Whole Family Benefited By Wonderful Remedy There are many little things that annoy us, under present conditions of life. The hurry, hard work, noise and strain all tell on us and tend to provoke nervousness and irritability. We are frequently so worn out we can neither eat, sleep nor work with any comfort. We are out of line with ourselves and others as well. A good thing to do under such circumstances is to take something like Dr. Miles' Anti-Pain Pills

to relieve the strain on the nerves. Mrs. J. B. Hartsfield, 82 Plum St., Atlanta Ga., writes: "I have on several occasions been vastly relieved by the use of your medicines, especially the Anti-Pain Pills, which I keep constantly on hand for the use of myself, husband and two sons. Nothing in the world equals them as a headache remedy. Often I am enabled by the use of one or two of the Pills to continue my housework when otherwise I would be in bed. My husband joins me in my praise of the Anti-Pain Pills and Nervine."

Dr. Miles' Anti-Pain Pills are relied upon to relieve pain, nervousness and irritability in thousands of households. Of proven merit after twenty years' use, you can have no reason for being longer without them. At all Druggists, 25 cents 25 cents. MILES MEDICAL CO., Elkhart, Ind.

ST. JOSEPH, MO. NOTES. Sir J. H. Murphy, 33 degree, of Baltimore, Md., imperial potentate of the A. E. A. O. N. M. S., and the veteran editor of the Afro-American Ledger of that city, will be in our city a few days this month and has accepted the invitation to deliver an address under the auspices of the local Negro Business League at the Francis Street Baptist church on Sunday evening, May 10th, at 8 p. m. Admission will be free and the league extends a cordial invitation to the public to be present and hear Mr. Murphy, who is one of our pioneer editors and a very prominent man in that city and state in the religious, Masonic, social and political upbuilding of our race. It is safe to assume that a very large audience will be present that evening, and by coming early you will be assured of a good seat. The Mesdames H. L. Walker, L. B. Johnson and Miss M. Harrison gave a dancing party last Thursday night at the Masonic temple in honor of Miss Lottie Whittington of Kansas City and the Mesdames J. H. Woods, Lulu Winn of Des Moines. About a hundred of the invited guests were present to meet the visitors and assist in making the evening one long to be remembered among the social gatherings. The hall was nicely decorated and dainty refreshments were served.

The following named persons are the only Afro-Americans that the new mayor, Mr. Marshall, has selected to this time: The Mesdames M. E. Alexander and Cordelia Hawkins for matrons at the rest room, Eighth and Felix and Fourth and Felix, and the Messrs. J. B. Jones and R. Jamison as janitors at the city hall and Frank Williams as chimney sweep. It is said that he expects to make some more appointments from members of our race. We trust he will. Rev. N. C. Buren is in New York City this week attending a meeting of the officials of the A. M. E. church. The charters of several of the social clubs have been taken by the county officials, so things are quiet for the managers of such places and those who patronize them. Rev. J. H. McCullough, pastor of Halsey chapel, will attend the general conference, which will open May 5th at St. Louis. He is among the candidates aspiring to be elected as a bishop at that conference. As the weather so far this spring has been cool and wet our tennis club has not yet reorganized for this season, but as it is now time for more stable weather they will soon elect officers and begin practicing and a number of new members will join this season.

Biliousness and Constipation. For years I was troubled with biliousness and constipation, which made life miserable for me. My appetite failed me. I lost my usual force and vitality. Pepsin preparations and cathartics only made matters worse. I do not know where I should have been today had I not tried Chamberlain's Tablets. The tablets relieve the ill feeling at once, strengthen the digestive functions, purify the stomach, liver and blood, helping the system to do its work naturally.—Mrs. Rosa Potts, Birmingham, Ala. These tablets are for sale by all dealers.
