

The letter of Miss Merkley, whose picture is printed above, proves beyond question that thousands of cases of inflammation of the ovaries and womb are annually cured by the use of Lydia E. Pinkham's Vegetable Compound.

"DEAR MRS. PINKHAM:—Gradual loss of strength and nerve force told me something was radically wrong with me. I had severe shooting pains through the pelvic organs, cramps and extreme irritation compelled me to seek medical advice. The doctor said that I had ovarian trouble and ulceration, and advised an operation. I strongly objected to this and decided to try Lydia E. Pinkham's Vegetable Compound. I soon found that my judgment was correct, and in eleven weeks I was once more strong and vigorous and perfectly well. My heartiest thanks are sent to you for the great good you have done me."—Sincerely yours, Miss MARY K. MERKLEY, 478 Third St., Milwaukee, Wis.—\$5000 worth of above letter proving genuineness cannot be produced.
