few days by the county convention. An effort to make a change in the rules governing primaries, so that judges of election shall have the right to demand a receipt from prospective voters touching their qualifications, was carried by a vote of 22 to 17. Chairman Walter Irish announced that the resolution to amend the rules had received a majority vote, but that it was not passed, as the rules provide that no amendments can be made without a two-thirds vote.

SAY HE GOT THE MONEY.

Testimony Against Former Captain Anderson for Corruption.

Sioux City, Jan. 27.—In the trial of Edwin Anderson, former captain of the Sioux City police, for corruption in office, six witnesses testified to seeing J. H. Bigelow, the prosecuting witness, pay Anderson money on six occasions. It is claimed by the state that Anderson entered an agreement with Bigelow, who represented a slot machine company, to protect him in the operation of the machines in violation of the law, in consideration of regular amounts to be paid Anderson by Bigelow.

Judge Wade After Trust.

Washington, Jan. 28.—Judge Wade has introduced a bill to suppress monopolies and trusts in restraint of trade in cattle, hogs, meats and animals. The bill provides that transportation for this class of goods between the different states with a purpose in view of selling the same at prices calculated to drive competition out of business shall be prohibited and that the penalty for the violation shall be \$5,000 and deprivation of the use of the mails. The bill was referred to Congressman Heppburn's committee, interstate and foreign commerce.

Shot His Mother.

Anita, Jan. 28.—While playing with a 22-caliber rifle supposed not to be loaded, the five-year-old son of Mr. Geo. Verelack, accidentally discharged the same, the bullet striking his mother in the elbow, passing up the arm into the shoulder. Efforts to extract the bullet have been in vain.

MEDICAL EXAMINER

Of the United States Treasury Recommends Pe-ru-na.

Other Prominent Physicians Use and Endorse Pe-ru-na.

DR. LLEWELLYN JORDAN, Medical Examiner of the U. S. Treasury Department, graduate of Columbia College, and who served three years at West Point, has the following to say of Peruna:

"Allow me to express my gratitude to you for the benefit derived from your wonderful remedy. One short month has brought forth a vast change and I now consider myself a well man after months of suffering. Follow sufferers, Peruna will cure you."

A constantly increasing number of physicians prescribe Peruna in their practice. It has proven its merits so thoroughly that even the doctors have overcome their prejudice against so-called patent medicines and recommend it to their patients. Peruna occupies a unique position in medical science. It is the only external systemic catarrh remedy known to the medical profession to-day. Catarrh, as everyone will admit, is the cause of one-half the diseases which afflict mankind. Catarrh and catarrhal diseases afflict one-half of the people of the United States.

Robert H. Roberts, M. D., Washington, D. C., writes:

"Through my own experience as well as that of many of my friends and acquaintances who have been cured or relieved of catarrh by the use of Hartman's Peruna, I can confidently recommend it to those suffering from such disorders, and have no hesitation in prescribing it to my patients."

Dr. R. Robbins, Muskegon, I. T., writes:

"Peruna is the best medicine I know of for coughs and to strengthen a weak stomach and to give appetite. Besides prescribing it for catarrh, I have ordered it for weak and debilitated people, and have not had a patient but said it helped him. It is an excellent medicine and fits so many cases."

"I have a large practice, and have a chance to prescribe your Peruna. I hope you may live long to do good to the sick and the suffering."

Dr. M. C. Gee writes from 515 Jones St., San Francisco, Cal.:

"Peruna has performed so many wonderful cures in San Francisco that I am convinced that it is a valuable remedy. I have frequently advised its use, and as I find it insures regular and painless menstruation, cure leucorrhoea and ovarian troubles, and builds up the entire system. I also consider it one of the finest catarrh remedies I know of."

M. C. Gee, M. D.

Catarrh is a systemic disease curable only by systemic treatment. A remedy that cures catarrh must aim directly at the depressed nerve centers. This is what Peruna does.

Peruna immediately invigorates the nerve centers which give vitality to the mucous membranes. Then catarrh disappears. Then catarrh is permanently cured.

If you do not derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case, and he will be pleased to give you his valuable advice gratis. His address is: Dr. J. C. Hartman, President of the Hartman Sanitarium, Columbus, Ohio.

CAPITAL INSURANCE COMPANY

DES MOINES, IOWA.

This company stands at the head of the insurance companies organized and doing business in the state, so much so that it has been styled "Iowa's Favorite."

The company points with pride to its record. It has paid every adjusted loss without delay or quibbling. During the past ten years but two claims against the company for indemnity have been the occasion for lawsuits and both were decided in favor of the company.

The company is capitalized for \$10,000,000 and has in round numbers a surplus available for the payment of indemnities of \$16,000,000 and above its legal reserve. During the past ten years there has been an increase in the business of about 275 per cent and at the same time a reduction in the loss ratio of about 15 to 20 per cent. This shows excellent business management. Its assets are free from overvalue.

Notes and it stands before the public clean, solid and substantial.

The company owns and occupies its own building, a beautiful four-story structure located at the corner of Grand avenue and Fourth street, a fit home for such a company.

Ten years ago S. T. Berry became the president of the company and with the change made at that time the company was put upon a sound financial basis and the adoption of business policies that has made the Capital a favorite of many people who use fire insurance, and all share the very proper pride of the management in the success it has attained. Mr. Berry came from Cedar Rapids, where he had for thirty years been connected with the Farmers' Insurance Company of that city, where he had done much to make the great company it is—American Journal of Progress.
